Product Flyer

The specifications and major features listed herein are accurate as at the date of printing (October 2008/08 YM). However, Honda Australia Pty. Ltd. reserve the right to change or modify specifications and major features at any time without prior notice. Due to ordering, shipping and freight factors, some colour and model availabilities may vary from time to time. Check with your Honda Dealer for current information on availability. Automatic transmission available for an extra cost. Only Genuine Honda Accessories are made to fit Honda vehicles. For a Genuine Honda Accessory brochure contact your Honda Dealer or Honda Australia on 1800 804 954. *The fuel consumption figures quoted in this brochure are based on ADR81/01 test results. You may experience different results depending on driving conditions and the condition of the vehicle. Honda warranties apply where due care is exercised by the owner and the vehicle is maintained in accordance with the vehicle's owners manual. Please refer to Honda's warranty documentation for exclusions and conditions. Honda Australia Pty. Ltd. recommends careful examination of all official Honda warranty documentation before purchasing. This brochure is printed on 80% post consumer fibre and 20% totally chlorine-free pulp. It is FSC certified mixed source paper which ensures that all virgin pulp is derived from well managed forests and is manufactured by an ISO 14001 certified mill. CR-V Special Edition model shown on cover.

HON 8023

It's always been a great drive. Now it's even better value.

Special Edition features:

- Roof racks
- Alloy wheels
- Front fog lamps
- Rear parking sensors
- Full size alloy spare wheel

So just how do you improve on a vehicle that sets the standard for performance in its class? To be honest, it wasn't easy. But we've added fog lamps, sporty alloy wheels (including a full size alloy spare), rear parking sensors and roof racks to the CR-V to create the exclusive CR-V Special Edition. Like every CR-V, it combines dynamic style with unmatched drivability. And with added roof racks,

its functionality is even more impressive. Sleek and masculine exterior styling gives the CR-V Special Edition a progressive attitude. Inside, however, it's all luxury with standard features like air conditioning, cruise control, power windows and steering wheel mounted audio controls. The cabin is super quiet too, thanks to soundproofing and engine noise suppression. As for the drive, a low centre of gravity,

wide stance and stiff, high-tensile steel chassis combine to deliver sedan-like stability and agility. All with the impressive power of a 2.4L DOHC i-VTEC engine designed to get more out of every drop of fuel. So if you've been thinking about a CR-V, this is a very special offer you won't want to miss.
