ENJOYMENT. IT'S THE FIRST DESTINATION

Some cars are all about getting from A to B, but in a Mazda6 it's all about the excitement in between.

Take a corner in a Mazda6 and you'll be keen to get to the next one. And the one after that. Its quick reflexes and agility mean you'll revel in every move, and the strong sense of stability means you can do it all with absolute confidence.

Electric power assist steering ensures you feel connected to the road. Squeeze the brake pedal and the four large discs bite with strength.

Want to feel how spirited Mazda6 can really be? Flex your right foot. Its 125kW, 2.5 litre four-cylinder petrol engine responds with instant punch, thanks to an electronic throttle

and Sequential Valve Timing. A Variable Intake System pumps up the torque curve further while using surprisingly little fuel.

There's also serious enjoyment to be had with Mazda6 Diesel, with the 2.2 litre four-cylinder engine producing effortless power. A quick-spinning Variable Geometry Turbocharger delivers meaty low-end torque without delay while keeping fuel use to a mere 5.9 litres per 100 km! And when it comes to emissions, a particulate filter helps you meet strict Euro Stage IV environmental standards.

[WATCH THE ACTIVEMATIC ANIMATION >](#)

Sporting spirit. 2.5 litre four-cylinder petrol engine produces a punchy 125kW and 226Nm of torque.

Get up and go. Smooth 132kW and 400Nm of torque from turbo diesel using high pressure common-rail direct injection.

In control. Fully independent suspension delivers responsive, secure handling. Electric steering system enhances control.

Quick shifting. Manual snicks between 6 sporty ratios.

Engaging auto. 5-speed Activematic allows manual or automatic shifting. In auto mode Active Adaptive Shift intuitively selects the right gear for the conditions and your driving style.

