

CHALLENGER

love that car

Enjoy a comfortable drive no matter where you're heading.

XLS Interior Shown

Challenger is available in 2WD and 4WD models with all featuring the latest in common rail turbo diesel technology with enhanced Variable Geometry turbocharger (VGT), which work to optimise the turbine flow rate in order to achieve high torque at low speeds and maximise power at high speeds.

The 2.5 litre turbocharged diesel engine yields next generation quietness, smoothness and fuel efficiency, taking you further for less without compromise, while delivering an impressive 131kW of power and 400Nm of torque for the manual and 350Nm for the automatic.

The Challenger features refined and luxurious styling and incredible seating versatility - so comfortably seating a family of seven. You can choose between two row (five-passenger) or three row (seven-passenger) seating options, with the third row offering a 50/50 split fold function to increase seating and luggage configuration.

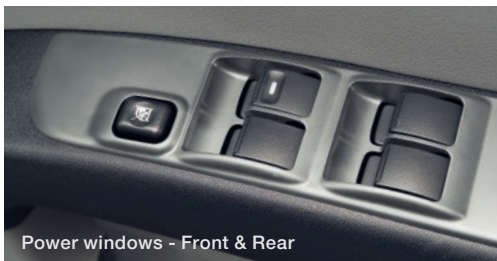

The stylish interior is distinguished by clean, sleek, unbroken surfaces. The soft touch upholstery, chrome interior accents and handles with elegant

woodprint inlays add an extra element of style to the XLS. Leather seat trim, leather bound steering wheel, gearshift and transfer lever are also included in XLS.

To help you stay focused on the road at all times, a sensor automatically activates your lights when it gets dark or when your travelling through a tunnel.

The same sensor also automatically detects moisture on the windscreen and will activate the wipers at the appropriate speed.

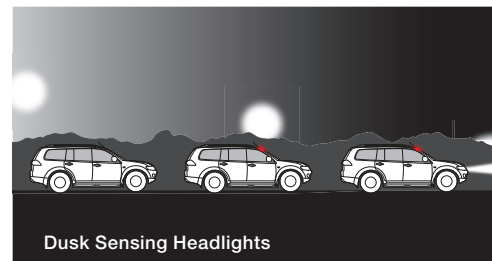

If you want a car you can rely on, feel confident and relaxed in, and be proud of when you sit behind the wheel then the versatile Mitsubishi Challenger is the right choice for you and your family.

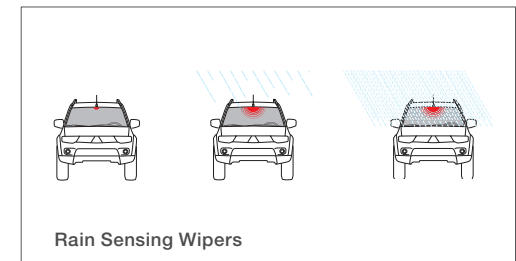

Power windows - Front & Rear

Cruise Control

Dusk Sensing Headlights

Rain Sensing Wipers

Challenger gives you the confidence of a high driving position that provides you a commanding view of the traffic conditions ahead. Large electric rear view side mirrors and a reversing camera's view that appears in the electrochromatic rear view mirror provide excellent visibility. In addition, rear-parking sensors provide complete confidence and reassurance when reversing.

To provide essential protection for your family in the event of a collision, Challenger comes standard with six airbags. The side airbags inflate from the side of the seat to protect the torso while curtain airbags activate from the roof to protect the head. The front seatbelt systems also include pretensioners and force limiters that combine to minimise the potential for serious injury in the event of a collision.

Challenger's technology makes every drive easier, more enjoyable and safe. Steering wheel mounted hands free Bluetooth® 2.0 mobile phone operation

means you can talk without pulling over. USB, AUX and iPod connectivity means you can listen to all your favourite music tracks. The multi-function centre display gives you an enormous amount of information about your Challenger and its driving environment.

Mitsubishi's exclusive power sound system features 8 speakers including 4 tweeters. This combined with a 420 watt amp delivers a crisp balanced sound.

