

The Audi TT Coupé

The Audi TT Coupé

Pure energy

The Audi TT reflects a sharper, more mature design yet remains a symbol of iconic style and power, delivering dynamic acceleration thanks to its race-bred engine. The TT Coupé is available with a choice of two engines - the award-winning 2.0 TFSI engine, voted "Engine of the Year" for three consecutive years by a panel of 56 judges from 26 countries globally⁺. There is also a potent 3.2 V6 engine with 184 kilowatts, incorporating Audi's legendary quattro permanent all-wheel drive, with greater stability and precision road handling.

Both engines feature the innovative, race-bred dual-clutch transmission - S tronic - which provides seamless and exhilarating performance. An additional sporty manual transmission is also available on the 2.0 TFSI. The Audi TT Coupé is a clear embodiment of Audi's "Vorsprung" philosophy - leading performance, superior design and the ultimate in prestige.

^New vehicle prices shown include Luxury Car Tax (LCT) of 25% and are recommended retail prices (RRP) excluding dealer delivery which vary from dealer to dealer, stamp duty, compulsory third party insurance costs and registration charges which may vary from State to State. LCT applies to new vehicles, factory fitted optional extras and dealer delivery charges where the GST inclusive total price is above \$57,180. In the Federal Budget, the Government announced that LCT would increase from 25 to 33% from 1 July 2008. The Tax Commissioner has advised that the legislation to make that law will not be passed by then. However, if passed at a later date, the proposed law will apply retrospectively from 1 July 2008. Audi Australia Pty Ltd has determined that if the law is enacted, customers will not need to pay the retrospective additional 8% LCT on luxury vehicles delivered from 1 July 2008 to the enactment date. Customers will, however, be responsible for paying the additional 8% LCT from the enactment date of the legislation and an additional 8% will need to be added to the new vehicle prices.

* Recommended retail prices of factory fitted optional extras including LCT. Optional extra specifications and prices are subject to change without notice, please check with your Audi dealer.

Excludes phone cradle which must be purchased separately. Please check with you Audi dealer for phone cradle availability and approved Bluetooth telephones that have been tested by Audi for compatibility and functionality.

Audi Australia Pty Limited, in so far as it is permitted by law to do so, shall not be liable in any way as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and prices.

Vehicle pictured in this spec sheet is an overseas model Audi TT Coupe 3.2 V6 quattro with the additional optional extras Metallic paint, Xenon Plus headlights.
