

LANCER

love that car

For over 20 years, Lancer has been one of Australia's favourite small cars due to its stylish design, modern technology and legendary performance. With a wide range of models, including sedans and hatches, there's a Lancer to suit every individual need.

A spacious cabin setting makes the Lancer range a pleasure to drive with everything designed conveniently around your fingertips. Lancer has the latest hands-free phone system technology with Bluetooth® 2.0 phone connectivity, so you can make and receive calls at the touch of a button.

Smart Key gives you complete keyless operation. Lancer LX and VRX models recognise the key within a 70cm radius, so you can lock and unlock the doors, open the boot all with the smart key safely tucked in your pocket or bag.

A rain sensor in the VRX model automatically detects moisture on the windscreen and, according to the amount of rain falling, will activate the wipers at the appropriate speed, while further sensors automatically switch on the headlamps when it gets dark or when travelling through a tunnel. That's fewer things to distract you from the road ahead.

Your Lancer is powered by the latest in engine technology, Mitsubishi's Innovative Valve Timing Electronic Control – MIVEC. 2.0 litre petrol in ES and LX models or 2.4 litre petrol in VRX. MIVEC minimises fuel consumption without sacrificing power and performance.

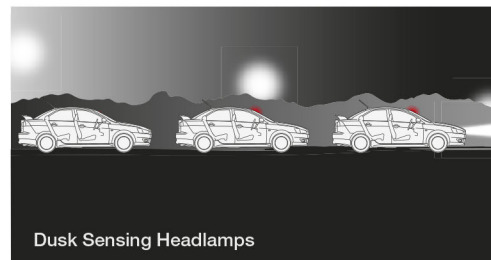

Continuously Variable Transmission (CVT) offers infinitely variable gear ratios that allow the engine to always operate at optimum RPM, irrespective of the vehicle's speed. This maximises power and economy helping to ensure a smooth, stable ride with seamless gear changes. Sports Mode allows you to switch between the ease of a CVT automatic and the control of a manual transmission without a clutch.

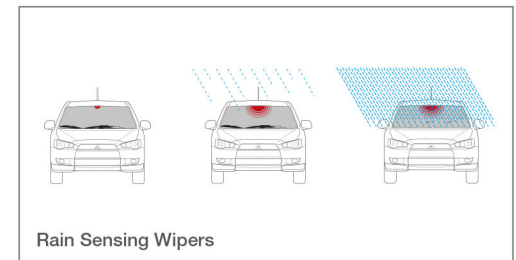

Smart Key

60/40 Split Fold Rear Seats

Dusk Sensing Headlamps

Rain Sensing Wipers

Lancer has a long list of advanced safety features. But it's the way they all work together that makes Lancer such a safe vehicle for the driver and occupants.

Lancer has seven **SRS airbags**. Side airbags to protect occupants against thorax injuries. Curtain airbags to give protection from side collisions. And driver and front passenger airbags and a driver knee airbag for protection in head on collisions.

A reversing camera appears automatically whenever reverse gear is engaged. The Mitsubishi Multi Communication System (MMCS) option available on VRX will display the rear view camera's view on its screen.

While on ES (optional), LX and VRX, it appears on the

audio system display. Either way, when combined with reverse sensors, parking your Lancer is easy.

Staying connected in a Lancer is easy with minimal interruption to the driver. **The Mitsubishi Multi Communication System** is an integrated communication and media system that provides satellite navigation, voice activated Bluetooth®, audio control, iPod connectivity and a host of other features, controlled via a 7" full colour in-dash touch screen.

In addition to the integration with the 9-surround sound speaker Rockford Fosgate® audio system, MMCS allows you to customise features such as dusk sensing headlamp sensitivity, wiper speed and room lamp shutdown delay. MMCS is available as an

option on VRX only.

And, with USB connectivity, you can easily access your music through the audio system – whether it's on an iPod, iPhone, MP3 player or USB stick.

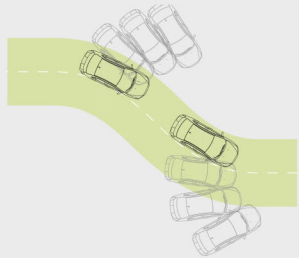

RISE Body

Mitsubishi's Reinforced Impact Safety Evolution (RISE) body system with integrated chassis is a highly rigid, one-piece shell. RISE integrates a rigid ladder frame, side impact bars with collision absorbing joints. This super strength cabin cocoons you and your passengers with outstanding protection in the event of an accident.

Crushable zones teamed with a straight frame chassis and octagonal section frames are designed to absorb and dissipate energy from the passenger compartment. In addition, curved floor panels reduce vibration and further add to body strength, keeping you and your passengers protected in the event of an accident.

ASC

Active Stability Control (ASC)

ASC maintains stability and minimises loss of control when cornering by automatically recognising understeer and oversteer. It then applies the brakes to the appropriate wheels to keep you on line and in control through corners.

ATC

Active Traction Control (ATC)

ATC helps maintain traction on slippery surfaces. When sensing loss of traction in an independent wheel, ATC applies braking force to that wheel and sends extra power and torque to other wheels that have traction to keep you moving and in control.

