## Audio and Electronics

### Switching to smart technologies

Upgrade the CR-V experience by choosing from a range of smart technologies, such as the Bluetooth® Phone System and DVD Entertainment System. Communicate easily and keep the kids entertained with accessories that are wired into your Honda's system and deliver exceptional quality and convenience.

#### **6 Bluetooth® Phone System†** - communicating made easy.

No matter where you've left your mobile phone in the car, this intelligent system lets you take calls with your hands on the steering wheel and your eyes on the road. Using versatile technology, the Bluetooth® Phone System is easy and safe to use. It automatically detects a call and conveniently turns down the audio system. Once the call has finished, the audio system is turned back up. No wires, no cradles, no hassles. Please check mobile phone compatibility with your Honda Dealer.

#### **7 DVD Entertainment System** - now playing in a Honda near you.

Custom-built for your CR-V, the DVD Entertainment System is an all-in-one DVD, CD and MP3 player with audio that plays through your car's sound system. It offers your back seat passengers, young and old, the option of taking their own fun with them on long trips. This means fun for all the family, or just for the kids using the supplied wireless infrared headphones. You can also plug in game consoles or a digital camera\*.

**6 Bluetooth® Phone System†.** **7 DVD Entertainment System.** **8 Premium Tweeter Speaker Set.** Heighten your listening experience. The tweeter set provides improved high frequency response for more detailed sound reproduction, and creates a more spacious sound stage. Standard on Sport and Luxury models. **9 Bass Works Speaker System.** Enjoy an enhanced listening experience with a deeper and richer bass. Fully adjustable to the driver/passenger's taste. Includes two high performance speakers and amplifier.

†Bluetooth® is a trademark of Bluetooth® SIG, Inc. \*Devices must support composite video output.

# Protection

## What does it take to ruin your investment?

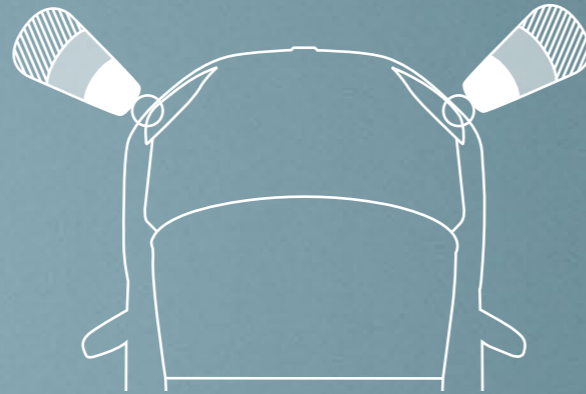

Wear and tear on your vehicle may lead to premature depreciation, and hit your hip pocket when it comes time to sell. Keeping your Honda in showroom condition may help promote higher resale value and is now simple to do with Honda Genuine Protection Accessories.

### Honda Genuine Park Assist – A virtual sixth sense

Imagine how easy life would be if you always had someone to guide you when moving forward or back into a parking spot. This is in effect what Honda Front Corner and Rear Park Assist does for you. If an object is within range of the Front Corner or Rear Park Assist, the sensor detects its presence within the zones and depending on the distance will emit an audible beep. The closer you get to the object, the more frequent the beep sounds.

### 3 Dust and Pollen Cabin Filter – For a Clean Bill of Health

The air entering your vehicle can contain billions of tiny particles that can trigger allergies and affect your health. Pollen, dust, fungus, plant spores and everyday pollutants such as exhaust fumes and soot can be up to six times more concentrated inside your vehicle than when outside. A Honda Genuine Dust and Pollen Cabin Filter is an easy and efficient way to help be rid of them.

**1 Front Corner Park Assist\* (set of 2).** Audible warning when manoeuvring your vehicle into a tight spot. If an object is within range of the front corner park assist, the sensor detects its presence within the zones and depending on distance, will emit an audible beep. **2 Rear Park Assist (set of 4).** Actively alert yourself to the presence of something, or someone behind the car when reversing. Standard on Luxury models. **3 Dust and Pollen Cabin Filter.**

**4 - 5 Bonnet Protector®.** The hard-wearing acrylic helps to protect the bonnet from paint chips and marks which may reduce the resale value of your vehicle. Available in clear (4) and premium dark tint (5) (sold separately). **6 Headlight Protector Set.** The hard-wearing acrylic helps to shield the headlights from damage. **7 Door Visor 4-Piece Set.** Long lasting acrylic door visors improve airflow while helping to protect your CR-V's interior from water and debris. **8 Car Body Cover.** Falling branches, birds and dust can all scratch your vehicle. Help protect the paint on your CR-V with a genuine car body cover. Easily installed and removed in minutes. **9 Rear Bumper and Bootlip Protector.** Protect the rear bumper and bootlip from everyday wear and tear. **10 Touch-up Paint.**

\* Refer to the diagram above (Figure 1) for the detecting range. Front Corner Park Assist sensor heads will not detect any object outside the sensor range.
