

Genuine Hyundai Accessories

While the ix35 offers a comprehensive range of quality inclusions, you can further enhance your driving pleasure and ownership pride by choosing from a wide range of Genuine Hyundai Accessories that reflect your personality and add extra ease and enjoyment to your lifestyle pursuits.

Importantly, Genuine Hyundai Accessories are an astute way to help keep your new ix35 in original showroom condition and further enhance its already high levels of built-in occupant safety.

All Genuine Hyundai Accessories are covered by Hyundai's 5 Year/Unlimited Kilometre Accessories Warranty† – an Australian first. Please refer to www.hyundai.com.au/ix35 for full details.

All Genuine Hyundai Accessories are covered by Hyundai's Australian First 5 Year/Unlimited Kilometre Accessories Warranty†.

† All Accessories are subject to warranty conditions. Warranty only applies to purchases from 1 September 2008. See your nearest Hyundai Dealer or visit our website at hyundai.com.au for full warranty terms and usage recommendations. Some Genuine Hyundai Accessories are not applicable to all Hyundai models. All Genuine Hyundai Accessories purchased and fitted to a Hyundai vehicle by a Hyundai dealer or authorised service outlet are covered against manufacturing faults and defects of the product for a period of 5 years from the date of purchase with no kilometre usage limit. Receipts are required to support warranty claims. This warranty does not cover minor cosmetic defects or damage or defects caused by improper maintenance or repair, fair wear and tear, accident, misuse, abuse, or unauthorised modifications. Hyundai Motor Company Australia will without charge replace or repair any defective Genuine Hyundai Accessory if work is completed by an authorised Hyundai Dealer. Any Genuine Hyundai Accessory/ies not fitted by a Hyundai dealer or authorised service outlet, will only have the benefit of a 12 month/20,000km warranty period, whichever occurs first. All warranties are additional to the implied warranties under the Trade Practices Act 1974.

*Finishes specified as leather may contain elements of genuine leather, polyurethane leather (leather substitute) or man-made materials, or a combination thereof.

1. Maximum ball down load= 120Kg (2WD) 140Kg (AWD). Towing Capacity = 1600Kg (braked) & 750Kg (unbraked). Towbar capacity subject to regulatory requirements, Towbar design, vehicle design and towing equipment limitations.

2. Load capacity = 75kg evenly distributed over 2 bars

3. Park Assist Sensors are designed as driver assist function only and should not be used as a substitute for skilled driving and safe parking practices. While the Park Assist sensors monitor objects on approach, there may be occasions where blind spots affect the sensitivity of the sensors and as a result the area into which the vehicle is heading must be visually monitored by the driver at all times while parking.
