Drive your way

### INTERIOR

*Carpet Mat Set - Beige (Set of 4)*  
(Also available in Grey)

Quality carpet mats, designed to fit the exact contours of your vehicle. Four piece set including front & rear

*Universal Rubber Mat Set (Set of 4)*

Quality rubber mats, conveniently designed to fit all Hyundai vehicle and easy to clean. Four piece set including front and rear

*Universal Carpet Mat Set (Set of 4)*

Quality carpet mats, conveniently designed to fit all Hyundai vehicles. Four piece set including front and rear

*Dash Mat - Beige*

Quality dash mat, designed to fit the exact contours of your vehicle's dash. Reduce windshield glare and heat haze while protecting your dash from sun damage

*Dash Mat - Grey*

Quality dash mat, designed to fit the exact contours of your vehicle's dash. Reduce windshield glare and heat haze while protecting your dash from sun damage

*Front Seat Cover - Black (Set of 2)*

Protect your vehicle's original upholstery from harmful elements with these easy-to-fit Hyundai branded seat covers

*Front Sheepskin Covers (Set of 2)*

Protect your seat fabric with these attractive sheepskin seat covers designed for a perfect fit

*Cargo Liner*

A welcome addition to your cargo area. Minimises shifting and sliding of objects. A lip around the edge of the liner contains any accidents or spills. Easy to maintain

*Universal Bootlip Protector Mat*

Keep your rear bumper and your bootlip scuff and scratch-free. Load and unload heavy or awkward items with ease and peace of mind

*Woodgrain Kit - Auto (Also available for Manual)*

Designed to fit the centre console of the vehicle creating an attractive interior finish

*Roof Mounted DVD Entertainment Unit*  
(DVD Unit Fitting Kit must also be purchased)

Rear seat passengers now have a convenient, safe way to pass the hours. The best thing about the unit is its versatility. The unit can play movies, audio CD's, or your favourite MP3 compilation CDR's. It's also Sony Playstation and Gameboy compatible

*Cargo Barrier*

The Cargo Barrier has been engineered & designed specifically to fit, meeting new Australian Standards plus is one of the first in Australia to include a mesh exit door

### EXTERIOR

*Headlight Protectors (Set of 2)*

Protect your car against stones and other debris and avoid expensive repairs. Specifically designed to fit the car and conveniently removable for easy maintenance

*Bonnet Protector*

Designed to follow precisely the contours of bonnet's leading edge, offering the ultimate in stone chip protection

*Style Visors (Set of 2)*

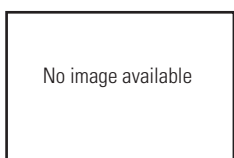

A cross between a full & a slimline weathershield. The Style Visor allows you to control the flow of fresh air into the vehicle. They help reduce fogging, which occurs in wet weather, and allows the occupant to have the window open without getting wet

*Transfer Case Protector*

Added protection to the transfer case against stones and other debris

### STYLING

*Sunroof H740 Integrated*

The larger sunroof is like a factory-fitted roof, fully integrated, disappearing in the headlining while opening; when closed, the elegant sliding/tilting sunroof forms a perfect unit with the car

*Driving Lights - Grille Guard Fit*  
(Driving Light Cover also available)

Driving Lights are designed specifically for the Terracan and are to be mounted on the Grill Guard

# Do it your way

## Terracan Accessories

Drive your way

### STYLING CONTINUED

#### Grille Guard

A heavy-duty frame equipped to handle branches, limbs, and other debris you might encounter on the trail. Equally effective in parking lots, it will also protect your Terracan from stray shopping carts and poor parkers

### TOWING

#### Towbar (Also available Towbar Wiring Harness, Towball & Large/Small Round Adaptor)

Our Towbars are designed and engineered to suit each vehicle specifically. Towbars routinely receive extensively static and load testing for assured safety

#### Trek 'n' Tow Suspension Kit

The Trek 'n' Tow suspension kit optimises Terracan's suspension for Australia's harshest road conditions. The kit boosts towing performance and lifts the vehicle's already substantial hard country capability, as well as it's ground clearance to new heights

### LIFESTYLE

#### Roof Racks

(Roof rack locks must also be purchased to fit)

Manufactured with high quality and safety standards in mind. They are tested to withstand the stresses of everyday use as well as being removed from the vehicle regularly

#### Surfboard Carrier\*

(Roof racks must also be purchased to fit)

Maximum protection for surfboards in a soft cradle. Easy-to-use and keeps your surfboard firmly in place during transport.

#### Snow Pro Ski Carrier\*

(Roof racks must also be purchased to fit)

The classic ski carrier in a new aerodynamic design. Push button release, manageable even while wearing thick skiing gloves. Double lock function that locks the skis and the ski carrier to the load carrier. Holds 3 skis or 2 snowboards

#### Storage Box Large - 450 Litres

(Also available 360 Litres)

(Roof rack must also be purchased to fit)

Transport more in this easily loaded and unloaded storage unit. Free up luggage and passenger space while protecting your belongings from the elements

#### Roof Mounted Bike Rack\*

(Roof racks must also be purchased to fit)

A safe and reliable bike carrier that fits most bikes

#### Bike Rack - Towbar Fit & Rear mounted light/licence plate holder\*

Can hold up to three bikes. An easy-to-use bike carrier for cars with towbars. The patented snap-on coupling makes it simple to mount the carrier securely on the towbar. The frame holders are made in soft rubber to protect the bike frames

#### Cargo Box - Fold Down\*

A simple and easy way to prevent cargo slipping and spilling. The innovative velcro base restricts movement of the box. Folds flat when not in use

#### Fridge

The On Board Fridge provides ample space for snacks and drinks, easily holding 1.5 or 2 litre bottles. The fridge can be fitted safely to any seat and includes an extendable fastening rail to prevent tilting, which provides extra support in case of a sudden stop
