### AUDIO

#### 16/ Cassette player

For features and performance, today's cassette player has come a long way in the last few years.

- Auto reverse provides uninterrupted listening to both sides of the cassette
- Hard permalloy tape head for longer tape head life and resistance to wear
- Tape music search, forward and reverse

#### 17/ Multimedia player

For a state-of-the-art musical experience, MP3's use audio coding to compress musical data making it possible to store up to 10 hours of music on a standard CD, as well as allowing for file download from MP3 music distribution sites on the internet.

#### 18/ Sports pedal set

Completes the sporty picture. Automatic only.

## VERSATILITY AND YOUR ACCORD EURO

### 32 / Genuine fluids and lubricants

Honda motor vehicles are equipped with many unique systems which require unique care to maintain their high levels of performance and reliability. A range of genuine fluids and lubricants specifically designed for your Honda are exclusively available through your Honda dealer. Honda strongly recommends the use of genuine fluids and lubricants whenever maintenance work is performed.

### TOURING & TOWING
