

The Audi Q3

The Audi Q3.

The urban SUV.

The new Audi Q3 combines the strengths of an SUV with the progressive design of a coupé. The new Audi Q3 offers a winning combination of SUV-practicality with high ground clearance, rugged appearance and distinctive wheel arches, and the availability of quattro® all wheel drive ensures the new Audi Q3 reaches its destination over all terrains.

The Audi Q3 is characterised by its athletic silhouette. The signature Audi single-frame grille, combined with strong shoulder lines and flared wheel arches, defines its SUV appearance. The wrap-around tailgate makes loading and unloading equipment into the generous luggage compartment more convenient. With a spacious interior, the new Audi Q3 sets the benchmark for ergonomic comfort, clear and practical design and high-quality materials. The advanced infotainment systems and driver-assist technologies are derived from the luxury class.

Offering a high level of customisation, the Audi Q3 can reflect your individual personality, from a sophisticated urban vehicle opting for one of the S line sports packages through to the more adventurous Offroad package.

Driving dynamism is in the genes of the new Audi Q3. With a choice of highly efficient TDI® and TFSI® engines and efficiency measures across the Audi Q3 range like start-stop system and energy recuperation that will actively save you fuel and reduce CO₂ emissions during every journey.

The new Audi Q3 provides an intelligent answer to the driver's needs of urban living. As a premium SUV – and as an Audi – it offers uncompromising dynamism, performance, safety and luxury.

*Individual Manufacturer's List Prices (MLP) of the factory fitted options quoted on this specification sheet separately exclude LCT. If the total price for the vehicle (excluding statutory charges) exceeds the LCT threshold then total price will need to be recalculated including LCT. This is a manufacturer's specification sheet and new vehicles must be purchased from authorised Audi dealers. Specifications are as planned from February 2012, model year 2012, and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in any way as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and price. For individual prices please contact your local authorised Audi dealer.

1. Fuel consumption figures according to Australian Design Rule (ADR) 81/02. The driving style, road and traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.

2. The Comfort package and S line sport package cannot be combined.

3. The S line exterior package, the S line sports package and the Offroad package cannot be combined.

4. Certain sections of the leatherette seat upholstery contain man-made material.

5. It is not possible to install a phone cradle adapter as this is a Bluetooth connection only. Please check with your Audi dealer approved Bluetooth telephones that have been tested by Audi for compatibility.

Model shown is an overseas model Audi Q3 2.0 TFSI S tronic with optional Xenon Plus headlights, open sky roof system, MMI navigation system, Audi drive select, sports seats in Fine Nappa leather upholstery, inlays in 3D aluminium mesh and 18" 5-spoke design alloy wheels.
