# SPACE

Kia's engineers not only succeeded in creating an interior cabin that boasts expansive roominess but they considered the use of space down to the very last detail. Designed to facilitate active family lifestyles, you'll soon discover why the all new Rondo is much more than just a People Mover.

Overseas model trim shown

## Panoramic sunroof

Seldom found in competing vehicles, the all new Rondo Platinum has a powered panoramic sunroof spanning the entire roof surface that lets both natural light and fresh air flood into the cabin while adding to the 'cool urban' look of the exterior.

### Because you're the one in control

An ergonomically designed cockpit puts driver comfort first. Control is effortless with intuitive fingertip operations and high-tech features, while a low windscreen base and wide sweeping dashboard gives you excellent visibility.

### Advanced AV navigation system

Featuring a large 7-inch LCD touch-screen with rear view camera display support, the system also offers Bluetooth® hands-free capability, along with AUX, USB and iPod® connectivity (on selected iPod® models). True music lovers will appreciate the high-fidelity 6-speaker audio system with separate subwoofer and external 8-channel amplifier. (Platinum)

### 4.3" TFT LCD touch screen audio

A high-fidelity 6-speaker audio system featuring radio, CD and MP3 playback can be conveniently controlled using the large, high visibility touch screen display.

Si & SLi only

## A showcase of cutting-edge technology

Inside you'll find a world of high-tech driver convenience features rarely seen in same-segment vehicles. With intuitively laid out controls and logically displayed, up-to-the-minute driving information, the all new Rondo raises the bar with a new level of sporty sophistication.

### Steering wheel remote control

Conveniently positioned buttons and switches give you full reign over audio, Bluetooth® hands-free and auto cruise control functions.

### Heated steering wheel

A heating device located on the inside of the steering wheel rapidly warms your hands on cold winter days. (Platinum)

### Paddle shifters

Sequential manual shifts can be made with the simple flick of a finger for a sporty and engaging drive. (SLi & Platinum)

SLi & Platinum

### 4.2" TFT LCD trip computer

A high visibility screen centrally positioned between the supervision cluster gauges displays essential vehicle information such as individual door-open alerts and service reminder, while also offering user-customisable menus.

### Aux, iPod®, USB connections

Connectivity to virtually any portable music storage device means that you can enjoy your entire digital music collection while on the road. (iPod® connectivity on selected iPod® models)

### Auto light control

Enjoy fingertip operation of the headlamps, high beam, front and rear fog lamps and turn signal, while the auto function means you no longer need to worry about forgetting to turn your headlamps on or off.

SLi & Platinum

### Dual-zone full auto climate control

Separate temperatures can be set according to driver and front-seat passenger preferences, while the clean air system generates cluster ions to purify and deodorise the cabin air. As an added touch of convenience, the auto defogging system detects when condensation is formed on the inside of the windscreen and automatically defogs the glass for optimal visibility.

\*Not all mobile phones will be compatible with the vehicles Bluetooth® system.

## A haven of roominess and comfort

With 7 seats standard, the all new Rondo boasts an imaginative interior layout - including three individual split folding 2<sup>nd</sup> row seats - to deliver versatile seating configurations and ample cargo space ideal for people who are always on the go.

Platinum model shown

Whether transporting materials for a DIY project or taking work home, configuring your vehicle's seats has never been so easy, or so flexible.

## Smart space for the CITY

### For me

Front passenger seat folding (SLi & Platinum) and 2<sup>nd</sup> & 3<sup>rd</sup> row full folding

Platinum model shown

## Smart space for the OUTDOORS

Get the most out of your outdoor adventures with a high level of cargo and passenger seating versatility.

### For the kids

Seating for 7 people

Platinum model shown

**For the couple**

# Sit back, relax and enjoy the ride

The seats in the all new Rondo have been engineered not only for maximum versatility but also for the ultimate in ride comfort. Innovative technologies applied to the driver and passenger seats make even the longest journeys seem like a quick trip around the corner.

