

The new Audi A6

Driving innovation.

The next generation Audi A6.

The new Audi A6 is the sporty business sedan. The defined styling and taut modelled surfaces of its exterior create its sporty, muscular appearance. Its demeanour conveys status and presence even at a mere glance.

Featuring a revolutionary lightweight body constructed using hybrid aluminium; the new A6 offers significant weight saving when compared with conventional steel construction. The result is increased driving pleasure, more comfort and improved efficiency.

The new Audi A6 features pioneering engine technology. With an attractive model range Audi showcases the powerful V6 engines through to the new efficient 4-cylinder engines.

The new 2.0 TFSI and 2.0 TDI offers increased power, heightened sophistication and remarkable efficiency. The multitronic transmission allows the engine to run at its most economical at all times – a great advantage in terms of efficiency.

The V6 engines all featuring direct fuel injection; the 3.0-litre engines are available with TDI common rail diesel technology or the sporty TFSI which features direct petrol injection with supercharging. The 2.8 FSI engine combines FSI technology with the innovative Audi valvelift system which delivers more torque and less fuel consumption. The V6 engines are combined with the sporty and efficient 7-speed s tronic transmission and feature Audi's legendary quattro® all-wheel drive which offers a high level of active safety whilst delivering a unique and exclusive level of driving pleasure.

The new Audi A6 offers a spacious interior; ensuring driver and passengers all benefit from the Audi A6 ample interior dimensions and the high-level of interior craftsmanship.

The new Audi A6 is a progressive new executive model. It is the marque of an individual who in their life – and in their Audi – is driving innovation.

• = Standard equipment * = Optional equipment, Manufacturer's List Price shown - = Not available NCO = No Cost Option

* Individual Manufacturer's List Prices (MLP) of the factory fitted options quoted on this specification sheet separately include LCT. If the total price for the displayed vehicle (excluding statutory charges) is below the LCT threshold then LCT is not applicable and the price of factory fitted options will need to be recalculated excluding LCT. Please enquire at your authorised Audi dealer for further details. This is a manufacturer's specification sheet and new vehicles must be purchased from authorised Audi dealers. Specifications are as planned from September 2011 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in anyway as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and prices. For individual prices please contact your local authorised Audi dealer.

1. Fuel consumption figures according to Australian Design Rules (AD) 81/02. The driving style, road and traffic conditions, environmental influences and vehicles condition can in practice lead to consumption figures which may differ from those calculated with these standards.

2. Option is standard for the A6 2.8 FSI / 3.0 TFSI/TDI.

3. Audi music interface (AMI) connector cables must be purchased separately through Audi Genuine Accessories.

4. Bluetooth connectivity only, phone cradle is not possible. Please check with your Audi dealer for approved Bluetooth telephones that have been tested by Audi for compatibility and functionality.

5. Please note, 3D imagery of key city models, sightseeing information and topographical map displays, which are described in the model brochure, are not available for Australian vehicles.

The vehicle pictured is an overseas A6 3.0 TFSI quattro S tronic with the additional options of LED headlights with main beam assist, S line sport package with 20" Audi exclusive 5-arm rotor design, titanium look machine polished alloy wheels, exterior colour of S line paint Daytona Grey. The interior image features and overseas A6 3.0 TFSI featuring the additional option of Velvet Beige Valcona leather upholstery, heated front seats and Audi park assist with forced four spoke multifunction steering wheel with paddles (option of Audi park assist is not available for Australia).
