Limited Edition CR-V Extra available at participating Honda Dealers, while stocks last. Automatic transmission available for an additional cost. CR-V Extra model shown on cover. HON-7507

 **Honda CR-V Extra**
Limited Edition

It's always been a great drive. Now it's even better value.

Limited Edition features:

- Alloy wheels
- Front fog lamps
- Rear parking sensors
- Full size alloy spare wheel

So just how do you improve on a vehicle that sets the standard for performance in its class? To be honest, it wasn't easy. But we've added fog lamps, sporty alloy wheels and rear parking sensors to the CR-V to create the Limited Edition CR-V Extra. Like every CR-V, it combines dynamic styling with unmatched drivability and functionality.

Sleek and masculine, the exterior styling gives the CR-V Extra a progressive attitude. But inside, it's all luxury with standard inclusions like air conditioning, cruise control, power windows and steering wheel mounted audio controls. The cabin is super quiet too, thanks to soundproofing and suppression of engine noise.

As for the drive, a low centre of gravity, wide stance and a stiff, high-tensile steel chassis combine to deliver sedan-like stability and agility. All with the impressive power of a 2.4 litre DOHC i-VTEC engine. So if you've been thinking about a CR-V, it's time you got Extra.

CR-V Extra model shown.