A JOURNEY WITH ALL THE EXTRAS

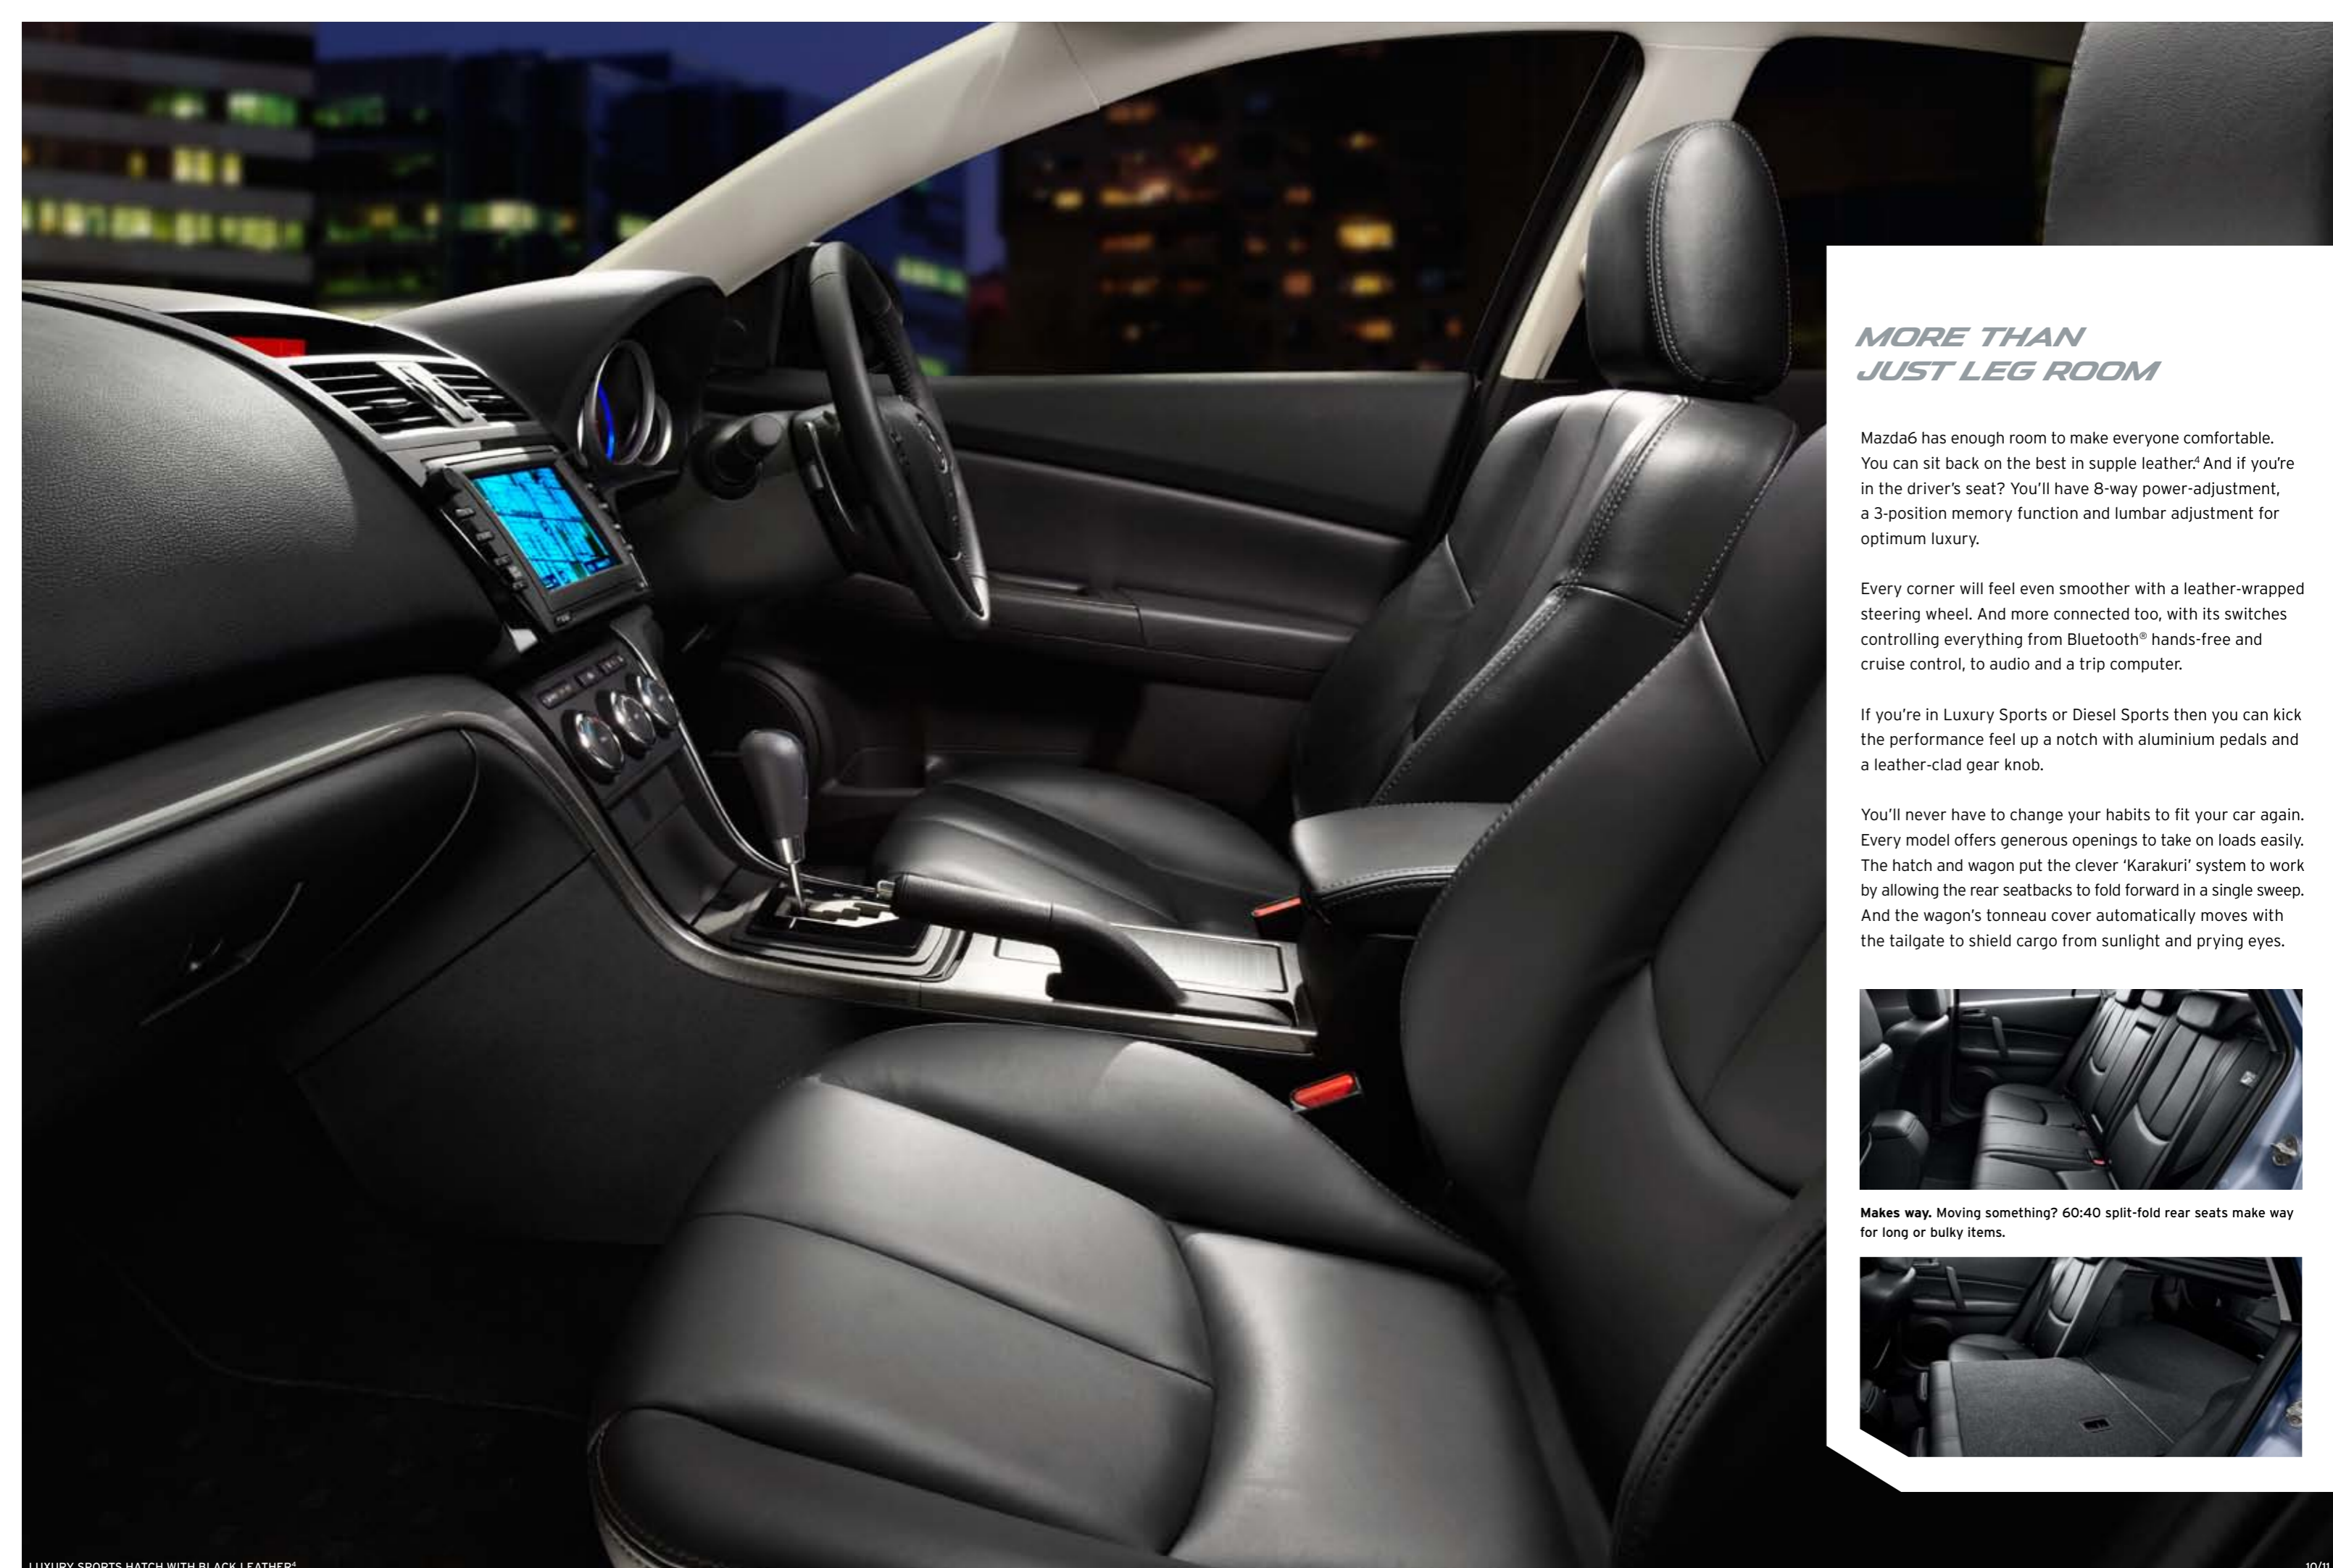

There are many things that go into making the perfect journey. It's the sound of a favourite tune from your CD or Bluetooth® connected MP3 player heard through 6 high-quality speakers. Or performed by superb Bose® audio comprising 8 speakers and 240 watts in Luxury Sports and Diesel Sports.

It's the convenience of speaking to a loved one via Bluetooth® hands-free. The comfort of knowing there'll be no arguments about temperature with dual-zone climate control air-conditioning.

As if there weren't enough features, Mazda6 also has a good dose of intuition with auto on/off headlamps and rain-sensing wipers. Plus power windows and cruise control.

And if you're after a little extra, Luxury Sports and Diesel Sports give you satellite navigation via a large easy-to-read LCD screen so you'll never get lost. There's not much else you'll ever need to make your journey complete.

MP3 WMA Bluetooth® BOSE®

MORE THAN JUST LEG ROOM

