

The Audi A3 Sportback

New South Wales

A new approach to elite performance

Ian Thorpe and the Audi A3 Sportback have much in common – each is a finely-tuned combination of form and function. The A3 Sportback offers you the practicality of a 5-door hatchback, with the sportiness of a classic coupe. Its striking front design, high shoulder-line, and distinctive rear, embrace a unique set of dynamic and emotional characteristics.

You can choose from an exclusive range of efficient high-performance engines. The 1.8 TFSI petrol and 2.0 TDI diesel engines both incorporate turbo-charging and direct fuel injection for improved responsiveness and economy. The powerful 147 kW 2.0 TFSI guarantees breathtaking performance and enjoyment, whilst the refined 1.6-litre petrol engine offers greater driving flexibility.

At Audi, the issue of fuel consumption has always been a key focus in the technical development of all Audi vehicles. The new 1.4 TFSI petrol engine replaces displacement with Audi's turbo direct injection technology TFSI delivering an impressive 200 Nm of torque and 92 kW of power but consuming just 5.8 litres per 100 km (combined cycle).

Thanks to the S tronic dual clutch transmission, the Audi A3 Sportback offers sports-style performance, with class-leading refinement and economy. The Audi dynamic chassis, combined with electro-mechanical speed sensitive steering creates a perfectly balanced, sporty yet comfortable ride. With Audi's famous quattro® permanent all-wheel drive technology, the Audi A3 Sportback offers surefooted sports performance. The A3 Sportback boasts numerous standard safety features including driver and front passenger airbags, front side airbags and SIDE GUARD head airbag curtain for front and rear passengers. Standard active safety features also include Audi's Electronic Stabilisation Program (ESP), incorporating Anti-lock Braking System (ABS), Electronic Differential Lock (EDL), Anti-Slip Regulation (ASR) and Brake Assist.

[^]Prices quoted are Manufacturers List Price (MLP) excluding delivery charges which may vary from dealer to dealer and statutory charges which vary from state to state. Where the MLP is below the Luxury Car Tax (LCT) threshold that price excludes LCT. Where the MLP shown, plus the dealer delivery charge, is above the LCT threshold that price is inclusive of LCT at the rate of 33%. The LCT threshold is \$57,180 for all vehicles except those with a combined fuel consumption value of 7.0 litres per 100 km# or less which have an LCT threshold of \$75,000. LCT is payable on all luxury vehicles with a total purchase price, including the price of factory and dealer fitted optional extras and dealer delivery charges, above the LCT threshold.

^{^1}Prices on this list are the manufacturer's recommended drive-away prices for NSW, based on the relevant statutory charges, CTP insurance (averaged out between three insurers and based on a 45 year old male driver in a metropolitan area), and the average dealer delivery prices of all Audi dealers within NSW. Registration fees are in accordance with the individual state legislation, fitted with a premium licence plate (where applicable) and based on private ownership. This is a manufacturer's publication, and new vehicles must be purchased from authorised Audi dealers. Prices may vary from dealer to dealer. All individual model prices are based on a standard vehicle with no optional equipment.

*Individual Manufacturer's List Prices (MLP) of the factory fitted options quoted on this specification sheet separately include LCT. If the total price for the displayed vehicle (excluding statutory charges) is below the LCT threshold then LCT is not applicable & the price of factory fitted options will need to be recalculated excluding LCT. Please enquire at your authorised Audi dealer for further details. This is a manufacturer's specification sheet and new vehicles must be purchased from authorised Audi dealers. Specifications are as planned from January 2010 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in anyway as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and prices. For individual prices please contact your local authorised Audi dealer.

**Fuel consumption figures according to Australian Design Rule (ADR) 81/02. The driving style, road and traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.

***Phone cradle must be purchased separately. Please check with your Audi dealer for phone cradle availability and approved Bluetooth telephones that have been tested by Audi for compatibility and functionality.

###The Comfort package and S line sport package cannot be combined.

Overseas models are shown. An A3 Sportback 1.8 TFSI Ambition is shown with optional Xenon Plus headlights, open sky roof system, Navigation system, mobile phone preparation and 16-spoke design alloy wheels.
