The Audi A4

With its innovative technologies and pioneering design, the Audi A4 will completely redefine your driving experience.

Beginning with the exterior, its ultra-modern lights, sporting profile and sweeping lines give the car a distinctive silhouette. The longer wheelbase increases stability, while air flows more dynamically around the lower, wider body.

Under the bonnet, a choice of three petrol engines feature FSI® direct injection – a unique Audi technology originally developed for the Le Mans 24-hour endurance race. And like their petrol counterparts, three TDI diesel engines are designed for power and performance, with low fuel consumption and CO2 emissions.

For the driver, the optional Audi Drive Select system adapts the vehicle's character at the touch of a button, effortlessly transforming your A4 from a sports car to an executive saloon. It can even be individually tuned, ensuring a ride that's perfectly customised to your needs.

Optional climate controlled seats add greater comfort, while quattro permanent four-wheel-drive, Audi Side Assist and Audi Lane Assist are also available, ensuring a safer, more satisfying journey.

In short, the Audi A4 incorporates the ideal combination of cutting-edge design and advanced technologies, delivering one of the most balanced, rewarding driving experiences ever.

[^]Prices quoted are Manufacturers List Price (MLP) excluding delivery charges which may vary from dealer to dealer and statutory charges which vary from state to state. Where the MLP is below the Luxury Car Tax (LCT) threshold that price excludes LCT. Where the MLP shown, plus the dealer delivery charge, is above the LCT threshold that price is inclusive of LCT at the rate of 33%. The LCT threshold is \$57,180 for all vehicles except those with a combined fuel consumption value of 7.0 litres per 100 km# or less which have an LCT threshold of \$75,000. LCT is payable on all luxury vehicles with a total purchase price, including the price of factory and dealer fitted optional extras and dealer delivery charges, above the LCT threshold.

^{^1}Prices on this list are the manufacturer's recommended drive-away prices for VIC, based on the relevant statutory charges, CTP insurance (averaged out between three insurers and based on a 45 year old male driver in a metropolitan area), and the average dealer delivery prices of all Audi dealers within VIC. Registration fees are in accordance with the individual state legislation, fitted with a premium licence plate (where applicable) and based on private ownership. This is a manufacturer's publication, and new vehicles must be purchased from authorised Audi dealers. Prices may vary from dealer to dealer. All individual model prices are based on a standard vehicle with no optional equipment.

**Start-stop system - Reduces fuel consumption and CO₂ emissions by switching off the engine in stationary phases, e.g. at traffic lights. The start process is initiated as soon as the clutch is pressed; when the gear is selected the idling speed has already been reached (standard equipment on 2.0 TDI e and 2.0 TFSI quattro manual models only). **There are certain operating conditions where the start-stop system is deactivated (e.g. during engine warm-up), please see the owners manual for full operating information.

*Individual Manufacturer's List Prices (MLP) of the factory fitted options quoted on this specification sheet separately include LCT. If the total price for the displayed vehicle (excluding statutory charges) is below the LCT threshold then LCT is not applicable & the price of factory fitted options will need to be recalculated excluding LCT. Please enquire at your authorised Audi dealer for further details. This is a manufacturer's specification sheet and new vehicles must be purchased from authorised Audi dealers. Specifications are as planned from January 2010 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in anyway as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and prices. For individual prices please contact your local authorised Audi dealer.

#Fuel consumption figures according to Australian Design Rule (ADR) 81/02. The driving style, road and traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.

**Phone cradle must be purchased separately. Please check with your Audi dealer for phone cradle availability and approved Bluetooth telephones that have been tested by Audi for compatibility and functionality.

***Audi Music Interface connector cable must be purchased separately through Audi Genuine Accessories.

Overseas models are shown. An A4 3.2 quattro sedan is pictured with optional sports front seats, navigation system and metallic paint.