Mazda6 has enough room to make everyone comfortable. You can sit back on the best in supple leather.⁴ And if you're in the driver's seat? You'll have 8-way power-adjustment, a 3-position memory function and lumbar adjustment for optimum luxury.

Every corner will feel even smoother with a leather-wrapped steering wheel. And more connected too, with its switches controlling everything from Bluetooth® hands-free and cruise control, to audio and a trip computer.

If you're in Luxury Sports or Diesel Sports then you can kick the performance feel up a notch with aluminium pedals and a leather-clad gear knob.

You'll never have to change your habits to fit your car again. Every model offers generous openings to take on loads easily. The hatch and wagon put the clever 'Karakuri' system to work by allowing the rear seatbacks to fold forward in a single sweep. And the wagon's tonneau cover automatically moves with the tailgate to shield cargo from sunlight and prying eyes.

Makes way. Moving something? 60:40 split-fold rear seats make way for long or bulky items.

Smart space. Open the wagon's tailgate and you've got 519 litres of space. Cleverly incorporated 'Karakuri' tonneau cover saves effort by moving as one with tailgate.

Sports mode. Stylish standard instrument cluster combines amber-red illumination with easy-to-read gauges to help set the mood.

Sharp instruments. Blackout effect meters sparkle to life on ignition in Luxury Sports and Diesel Sports. Red backlighting helps make information sharp and clear.

Fully enabled. Bluetooth® allows hands-free phone use on the move and MP3 player connectivity.

Load cargo conveniently. Both sedan and hatch offer generous load space with easy accessibility.

A place for everything. Maps, water, whatever - Mazda6 keeps it all organised and in reach.

Sounding great. Standard MP3/WMA compatible 6-disc CD player with 6 speakers really performs. 240 watt Bose® audio and 8 speakers feature in Luxury Sports and Diesel Sports.

YOU'RE BACKED UP ALL THE WAY

You could say safety is fundamental to Mazda6. Its extremely rigid occupant cell is backed up by the Mazda Advanced Impact Distribution and Absorption System (MAIDAS), which absorbs and redirects impact energy away from it. Every model has six SRS airbags, comprising front, side and curtain airbags. Front seat-belts have pretensioners and load-limiters.

