

MEGANE RENAULT SPORT 250

RENAULT *SPORT*

DRIVE THE CHANGE

NEW MEGANE RENAULT SPORT 250 WHEN PASSION MEETS PERFORMANCE

Powered by a new-generation two-litre 16-valve turbocharged petrol engine, the New Mégane Renault Sport 250 boasts maximum power of 184kW at 5,500rpm and peak torque of 340Nm from 3,000rpm. In addition it benefits from the special high performance 'Cup' chassis. The 'Cup' chassis combines engine power and driving comfort with a limited slip differential to deliver outstanding driving performance.

It also features stiffer springs, dampers and anti-roll bar, bold red Brembo® brake calipers, 235/40 Michelin Pilot Sport tyres and attractive 18" alloy wheels in satin black for the Cup and 235/35 tyres with impressive 19" alloy wheels for the Cup Trophée.

Both the Cup and the Cup Trophée boast two specific features aimed at heightening the enjoyment delivered by the vehicle's performance. Renault Sport Dynamic Management enables one of three modes for the ESP to be selected: 'On' (the default mode), 'Sport' (for less intrusive ESP action) and 'Off' (complete disengagement).

Then, the Renault Sport Monitor Display.

This technology takes its inspiration from the world of motor sport, with a central dashboard display that provides information about, among other things, real-time engine performance, gearchange warning, and 0-60 acceleration. It's the perfect formula – and it adds up to even more enjoyment for your money.

NEW MEGANE RENAULT SPORT 250 CUP

The New Mégane Renault Sport 250 Cup is not just an engineering masterpiece, it's also beautifully designed. The styling is sleek and purposeful, the interior is uncompromisingly sporty, yet comfortable. From the snarl of the exhaust outlet to the 18" alloy wheels and alloy pedals, perfectly positioned for high performance heel and toe throttle control, this is a driver's car through and through.

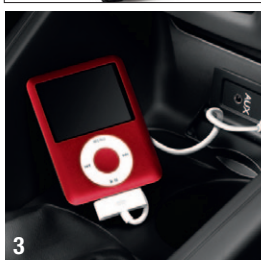

1. CUP INTERIOR
2. R.S. MONITOR DISPLAY
3. TWO-TONE R.S. LEATHER SEATS
4. LEATHER GEAR KNOB WITH YELLOW STITCHING
5. DRILLED ALUMINIUM PEDALS
