The Accord is the perfect representation of Honda's achievements.

We're celebrating our 40th anniversary in Australia.

During this time, we've had the pleasure of creating some of the most revolutionary technologies and innovative vehicles. And the Accord is a great example.

The Accord is among the largest, most powerful and fuel efficient cars in its class. But the 40th Anniversary Limited Edition Honda Accord is something special altogether.

With Limited Edition features including 40th Anniversary badge, Bluetooth® phone system, rear park assist, illuminated door sill garnishes, fog lights and deluxe tailored floor mats, the most impressive Accord we've ever built just got even better.

A 2.4 litre i-VTEC engine produces 133kW of power and 222Nm of torque. It also comes with a 5-speed automatic transmission. And at 8.8 litres¹ per 100km, its impressive performance is matched by equally impressive fuel consumption and low CO₂ emissions.

1 40th Anniversary Badge. An elegant detail that commemorates the occasion. **2 Bluetooth® phone system.** Mobile phone connectivity to safely keep you in touch with colleagues, family and friends while on the road. **3 Rear park assist.** Audible warning when reverse parking. Rear parking sensors actively alert you to the presence of something or someone behind the car when reversing. **4 Illuminated door sill garnish.** These attractive door sill garnishes complement your 40th Anniversary Limited Edition Accord's style cues. **5 Fog lights:** **6 Deluxe tailored floor mats:**

*Fog lights and deluxe tailored floor mats are additional 40th Anniversary features (not shown above).¹ The fuel consumption figures quoted are based on ADR81/01 test results.

+ This Limited Edition Accord is a celebration of our 40 years of achievements.
