

The Audi S5

The Audi S5.

Driving redesigned.

The timeless appeal of the sports car has been captured and progressed like never before with the new Audi S5 range. A family of three sports vehicles, each model answers the unique needs of its driver while providing a definitive sports experience.

Whether you find yourself drawn to the open-top Cabriolet, the sporty yet practical Sportback or the classic coupé, the Audi S5 range has been designed to make the most of every journey – wherever the road may take you. All three exteriors are characterised by long flowing lines running from front to back, evoking a strong sense of forward momentum. The interior, designed with the finest leather upholstery, is flawlessly complimented by matt brushed aluminium or carbon inlays. And with the latest

technological inclusions such as Attention Assist, electromechanical power steering and Bluetooth audio streaming, the new S5 is at the forefront of modern sports motoring.

All models in the S5 range feature a powerful 245kW 3.0-litre V6 TFSI engine combined with an athletic, 7-speed S tronic dual-clutch transmission for outstanding acceleration and fuel efficiency. With our legendary quattro® permanent all-wheel drive across all models, the S5 range will entice you to tackle corners like never before.

A new benchmark for dynamic sportiness has been set – in the new Audi S5 range.

● = Standard equipment

* = Optional equipment, Manufacturer's List Price shown

- = Not available

NCO = No Cost Option

* Individual Manufacturer's List Prices (MLP) of the factory fitted options quoted on this specification sheet separately include LCT. If the total price for the vehicle (excluding statutory charges) is below the LCT threshold then LCT is not applicable & the price of factory fitted options will need to be recalculated excluding LCT. Please enquire at your authorised Audi dealer for further details. This is a manufacturer's specification sheet and new vehicles must be purchased from authorised Audi dealers. Specifications are as planned from November 2012 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in anyway as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and prices. For individual prices please contact your local Audi dealer.

1. Fuel consumption figures according to Australian Design Rule (ADR) 81/02. The driving style, road and traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.

2. Audi music interface connector cable must be purchased separately through Audi Genuine Accessories.

3. MMI Navigation functional features may differ or not be available for the Australian market, sight-seeing information, city modes in 3D, points of interest, TMC, voice control destination entry as whole words or in one sentence and Audi connect services are not available for Australian vehicles. Please refer to your Audi dealer for up-to-date information.

Audi S5 models are pictured with optional 19" alloy wheels, Bang & Olufsen Sound System, Audi drive select, memory package, heated front seats, adaptive cruise control, Audi side assist and S Sports seats (S5 Sportback and S5 Cabrio).

Overseas models are shown.
