ALL THE BEST FROM SUBARU

It's time to cross over to a bold new future!

The all-new Subaru XV breaks the mould, blending exceptional SUV capability with exhilarating handling, innovative design and electrifying lines. Distilling all the best technologies, and the rich heritage that Subaru has to offer, it's an exciting fun machine designed for adventure - it's all the best from Subaru.

Available in three variants - Subaru XV 2.0i, Subaru XV 2.0i-L and Subaru XV 2.0i-S, arriving in Australia in January 2012, it's the small SUV that's going to be huge.

For more information visit subaru.com.au, or to book a test drive, ask your local Subaru Retailer.

THE REAL THING

You want the real thing, the genuine article, the unadulterated – and nothing fake. The new Subaru XV – there's nothing fake about it!

Touch the future with Subaru's new fuel-saving Automatic Stop Start technology and the high performance third generation 2.0-litre horizontally-opposed Boxer engine, which takes Subaru petrol engine efficiency to a new level and meets EURO5 emissions standards. Choose either Lineartronic™ Continuously Variable Transmission (CVT) with paddle shift or a smooth 6-speed manual transmission and go the extra mile of fun.

The Subaru XV makes a statement with eye-catching 17-inch alloy wheels which are matched by a dynamic body kit featuring striking front grille, hawk-eye headlights, bold bumper, roof spoiler, roof rails, side moldings and front fog lights – which all come as standard. The Subaru XV also boasts all the best of Subaru's legendary technologies, including Vehicle Dynamics Control, Boxer engine, Symmetrical All-Wheel Drive, plus 220mm ground clearance. All this adds up to serious SUV ability.

ALL 4 THE PERFORMANCE. THE SAFETY. THE RETAINED VALUE

Our DNA is what makes every Subaru a Subaru. It's our constant focus on Performance, Safety and protecting the Retained Value of your Subaru that makes Subaru distinct from any other car brand. Our DNA delivers you, the Driver, the confidence to exploit your Freedom everyday.

POISED PERFORMANCE

Subaru has long been highly regarded for its performance technologies. From the rally circuit to the highway, Subaru's engineering and driving characteristics are focused on delivering a driving experience unlike any other, handling all road and weather conditions with ease, control and comfort.

→ SYMMETRICAL ALL-WHEEL DRIVE

Delivers outstanding grip, balance and control in a variety of road conditions when combined with Subaru's horizontally-opposed Boxer engine technology and a symmetrical drivetrain.

→ HORIZONTALLY-OPPOSED BOXER ENGINE

Ensures smooth power delivery, with less vibration and its low centre of gravity gives optimum balance and control to you, the Driver.

SUPERIOR SAFETY

Impressive safety credentials have earned Subaru the maximum five-star ANCAP occupant safety rating, plus freedom from worry for you, thanks to Subaru's -

→ VEHICLE DYNAMICS CONTROL SYSTEM

→ RING-SHAPED PASSENGER SAFETY CELL

→ DUAL FRONT, DUAL FRONT SIDE, CURTAIN AND DRIVER'S KNEE AIRBAGS

→ ABS, EBD AND 4-WHEEL DISC BRAKES

RETAINED VALUE

3 YEAR UNLIMITED KM WARRANTY

Freedom comes from knowing that you've made a great investment. Every Subaru comes into the world as the best car it can be, and then we help you to keep it that way. We promise to protect your freedom by looking after the performance, safety and the retained value of your vehicle. With our dedicated Subaru Service Centres and microscopic **DataDotDNA** theft protection, your car is in good hands for many years to come.