**Electric powered lumbar support** The back cushion of the driver's seat features additional support at the touch of a button to ensure maximum comfort and minimal fatigue on extended trips. (SLi & Platinum)

**Passenger seatback folding** The back cushion of the front passenger seat can be conveniently folded forward to create additional space for extra-long items. (SLi & Platinum)

## Sporty bucket seats

The driver and 1<sup>st</sup> row passenger seats feature a sporty yet functional design that provides ample lumbar and thigh support while accentuating the modern feel of the cockpit.

## Ventilated seats

Cool air is channeled and discharged through both the driver and front passenger seats via inner-mounted air ducts to prevent perspiration in hot weather. (Platinum)

Overseas model trim shown

Overseas model trim shown

## Electric seat cushion extension

Especially welcomed by long-legged drivers, the bottom cushion of the driver's seat can be extended forward for optimal driving comfort. (SLi & Platinum)

Overseas model trim shown

## 10-way power driver's seat

Electronically adjust your seat with conveniently placed controls to easily find the ideal driving position. (SLi & Platinum)

SLi & Platinum seat shown

## 2<sup>nd</sup> row individual sliding and split folding (35:30:35)

The 2<sup>nd</sup> row seats are full-flat folding for maximum cargo hauling versatility with a forward and backward sliding function for maximum passenger comfort.

## Seat warmers

You and your front seat passenger can stay warm and cozy on cold winter days thanks to 3-step heated seats that rapidly activate at the touch of a button. (Platinum)

## Uncompromised safety for peace of mind

Safety is the number one priority for Kia, and the all new Rondo takes occupant protection to a whole new level with innovative technologies. Our engineers have conducted countless computer simulations and actual crash tests so that your sole focus can be on enjoying the drive.

### Front and rear parking sensors

The all new Rondo comes with standard reverse parking sensors (and front sensors on SLi & Platinum models) that indicate the distance between the car and any obstruction.

**Rear view camera**  
The 4.3-inch touch screen display also serves as a standard rear view camera monitor to ensure that backing-up and reverse parking is safe and convenient. (7-inch screen on Platinum model)

Platinum model shown

### ESC (Electronic Stability Control)

ESC is an active safety feature that provides optimised braking and engine torque control by monitoring individual wheel speed, steering angle and skidding.

### 6 airbag system

Driver, passenger, front side and curtain airbags help minimise the risk of serious injury as the final line of defense in the event of a collision.

### Power windows automatic up & down

All windows feature a mechanism that automatically stops them from closing when an obstruction is detected. (Only driver's window auto up & down for Si model)

### HAC (Hill-start assist control)

By maintaining brake grip momentarily until you press the accelerator, HAC prevents the vehicle from rolling backwards dangerously when pulling away from a standstill on an incline.

## A perfect fit for your lifestyle

Whether at work or at play, the all new Rondo is the ideal companion for getting the most out of your daily life. Never before has a compact People Mover offered so much versatility, comfort and convenience - all wrapped up in a thoroughly modern and stylish package.

SLi (left) and Platinum (right) models shown

## Confident & efficient performance

On the road is where the all new Rondo's technological prowess truly shines through. It will exceed what you've come to expect from a compact People Mover with a host of advanced engineering feats that put the all new Rondo at the head of the pack when it comes to safety, drivability and eco-friendliness.

	<p>Power 122kW Torque 213Nm Fuel 7.9L/100km*<sup>^</sup> CO<sub>2</sub> 184g/km<sup>^</sup></p>		<p>Power 100kW Torque 320Nm Fuel 6.4L/100km*<sup>^</sup> CO<sub>2</sub> 170g/km<sup>^</sup></p>
<h3>Nu 2.0L GDi Engine</h3>	<p>The choice for those who demand maximum power, this direct injection engine features a variable intake manifold made of lightweight plastic and a low-friction offset crankshaft for optimal performance.</p>	<h3>Ull 1.7L Diesel Engine</h3>	<p>This technologically advanced variable geometry turbocharged engine delivers a clean, quiet and highly fuel-efficient drive while maximising torque and power.</p>
<p><small>*Fuel consumption figures are based on ADR81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic and road conditions and on how the vehicle is driven. <sup>^</sup>Combined-cycle.</small></p>			

## Frugal on fuel, generous on performance

Kia's latest powertrain innovations are optimised for true driving pleasure. Choose from the diesel and the petrol engines engineered with state-of-the-art fuel sipping and CO<sub>2</sub> cutting technologies that don't sacrifice on power or performance.

