## The Accord is the perfect representation of Honda brilliance.

We're celebrating our 40<sup>th</sup> anniversary in Australia.

During this time, we've had the pleasure of creating some of the most revolutionary technologies and innovative vehicles. And the Accord is a great example.

The Accord is among the largest, most powerful and fuel efficient cars in its class. But the 40<sup>th</sup> Anniversary Limited Edition Honda Accord is something special altogether.

With Limited Edition features including, Bluetooth® phone system, rear park assist, fog lights, deluxe tailored floor mats and 40<sup>th</sup> Anniversary badge, the most impressive Accord we've ever built just got even better.

A 2.4 litre i-VTEC engine produces 133kW of power and 222Nm of torque. It also comes with a 5-speed automatic transmission. And at 8.8 litres\* per 100km, its impressive performance is matched by equally impressive fuel consumption and low CO<sub>2</sub> emissions.

So you can get the most out of every drop of fuel – or as we like to say, you'll drive every drop.

But the 40<sup>th</sup> Anniversary Limited Edition Accord isn't simply a triumph of Honda's engineering and technology. It's also an expressive and spacious design, combining performance, comfort, style and above all, safety. Its powerful presence eloquently expresses the thought that has gone into its engineering.

The Accord sits confidently on the road – a muscular, sporty statement, the aggressive nose hinting at the power that lurks beneath. While inside, its plush interior provides space and comfort for five adults.

But this is one good thing that won't just come to those who wait. With its limited run, you'll need to hurry to join the select few to own the 40<sup>th</sup> Anniversary Accord.

**1. Bluetooth® phone system.** Mobile phone connectivity to safely keep you in touch with colleagues, family and friends while on the road. **2. Rear park assist.** Rear parking sensors give you an audible warning to alert you to the presence of something or someone behind the car when reversing. **3. Fog lights.** Precision optics provide a highly controlled light pattern to enhance visibility and safety in adverse weather conditions. **4. 40<sup>th</sup> Anniversary badge.** An elegant detail that commemorates the occasion.

\*The fuel consumption figures quoted are based on ADR81/02 test results.

## + This Limited Edition Accord is a celebration of 40 years of quality.

# 40
