Introducing the Jazz Limited Edition. It has all the great qualities you'll find in a Jazz, as well as a new sportier grille, alloy wheels, fog lights, Bluetooth® phone system*, deluxe tailored floor mats and, of course, an exclusive Limited Edition badge.

This impressive list of features is only available on the GLi and VTi models. With the GLi, you get a zippy 1.3 litre i-VTEC engine which produces 73kW of power and uses only 5.8 litres* of fuel per 100km.

But if you truly want to spoil yourself, upgrade to a VTi where you'll find an impressive 1.5 litre i-VTEC engine offering 88kW and just 6.4 litres* per 100km. Both models come with a 5-speed automatic or a 5-speed manual transmission. What does all this mean to you? Well, just jump in and take a ride. The Jazz is smooth and unbelievably agile so you'll find parking a breeze and every tight turn an absolute joy.