**Button start / stop system**  
Conveniently turn on and off the engine ignition with a simple push of a button. You no longer need to hassle with keys when starting or finishing your trip. (Platinum)

### Active ECO System

The standard Active ECO System automatically optimises the engine and transmission control systems to reduce fuel consumption.

### 6-speed auto transmission

This independently developed gearbox features a light-weight, compact design that offers improved shift quality and durability while also boosting fuel economy and acceleration.

### Organ-type accelerator pedal

The organ-type accelerator pedal moves along the same natural plane as your foot for more comfortable operation, especially on extended journeys.

# Every creature comfort imaginable

We believe that the true measure of a groundbreaking car can be found in the details. And we're sure you'll be pleased to discover the numerous delightful surprises to be found in every nook and cranny of the all new Rondo.

**Spacious cargo room** A walk-in sliding function on the outer 2<sup>nd</sup> row seats enable occupants to easily access the 3<sup>rd</sup> row seats with a light touch of a lever, while the luggage flat configuration for the 2<sup>nd</sup> and 3<sup>rd</sup> row seats provides expansive space for hauling all types of cargo. (Platinum model shown)

**Fold-up tray** The backs of both driver and front passenger seats are fitted with convenient trays that feature an additional cup holder for extra convenience of the 2<sup>nd</sup> row seat occupants. (SLi & Platinum)

**2<sup>nd</sup> row centre table** A conveniently located centre table with three cup holders for back seat passengers to use.

**Cooled glove box** The large 8L glove box has a cooling function that comes in handy when storing perishable items or cold drinks, especially on long journeys. (Platinum)

**Center console** Two drinks can be securely stored within easy reach while a center fascia undertray and large storage compartment under the center armrest provide plenty of space for storing personal items. (Platinum model shown)

**Cargo security screen** Create a separate partitioned-off space at the rear of the vehicle to stow away any personal belongings that you want to hide from prying eyes.

**Cargo under storage compartment** A compartment located under the floor at the rear of the vehicle is the perfect place to store away emergency safety and cleaning supplies. The cargo screen can also be stored when not in use.

## Smart key

The smart key unlocks the doors as soon as you touch the door handle so that you never have to worry about fumbling around for keys. (Platinum only)

**2<sup>nd</sup> row sun blind** The manually retractable sunshades for the 2<sup>nd</sup> row windows provide protection from harsh sun glare and help to keep the cabin cool. (Platinum)

**EPB (electronic parking brake)** Engage the parking brake simply by pressing a button and take all of the guesswork out of knowing whether it's properly engaged or not. (Platinum)

**Portable flashlight** When mounted on the wall socket, this handy detachable flashlight automatically recharges while also serving as an interior lamp for the cargo area. (Platinum)

**Rear air ventilation** Back seat passengers can also enjoy warm or cool air circulation thanks to rear air vents positioned at the back of the centre console.

**Opposed-type wiper system** Unlike conventional wiper systems, the wiper blades are mounted on opposite sides of the windshield and move in the opposite direction for maximum visibility even in heavy rain and snow.

**ECM mirror** Distracting headlamps behind you are a thing of the past thanks to the auto-dimming, wide-angle electrochromic mirror. (SLi & Platinum)

**Rain sensor** The windscreen wipers are automatically activated as soon as moisture is detected for greater convenience and visibility. (SLi & Platinum)

**Auto defogging system** A sensor automatically initiates a defogging process when condensation is detected on the windows to ensure optimal visibility in humid climates. (SLi & Platinum)

**Rear spoiler / High-mounted stop lamp** Standard on all models, the rear spoiler adds a sporty touch to the exterior design while a high-positioned stop lamp ensures that you are clearly visible to drivers behind you.

**Outside door handle** Body colour grip-type handles are standard on the Si model, and for a more classic look, SLi & Platinum models come with chrome-finished handles.

**Fog lamps** The fog lamps are stylishly integrated with the air intake holes of the front bumper using black housing to accentuate the car's athletic stance.