RISE SAFETY

At the heart of any integrated safety system is outstanding design. The Mitsubishi Reinforced Impact Safety Evolution (RISE) design combines an energy absorbing front section with a strong, rigid occupant cell to provide outstanding family protection in the event of an accident. The RISE body is coupled with a rigid ladder frame, side impact bars, and collision absorbing joints.

Super Select 4WD II

Let's you alternate between 2WD and 4WD modes - the choice of around town fuel efficiency and off-road traction. You can change between modes at speeds of up to 100 kilometres per hour on any surface.

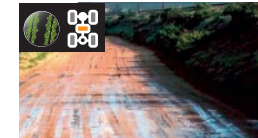

2H (2WD High Range)

Whether you're cruising down the highway or just going across town, 2H mode shifts you into rear-wheel drive for smooth, quiet, fuel-efficient performance.

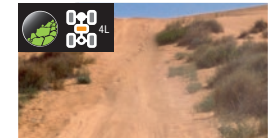

4H (Full-Time 4WD)

When the weather turns bad and the road gets rough, get added traction in 4H mode. The dynamic front/rear torque split adjusts between 33:67 and 50:50 for greater control in high-speed driving.

4HLC (4WD High Range with Locked Centre Differential)

Keeping you on track in rugged or slippery conditions, 4HLC distributes power equally to all four wheels to meet off-road challenges with a steady sense of control.

4LLC (4WD Low Range with Locked Centre Differential)

Switch to 4LLC when you need all the tractor-like crawling power your Mitsubishi 4WD is capable of. Maximised low-end torque pulls you through even the roughest terrain to get to that isolated spot that only a truly capable 4WD can take you.

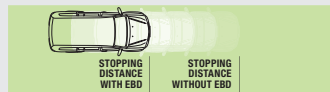

MULTI-MODE ABS

Multi-mode Anti-Lock Braking System

This allows you to manoeuvre around objects under heavy braking conditions. Challenger's intelligent 4-channel, 4-sensor braking system works in conjunction with the drive mode to monitor different wheel speeds and activate brakes to individual wheels when required to deliver superior control.

EBD

Electronic Brakeforce Distribution

This technology reduces stopping distances by detecting passengers or heavier loads and automatically increases rear-braking force.

ATC

Active Traction Control

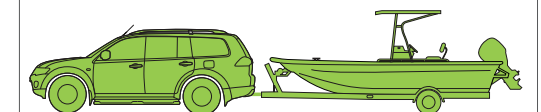

Helps you maintain traction on the most slippery or rugged of surfaces. This intelligent system automatically controls the engine output, so driving wheels are prevented from spinning. Sensing loss of traction in an independent wheel, it applies braking force to that wheel and sends extra power and torque to other wheels with traction to keep you moving.

ASC

Active Stability Control

Maintains stability and prevents loss of control when cornering, automatically recognising under-steer and over-steer and applying braking force to the diagonal wheel to keep you online through corners.

Challenger is equipped with a powerful 3,000kg towing capacity making towing a boat, caravan or trailer on your next family holiday a breeze.

CHALLENGER 2WD (Key Features)

Mechanical

2.5L High Power Common Rail Direct Injection Turbo diesel engine
5 speed manual transmission
5 speed Sports Mode automatic transmission with INVECS II and Smart Logic (optional)
Power steering
Front & rear recovery points

Exterior

16" alloy wheels
Steel spare wheel
Roof rails
Body coloured fender flares
Front and rear mudflaps
Front skid plates
Side steps

Interior

Leather bound steering wheel, gear shift knob and park brake
Inner scuff plates
Door trim cloth inserts
Carpet floor covering

Comfort

Air conditioning
Pollen filter
Tilt adjustable steering column
Side and rear window demisters
Driver's foot rest
Passenger assist grips (4)
Rear seat heater ducts