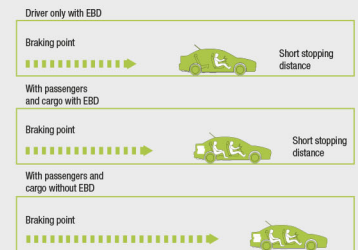

ABS

Anti Lock Braking System (ABS)

Lancer is ready to perform if you're faced with the unexpected. ABS helps the driver maintain steering control and avoid hazards by adjusting the braking pressure to prevent the wheels from locking up under hard braking or during an emergency stop.

EBD

Electronic Brakeforce Distribution (EBD)

EBD helps you to stay in control should you need to stop quickly. When carrying passengers or heavier loads, EBD distributes braking force between the front and rear wheels to ensure optimum braking and reduce stopping distance.

Lancer ES

Mechanical

2.0L DOHC 16 valve MIVEC engine
5 speed manual transmission or optional
Continuously Variable Transmission (CVT) with Sports Mode
Electric power steering (ES & LX only)

Exterior

16" Steel wheels (205/60R16 92H tyres)
Colour-coded door handles
Colour-coded electric door mirrors
High mount stop lamp
Rear spoiler (sportback only)

Interior

Leather wrapped steering wheel
Soft touch front door trim with leather insert
Rear adjustable cargo floor (sportback only)
Cargo cover (sportback only)
Rear room lamp
Boot room lamp
Front map lamps
Chrome inside door handles

Comfort & Convenience

Steering wheel audio & phone controls
Air conditioning
Pollen filter
Power windows – front and rear with auto up and down for driver
Cruise control with steering wheel remote controls
Tilt adjustable steering wheel
Keyless entry central door locking with 2 transmitters
Rear window demister
Digital clock
Accessory 12V socket on console
Multi-information display
- Average speed and fuel consumption
- Engine coolant temperature and odometer
- Distance until empty
- Maintenance schedule
- Outside temperature
Twin trip meter
Low fuel warning
Seatbelt warning lamp with buzzer – driver and front passenger
Coat hook (rear driver's side)
Sunvisor with mirror, lid and ticket holder (driver and passenger)
Day/Night rear vision mirror
Driver's foot rest

Storage

Glovebox
Floor console with storage box and lid
Cup holder with lid for front seats
Door pockets for front and rear doors with bottle holders for front

Seating

Front bucket seats
Driver seat slide, recline and height adjust

Front passenger, seat slide and recline adjust
Front passenger's seat back pocket
60/40 Split fold rear seat
One touch folding rear seats (sportback)
Rear centre arm rest with cup holder x 2
Height adjust front head-restraint
Height adjust rear head-restraint

Audio & Media

Single CD with MP3 and AM/FM radio
iPod connectivity
USB connectivity
4 speakers
Bluetooth® with voice activation and audio streaming*

Safety

Reinforced Impact Safety Revolution (RISE) body
Driver and front passenger SRS airbags (dual stage)
Side and curtain SRS airbags
Driver knee airbag
Active Stability Control (ASC)
Active Traction Control (ATC)
Anti-lock Braking System (ABS) with Electronic Brakeforce
Distribution (EBD)
Brake Override System (Smart Brake)
Hill Start Control (HSC) ES & LX CVT only
Driver and front passenger seatbelts
- 3 Point ELR
- Force limiters
- Pretensioners
- Adjustable shoulder anchor
- Rear seatbelts
- 3 Point ELR x 3/ALR x 2
Childproof rear door locks
Child restraint anchor points x 3

Security

Anti-theft encrypted engine immobiliser

Option - Safety Pack

- Display audio system with rear view camera interface
- Reversing camera
- Reverse parking sensors

* Bluetooth® phone connectivity depends on your phone compatibility.

Lancer LX (Features additional to ES)

Exterior

16" Alloy wheels
Chrome radiator grille
Chrome accent on boot lid (sedan only)
Chrome door handles
Chrome belt line moulding

Interior

Instrument panel and door trim garnish – gloss black

Audio & Media

Display audio system with single CD,
MP3 and AM/FM radio
6 speakers (4 speaker + 2 tweeters)

Comfort & Convenience

Climate control air conditioning
Smart Key – keyless operating system with 2 transmitters

Seating

Leather seat facings
Front sports seats
Front seat heaters
Power driver seat with slide, recline and height adjustment

Safety

Reversing camera
Rear view camera interface in display audio system
Reverse parking sensors

Storage

Upper console box with lid
Lower console box with lid

Lancer VRX (Features additional to LX)

Mechanical

2.4 litre DOHC 16 valve MIVEC engine
Gear paddle shifters (CVT only)
Power Steering

Exterior

18" Alloy wheels (215/45R 18 89W tyres)
Front chrome grille surround
Front fog lamps
Black radiator grille
Privacy glass
Rear sports spoiler
Minus chrome beltline moulding
Chrome exhaust tip

Interior

Alloy pedals
High contrast instrument meter

Audio & Media

Rockford Fosgate® Premium Audio System includes
9 speakers (4 speakers + 4 tweeters + 1 subwoofer)

Comfort & Convenience

Accessory 12V socket in console box
Automatic rain sensing wipers
Automatic dusk sensing headlamps

Option

Mitsubishi Multi Communication System (MMCS)
with satellite navigation.
