Dream beyond with Modulo

Inspired by Honda's famous sporting heritage, the Modulo Sports Pack adds even more punch to the energetic and stylish City.

Reflecting the passion, skill and innovation that Honda is renowned for, the Modulo Sports Pack combines outstanding design and the highest quality materials with efficiency, function and performance.

The Modulo Sports Pack is produced to the exacting engineering standards that apply to Honda vehicles and is designed in concert with the vehicle design, ensuring each model retains its integrity.

Proven through stringent testing, the Modulo Sports Pack for the City delivers extended aerodynamic lines and a sporty, aggressive design.

The Modulo Concept

Design

Honda designers combine vehicle expertise with design sensitivity to create a range of individual, stylish and functional accessories.

Function

Honda engineers create products that enhance the high quality finish, outstanding efficiency and superior function of Honda vehicles.

Quality

Honda engineers use stringent road testing to ensure all-road quality and refinement.

Honda Custom Performance

Aero dynamics

The Modulo Sports Pack delivers the best of all worlds - an amazing driving experience, extended aerodynamic lines and a sporty, aggressive design. There are few statements more personal than the car you drive. We recognise that, which is why there's really no such thing as an off-the-shelf City. Honda Genuine Under Spoilers and Side Skirts create a dynamic profile while the imposing Rear Boot Spoiler and Sports Grille accentuate the sleek contours of the City. Create a personal and powerful impression. Customise your Honda and make it the car of your dreams. Enjoy the art that is Modulo.