No matter what the conditions, standard Dynamic Stability Control (DSC) with Traction Control System (TCS) adds confidence. There's also ABS backing up the powerful brakes, plus Electronic Brake-force Distribution (EBD) that optimises braking force according to vehicle

load. On top of this Emergency Brake Assist (EBA) recognises emergency braking and boosts stopping power just when it's needed. Collapsible brake and clutch pedals help minimise driver leg injuries.

And it's good to know all is secure. Remote control central locking, a 'double lock' door deadlock system and an engine immobiliser are included.

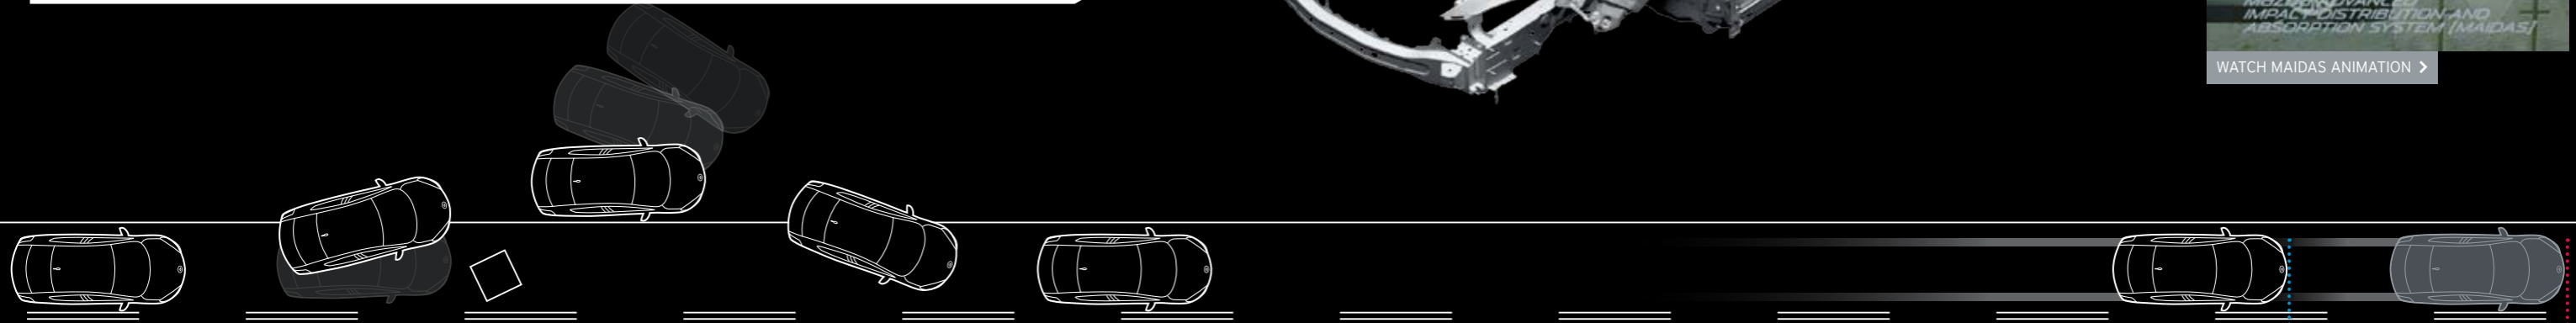

Safe on all levels. Extremely strong body shell integrates MAIDAS. 'Triple H' construction with front and rear crumple zones redirects impact energy away from the occupant cell. Six SRS airbags give occupants the highest level of protection.

WATCH AIRBAGS & SEATBELTS ANIMATION >

WATCH MAIDAS ANIMATION >

Prepared for the unexpected. So what if you're faced with an unanticipated hazard on the road and have to react suddenly? DSC acts instantly, braking the inner rear wheel to counter understeer (or outer front wheel to counter oversteer). At the same time, the TCS reduces torque to the driven wheels to minimise slip. As a result, control is maintained and the vehicle can be safely steered around the obstacle.

Secure stopping.
Stopping distance with EBA, ABS and EBD.

Stopping distance with no assistance.

