

The Audi A5

The new Audi A5

Centre of attention: the driver.

There's one thing that never lets the Audi engineer or designer go once it has a grip on them: the driving experience. It's their motivation and at the same time the scale against which the innovative power of ultramodern technologies, and the fascination of progressive design, have to be measured. This is the background against which the Audi A5, as a new model line, opens an entirely new chapter in the Audi product portfolio. It systematically follows the function of movement in design and technology, and arouses pure desire to get behind the wheel.

Sportiness, elegance and high performance are characteristics which are today associated with every Audi model and which are a basic principle of the Audi A5. The foundations for this are provided by a formal idiom that obtains its fascination from the dynamic interaction of concave and convex surfaces and vital body lines within what is almost a classic Gran Turismo silhouette.

The fine aesthetics of the Audi A5 result from the powerful statement made by its blend of function and design. This applies equally to the body and the interior. Audi designers refer to this as a holistic design concept – an approach that communicates the logic of the Audi A5's sporty character and, above all, its harmony.

Exceptional awareness of what sportiness calls for is shown by the driver-oriented interior of the Audi A5 with its asymmetric cockpit architecture focused on the driver. The controls, inlays, armrests and storage compartments in the doors of the Audi A5 combine to create an impression of exemplary visual harmony. Surfaces full of life invite the occupants to explore and 'feel' the interior architecture. As one would expect from a coupé, this full four-seater is available in a wide range of seat upholstery materials and colours, with additional exclusive customisation options.

Recommended Retail Price^

Model	A5 3.2 FSI multitronic	A5 3.2 FSI quattro tiptronic
	\$91,900^	\$95,900^

Technical Data

Cylinders/valves	V6/4 With new valvelift system
Capacity (cc)	3197
Power (kW/rpm)	195/6,500
Torque (Nm/rpm)	330/3,000-5,000
Transmission	multitronic® with 8-speed manual shift mode + sport mode /6-speed tiptronic with quattro permanent all-wheel drive
Acceleration 0-100km/h (sec)	6.6 (6.4)
Wheels	17" alloy wheels in 6-spoke parabola styling
Tyres	245/45 R 17
Fuel consumption# ADR81/01	
▶ L/100 km's (consumption)	8.7 (9.3)
▶ CO2 emissions, grams per km	207 (220)

values in () apply to 6-speed quattro tiptronic

Safety

Airbags for driver and front passenger with two-stage inflation, depending on seriousness of collision	•
Side airbags (thorax/pelvis) for front passengers	•
Sideguard head-level airbag system	•
Electronic Stabilisation Program (ESP) incorporating ABS, Electronic Brake-force Distribution (EBD), Electronic Differential Lock (EDL), traction control (ASR) and Brake Assist	•
Audi dynamic chassis, incorporating five-link front suspension and trapezoidal link rear suspension	•
Audi Hold Assist, holds the vehicle after stopping on uphill or downhill inclines	•
Head restraints and three point seat belts for all 4 seats, with front seat belts fitted with belt tensioners and force limiters	•
Servotronic speed-sensitive power steering	•
Safety steering column with tilt and telescopic adjustment	•

Exterior Features	A5 3.2 FSI multitronic	A5 3.2 FSI quattro tiptronic
17" alloy wheels in 6-spoke parabola styling with 245/45 profile tyres		•
18" alloy wheels in 10-spoke V styling with 245/40 profile tyres		O/\$1,350*

Sunblind, at rear window electrically operated		O/\$650*
Symphony radio with integrated 6 disc CD changer, MMI operating concept with 6.5 inch colour screen		•
TV reception, analog and digital (only in combination with Navigation system)		O/\$2,400*
Voice control system (only in combination with Navigation system)		O/\$1,000*

• = Standard O/\$ RRP* = Optional extra NCO = No cost option

^New vehicle prices shown include Luxury Car Tax (LCT) of 25% and are recommended retail prices (RRP) excluding dealer delivery which vary from dealer to dealer, stamp duty, compulsory third party insurance costs and registration charges which may vary from State to State. LCT applies to new vehicles, factory fitted optional extras and dealer delivery charges where the GST inclusive total price is above \$57,180. In the Federal Budget, the Government announced that LCT would increase from 25 to 33% from 1 July 2008. The Tax Commissioner has advised that the legislation to make that law will not be passed by then. However, if passed at a later date, the proposed law will apply retrospectively from 1 July 2008. Audi Australia Pty Ltd has determined that if the law is enacted, customers will not need to pay the retrospective additional 8% LCT on luxury vehicles delivered from 1 July 2008 to the enactment date. Customers will, however, be responsible for paying the additional 8% LCT from the enactment date of the legislation and an additional 8% will need to be added to the new vehicle prices.

*Recommended retail prices of factory fitted optional extras including LCT. Optional extra specifications and prices are subject to change without notice. Please check with your Authorised Audi dealers.

Fuel consumption figures according to Australian Design Rule (ADR) 81/01. The driving style, road and traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.

Audi Music Interface connector cable must be purchased separately through Audi Genuine Accessories.

Phone cradle must be purchased separately. Please check with your Audi dealer for phone cradle availability and approved Bluetooth telephones that have been tested by Audi for compatibility and functionality.

Specifications are as planned at July 2008 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Limited, in so far as it is permitted by law to do so, shall not be liable in any way as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and prices.

An A5 3.2 quattro tiptronic is pictured with optional navigation system, 19" alloy wheels, panoramic glass sunroof and metallic paint. An overseas model is shown.