Convenience

Cruise control
Central locking with remote keyless entry
Power windows front and rear (driver auto up & down)
Power door mirrors
Variable intermittent windscreen wipers
Intermittent rear wiper and washer
Accessory power socket (2 - cargo & instrument panel)
Front map lamps
Cargo area lamp
Rear passenger reading lamp
Tailgate inside grip
Interior lamp with time delay
Ignition key cylinder illumination
Digital clock display
Driver sunvisor with ticket holder
Tachometer
Headlamps on warning buzzer
Instrument panel with variable dimming control
Low fuel warning lamp
Remote fuel filler release

Storage

Glovebox - illuminated and lockable
Floor console with upper and lower storage
Door pockets - front and rear
Cup holders (2)
Bottle holders in front and rear doors
Coat hooks (2)
Seat back pocket - passenger
Cargo tie down hooks - 4¹

Seating

Cloth seat trim
Front seats
- Bucket seats
- Slide and recline adjustment
- Driver height adjustment
- Height adjustable headrests
Second row seats
- 60:40 split folding function
- Recline and tumble fold up function adjustment
- Centre armrest with cupholders
- Height adjustable headrests (3)

Audio & Media

Anti theft AM/FM radio/CD/MP3 player - 4 speakers
Multi function display includes trip computer, outside temperature and average fuel consumption
USB and AUX input
Bluetooth® 2.0 phone connectivity and audio streaming with steering wheel controls

Safety

Driver and front passenger SRS airbags
Side and curtain SRS airbags
Multi-mode Anti-lock Braking System (ABS)
Electronic Brakeforce Distribution (EBD)
Active Stability Control (ASC)
Active Traction Control (ATC)
Reinforced Impact Safety Evolution (RISE) body
Side door impact beams
3 point Emergency Locking Retractor (ELR) seatbelts (all seating positions)
Auto Locking Retractor (ALR) seatbelts on outbound second row seats
Front seatbelt pretensioners & force limiters
Front seatbelt height adjustable shoulder anchorages
Emergency Brake Assist System
Smart Brake
Driver seatbelt warning lamp
Child proof rear door locks
Child restraint anchorage points (3)

Security

Anti-theft encrypted engine immobiliser
Diamond Advantage Roadside Assistance

Options - Enhancement pack

17" alloy wheels
Chrome park brake release switch
6 speakers
Privacy glass
Body coloured tailgate garnish
Body coloured mirror with turn indicator
Chrome radiator grille
Fog lamps
Climate control air conditioning
Automatic rain sensing wipers
Automatic dusk sensing headlamps
Reverse camera in mirror

CHALLENGER 4WD

(Features additional to 2WD)

Mechanical

Super Select 4WD
4WD indicator lamp
Auto free wheeling hubs
Centre differential with viscous coupling unit

LS 4WD (Features additional to Challenger 4WD)

Mechanical

Paddle shifts (automatic only)
Rear diff lock

Exterior

17" alloy wheels
Alloy spare wheel
Body coloured door mirrors with turn indicator
Body coloured door handles

Interior

Chrome inner door handles
Leather bound transfer lever

Comfort

Climate control air conditioning

Options

Third row seats¹ – Automatic models only

Increase seating capacity to 7
50:50 fold & tumble function
Rear manual control air conditioning
Rear cup holders (2)
Rear underfloor storage

XLS 4WD (Features additional to LS 4WD)

Exterior

Privacy glass
Chrome radiator grille
Chrome door mirrors with turn indicators
Chrome door handles
Side protection moulding
High Intensity Discharge (HID) headlamps
Headlamp washers
Fog lamps

Interior

Woodprint accent panel
Door trim leather look insert

Seating

Leather seat facings
Front seats
Power adjust driver seat
Power adjust passenger seat
Large floor console with lid

Convenience

Automatic rain sensing wipers
Automatic dusk sensing headlamps

Audio & Media

Mitsubishi Power Sound System (MPSS)
8 speakers (including 4 tweeters)

Safety

Reverse parking sensors

Security

Cargo blind (5 seat)

Options

Third row seats¹ – Automatic models only

Increase seating capacity to 7
50:50 fold & tumble function
Rear manual control air conditioning
Rear cup holders (2)
Rear underfloor storage

¹Cargo tie down hooks are not available when seven-seat option is selected on LS and XLS.