Keeping watch. Luxury Sports and Diesel Sports boast an Adaptive Front-lighting System. On low beam the Bi-Xenon headlamps swivel to illuminate more of the corner you're turning into.

Helping hand. Manual models feature Hill Launch Assist. Take your foot off the brake pedal on an incline and it keeps the brakes applied as you move to the throttle. When there's enough power for a smooth start, the brakes are released.

TOURING

Touring gives you elegant design and a luxuriously inviting interior. Add the smooth strength of a 2.5 litre S-VT engine plus sports handling, and it excites in every way.

- 2.5 litre in-line 4 cylinder 16 valve DOHC S-VT
- 125 kW @ 6,000 rpm (max. power)
- 226 Nm @ 4,000 rpm (max. torque)
- 6-speed manual (sedan and hatch) or 5-speed Activematic (sedan, hatch and wagon)
- 17 inch alloy wheels
- Aero bumpers (front and rear)
- Rear spoiler (wagon)
- Headlamps (Halogen)
- Fog-lamps (front)
- Air-conditioning (dual-zone climate control)
- Bluetooth® (hands-free compatible)
- Cargo area tonneau cover with 'Karakuri' up and down function (wagon)
- Cruise control
- Headlamps auto on/off function
- Leather-wrapped steering wheel
- Power windows and mirrors
- Tilt and telescopic adjustable steering wheel
- Seat trim: leather⁴
- Seats (front) with: 3-position memory function (driver), 4-way power adjustment (passenger), 8-way power adjustment (driver) and lumbar adjustment (driver)
- Trip computer
- Wipers (front) 2-speed with rain-sensing function
- AM/FM tuner with CD player, in-dash 6-disc (MP3/WMA compatible) and 6 speakers
- Auxiliary input (3.5 mm MP3 player compatible)
- Bluetooth® audio (MP3 player compatible)
- Steering wheel-mounted audio controls
- Active head restraints (front)
- Airbags SRS: front, side and curtain
- Anti-lock Braking System (ABS)
- Dynamic Stability Control (DSC)
- Electronic Brake-force Distribution (EBD)
- Emergency Brake Assist (EBA)
- Parking sensors (front and rear)
- Traction Control System (TCS)

Sedan

Hatch

Wagon

Press to talk. Bluetooth® connectivity allows easy and safe hands-free phone calls.

Feels fantastic. Supportive sports seats trimmed in rich, luxurious leather.⁴

Extra sense. Front and rear parking sensors aid you with audible warnings.

Open to enjoyment. Power-sliding glass sunroof gives you the thrill of fresh air and sunlight.

Concert quality. Bose® 240 watt digital amplifier performs through 8 speakers.

Nice find. Satellite navigation is clearly displayed on a easy-to-read 7 inch screen.

LUXURY SPORTS

Luxury Sports has everything it takes to get your blood flowing faster. Standing low on arresting 18 inch alloys, it packs features that make the drive even more rewarding.

Luxury Sports features additional to Touring include:

- 18 inch alloy wheels
- Headlamps (Bi-Xenon) with Adaptive Front-lighting System (AFS)
- Power-sliding glass sunroof
- Sports grille
- Rear spoiler
- Aluminium pedals and footrest
- Blackout instrument cluster
- Leather-wrapped gear shift knob
- Paddle shift gear control (Activematic only)
- Rear-view mirror with auto dimming function
- Satellite navigation
- Premium Bose® 240 watt amplifier and 8 speakers

Hatch

DIESEL

A highly advanced turbo diesel engine delivers muscular performance with great fuel economy. Of course, you also get refined design and generous features.

Diesel features additional to Touring include:

- 2.2 litre in-line 4 cylinder 16 valve DOHC intercooled turbo diesel
- 132 kW @ 3,500 rpm (max. power)
- 400 Nm @ 1,800 - 3,000 rpm (max. torque)
- 6-speed manual only

Wagon

DIESEL WAGON IN CLEAR WATER BLUE METALLIC

DIESEL SPORTS

Athletic looks are backed up by enviable luxury. The economical, low emission punch of a cutting-edge turbo diesel promises many great drives.

