5-spoke 19" x 8" alloy wheels in Dark Argent with machined rim, fitted with Dunlop SP Sport Maxx 245/35ZR19 tyres	O	O
Matching alloy spare wheel	S	S
Black chrome wheel nuts	S	S
Matching black chrome locking wheel nuts	S	S
Brakes		
Performance Brakes - 355 x 32mm cross drilled and slotted front rotors with Brembo 4 piston calipers and 328 x 26mm cross drilled rear rotors with red single piston calipers	S	S
Premium Brakes - Sedan - 355 x 32mm cross drilled and slotted front rotors with Brembo 6 piston calipers and 330 x 28mm cross drilled rear rotors with Brembo 4 piston calipers	O	-
Premium Brakes - Ute - 355 x 32mm cross drilled and slotted front rotor with Brembo 6 piston calipers and 328 x 26mm cross drilled rear rotors with red single piston calipers	-	O
Anti-lock Braking System (ABS) - 4 channel with traction control	S	S
Electronic Brakeforce Distribution (EBD)	S	S
Interior		
Interior Command Centre finished in satin alloy with Prestige audio system and LCD screen	-	S
Prestige Interior Command Centre finished in satin alloy with Premium audio system, dual-zone climate control and TFT colour screen	S	O*
Trip computer	S	S

S - Standard. O - Options that can be ordered before vehicle is manufactured. NCO - No cost options that can be ordered before vehicle is manufactured. - - Not available.
¹ These figures are obtained from controlled laboratory tests conducted by Ford Motor Company of Australia Limited to Australian Design Rule 81/01, which requires use of 95 RON fuel, and are provided to assist you in comparing the fuel consumption of FPV models with other vehicles. The actual fuel consumption you achieve will depend, however, on many factors, including your driving habits, the prevailing conditions and your vehicle's equipment, condition and use. All figures based on FPV F6 Typhoon.
* Included with optional Premium audio system on F6 Tornado.
