The Audi S5

Driving redesigned

A new form of coupé: First and foremost the S5 is one hundred percent Audi; the exceptional dynamics, the sports performance, the sophisticated luxury. However in this dynamic model, Audi takes on a new form – with the long sweeping lines, classic wide stance and elegant contours of the iconic coupé.

A new form of power: It's all about your senses. First you hear it. The deep roar of the race-bred 4.2 litre V8 FSI® engine. Then you feel it. The immediate response as it delivers 260 kW of power and 440 Nm of torque. Finally you live it – as the Audi S5 6-speed manual propels you from 0 to 100 km/h in 5.1 seconds towards a top speed of 250 km/h.

A new form of comfort: Slide behind the Audi S5's multifunction sports leather steering wheel, and sink into the embossed leather sports seats, and you're surrounded by luxurious comfort and styling. The interior is elegant and sophisticated. The cockpit is ergonomically designed. Even the instrument panel reflects distinct style with white needles over grey dials.

A new form of agility: It's in the application of this power where the Audi S5 delivers on the promise made so emphatically by its dynamic design. While Audi's quattro® permanent all-wheel drive with variable torque distribution delivers outstanding driving dynamics and excellent road stability.

[^]Prices quoted are Manufacturers List Price (MLP) excluding delivery charges which may vary from dealer to dealer and statutory charges which vary from state to state. Where the MLP is below the Luxury Car Tax (LCT) threshold that price excludes LCT. Where the MLP shown, plus the dealer delivery charge, is above the LCT threshold that price is inclusive of LCT at the rate of 33%. The LCT threshold is \$57,180 for all vehicles except those with a combined fuel consumption value of 7.0 litres per 100 km# or less which have an LCT threshold of \$75,000. LCT is payable on all luxury vehicles with a total purchase price, including the price of factory and dealer fitted optional extras and dealer delivery charges, above the LCT threshold.

^{^1}Prices on this list are the manufacturer's recommended drive-away prices for NSW, based on the relevant statutory charges, CTP insurance (averaged out between three insurers and based on a 45 year old male driver in a metropolitan area), and the average dealer delivery prices of all Audi dealers within NSW. Registration fees are in accordance with the individual state legislation, fitted with a premium licence plate (where applicable) and based on private ownership. This is a manufacturer's publication, and new vehicles must be purchased from authorised Audi dealers. Prices may vary from dealer to dealer. All individual model prices are based on a standard vehicle with no optional equipment.

*Individual Manufacturer's List Prices (MLP) of the factory fitted options quoted on this specification sheet separately include LCT. If the total price for the displayed vehicle (excluding statutory charges) is below the LCT threshold then LCT is not applicable & the price of factory fitted options will need to be recalculated excluding LCT. Please enquire at your authorised Audi dealer for further details. This is a manufacturer's specification sheet and new vehicles must be purchased from authorised Audi dealers. Specifications are as planned from January 2010 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in anyway as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and prices. For individual prices please contact your local authorised Audi dealer.

*Fuel consumption figures according to Australian Design Rule (ADR) 81/01. The driving style, road and traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.

**Audi music interface connector cable must be purchased separately through Audi Genuine Accessories.

***Phone cradle must be purchased separately. Please check with your Audi dealer for phone cradle availability and approved Bluetooth telephones that have been tested by Audi for compatibility and functionality.
