Honda Custom Performance

It's time to get personal

Inspired by Honda's famous sporting heritage, the Modulo Sports Pack adds even more punch to the energetic and stylish City. Reflecting the passion, skill and innovation that Honda is renowned for, the Modulo Sports Pack combines outstanding design and the highest quality materials with efficiency, function and performance. The Modulo Sports Pack is produced to the exacting engineering standards that apply to Honda vehicles and is designed in concert with the vehicle design, ensuring each model retains its integrity. Proven through stringent testing, the Modulo Sports Pack for the City brings together durability, convenience and class.

The Modulo Concept

Design

Honda designers combine the know-how of vehicle manufacturing with design sensitivity to create designs with outstanding individuality.

Function

Honda engineers create products that enhance the high quality finish, as well as the fundamental efficiency and function of Honda vehicles.

Quality

Honda engineers use actual road tests in pursuit of high all-road quality of Honda vehicles.