Diesel Sports features additional to Diesel include:

- 18 inch alloy wheels
- Headlamps (Bi-Xenon) with Adaptive Front-lighting System (AFS)
- Sports grille
- Aluminium pedals and footrest
- Blackout instrument cluster
- Leather-wrapped gear shift knob
- Rear-view mirror with auto dimming function
- Satellite navigation
- Premium Bose® 240 watt amplifier and 8 speakers

'KARAKURI' ELEGANCE AND EFFICIENCY IN FUNCTION

The Japanese have a deep passion for design. They believe something must not only perform, but perform with grace. The word 'Karakuri' describes this ideal. It's about achieving maximum function from the minimum application of force. You can see this in the traditional Karakuri doll. A simple mechanism allows it to walk, given momentum only by the weight of a cup of tea placed in its hands. At Mazda we strive for the same pleasing functionality. This may be in the way seats fold flat with one fluid move, or how extra storage is found where you don't expect it. It's an approach that makes your Mazda even more rewarding to own.

Rest assured - your warranty

Mazda6 is backed up by a 3-year, unlimited kilometre factory warranty and 6-year panel protection warranty.

diagnostic systems. As well as maintaining your Mazda in A1 condition, you'll also be protecting your vehicle's outstanding resale value.

Help is at hand - Mazda Roadside Assistance

Flat batteries, running out of fuel and flat tyres are the kind of hiccups everyone faces from time to time. When the unexpected happens, Mazda Roadside Assistance is there to keep you moving. You'll be covered

24 hours a day, 365 days a year, anywhere in Australia. Better still, your Mazda will be worked on only by Mazda-approved technicians. Choose a Standard policy offering everything required to get you going again, or the Premium policy with extra benefits like accommodation, a rental car and vehicle recovery. Either policy can be purchased across the entire Mazda range.

Accessories add enjoyment

Mazda6 spoils you with style and luxury. And Mazda Genuine Accessories make owning and driving one even more special. They let you personalise your vehicle and protect your investment. They also give you superb design, quality, fit and safety, all with the reassurance of a Mazda warranty. Mazda Genuine Accessories let you add even more Zoom-Zoom.

¹ Fuel consumption figures are based on ADR81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic and road conditions and how the vehicle is driven. ² Measured with rear seats folded down and up to roof. ³ Subject to State or Territory regulations. ⁴ Leather interior includes Maztex material on selected high impact surfaces.

Mazda6 ACCESSORIES

MAKE YOUR Mazda EVEN MORE REWARDING

Mazda6 gives you driving excitement and refinement. And Mazda Genuine Accessories can make the journey more special than ever. They let you add a personal touch and protect your investment. They also give you superb design, quality, fit and safety, all with the reassurance of a Mazda warranty. Mazda Genuine Accessories let you add even more Zoom-Zoom.

Bike rack (wheel off)
Carrying your bike becomes a simple exercise.

Kayak holder
This strong and adjustable design lets you carry one canoe, kayak or similar-sized watercraft.

Bike rack (wheel on)
Bring your other wheels along without having to remove one.

Ski/snowboard carrier
The convenient, secure way to carry snow gear.

Roof racks (wagon)
Aerodynamic design that lets you carry even more. 75kg capacity.

Mud flaps (front set)
Keep bodywork free of mud and grime.

Mud flaps (rear set)
Stop mud and road grime collecting on the rear end of your car.

Roof racks (sedan and hatch)
Aerodynamically shaped to reduce drag.
Load capacity of up to 75kg.

Rear wing spoiler
Turns heads and enhances aerodynamic performance.
(Touring hatch only.)

Slimline weathershields (set of 4 with chrome trim)
Let fresh air in while keeping the weather out.

zoom-zoom
zoom-zoom

Bonnet protector
Prevents costly damage from stones and other debris.

Front sports grille
Give your Mazda6 an even more dynamic look.
(Touring and Diesel models only.)

Cargo tray
Sturdy with raised sides, this tray provides maximum waterproofing and non-slip grip.

Headlight protectors
Safeguard headlamp lenses against damage.

Boot lip protector
Protect your rear bumper and boot lip from scratches and scuffs during loading and unloading.

Floor mats
Treat your feet and protect your carpet with these fitted, 100% nylon floor mats.