**Side mirror** Wing-type electric folding two-tone side mirrors feature LED turn signal lamps and puddle lamps for added safety and convenience. (SLi & Platinum)

## BODY COLOURS

Choose from six stylish yet timeless exterior colours that show off the all new Rondo's striking design cues.

Clear White (1D)

Bright Silver (3D)\*

Inferno Red\* (AJR)\*

\*Inferno Red will be available from August 2013 production

Newport Blue (KU9)\*

Titanium Silver (1M)\*

Cherry Black (9H)\*

#Premium paint

## Interior colour scheme

The fine quality upholstery and ample use of soft-touch materials throughout the cabin are an expression of your contemporary yet practical lifestyle.

Black Leather+ (SLi & Platinum)

Black Cloth (Si)

**Black** Both traditional and strikingly modern at the same time, the all-black colour scheme is timeless.

\*Leather trim includes some leather-like material on selected high impact surfaces.

## WHEELS

A choice of three newly-designed wheels gives the all new Rondo maximum curb appeal.

205/55R 16" Alloy Wheel Si

225/45R 17" Alloy Wheel SLi

225/45R 18" Alloy Wheel Platinum

## As eco-conscious as you are

So you value sustainable living? We do too. That's why we take pride in rising to meet the expectations and challenges of the 21st century while making tangible contributions to the preservation of the environment and sustainable development of society as a whole.

Kia Motors designated environmental management as one of the core objectives of our socially responsible management initiative launched in 2008 and has put the environment at the forefront of all our business activities. We aim to spearhead efforts to combat the global challenges of natural resource depletion and climate change.

In 2009, Kia launched the 'Eco-dynamics' sub-brand, which is being applied to the most eco-friendly cars within each Kia model range as innovative fuel-stretching and emissions-cutting technologies such as hybrid, electric and hydrogen fuel cell powertrains are progressively introduced.

We are also building a clean production system, raising the resource recovery rate, designing vehicles with the disposal phase in mind, increasing energy efficiency, and adopting low-carbon fuels. Wherever possible, recycled and recyclable materials are being used in the production of every Kia. Even at the end of your car's life, one of our environmental targets is the eco-friendly return and treatment of end-of-life vehicles. Operating a rigid process, we guarantee environmental protection in the treatment of harmful waste substances. These are then recycled or recovered, ensuring the highest level of environmental protection.

In short, we are committed to finding fundamental solutions to cut energy consumption and combat climate change. As you see, what you do on a small scale with your household refuse, we at Kia Motors do on a large scale around the world.

The Power to Surprise

Kia Motors Australia  
350 Parramatta Rd, Homebush, NSW, 2140

[www.kia.com.au](http://www.kia.com.au)

Kia is the newest and most exciting force of change in the automotive world and we are ready to change the way you feel and think about driving. More than just a promise, we are committed to making driving a true pleasure for customers across the globe. With youthful styling and the latest in advanced technologies, Kia cars are turning heads the world over with the power to surprise. From the Rio to the Sorento, Kia offers a full lineup of sedans, SUVs and MPVs that are not only practical but downright exhilarating to drive. Keep your eyes on Kia because our best has yet to come.

#### About Kia Motors Corporation

Kia Motors Corporation ([www.kia.com.au](http://www.kia.com.au)) - a maker of quality vehicles for the young-at-heart - was founded in 1944 and is Korea's oldest manufacturer of motor vehicles. As part of the Hyundai-Kia Automotive Group, Kia aims to become one of the world's premier automotive brands. Over 2 million vehicles a year are produced in 13 manufacturing and assembly operations in eight countries which are then sold and serviced through a network of distributors and dealers covering 172 countries. Kia today has over 44,000 employees worldwide and annual revenues of over US\$20 billion. It is the major sponsor of the Australian Tennis Open and an official automotive partner of FIFA - the governing body of the FIFA World Cup. Kia Motors Corporation's brand slogan - "The Power to Surprise" - represents the company's global commitment to surpassing customer expectations through continuous automotive innovation.

Unlimited km 5 year warranty. Note: 5 year/130,000km warranty for vehicles used for the following: rental vehicles, hire cars, taxis, courier vehicles, driving school vehicles, security vehicles, bus and tour vehicles.
