

## The Audi A4

## The Audi A4.

With its innovative technologies and pioneering design, the Audi A4 will completely redefine your driving experience.

Beginning with the exterior, its ultra-modern lights, sporting profile and sweeping lines give the car a distinctive silhouette. The longer wheelbase increases stability, while air flows more dynamically around the lower, wider body.

Under the bonnet, a choice of four petrol engines feature FSI® direct injection – a unique Audi technology originally developed for the Le Mans 24-hour endurance race. And like their petrol counterparts, four TDI diesel engines are designed for power and performance, with low fuel consumption and CO<sup>2</sup> emissions.

For the driver, the optional Audi Drive Select system adapts the vehicle's character at the touch of a button, effortlessly transforming your A4 from a sports car to an executive saloon. It can even be individually tuned, ensuring a ride that's perfectly customised to your needs.

Optional climate controlled seats add greater comfort, while quattro permanent four-wheel-drive, Audi Side Assist and Audi Lane Assist are also available, ensuring a safer, more satisfying journey. In short, the Audi A4 incorporates the ideal combination of cutting-edge design and advanced technologies, delivering one of the most balanced, rewarding driving experiences ever.

• = Standard equipment    \* = Optional equipment, Manufacturer's List Price shown    – = Not available    NCO = No cost option

\*Individual Manufacturer's List Prices (MLP) of the factory fitted options quoted on this specification sheet separately include LCT. If the total price for the vehicle (excluding statutory charges) is below the LCT threshold then LCT is not applicable & the price of factory fitted options will need to be recalculated excluding LCT. Please enquire at your authorised Audi dealer for further details. This is a manufacturer's specification sheet and new vehicles must be purchased from authorised Audi dealers. Specifications are as planned from October 2011 for the model year 2012 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in anyway as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and prices. For individual prices please contact your local authorised Audi dealer.

1. Fuel consumption figures according to Australian Design Rules (AD) 81/02. The driving style, road and traffic conditions, environmental influences and vehicles condition can in practice lead to consumption figures which may differ from those calculated with these standards.

2. It is not possible to install a phone cradle adapter as this is a Bluetooth connection only. Please check with your Audi dealer approved Bluetooth telephones that have been tested by Audi for compatibility.

3. Audi music interface connector cable must be purchased separately through Audi Genuine Accessories.

Overseas models are shown. An A4 3.2 quattro sedan is pictured with optional sports front seats and metallic paint.
