LUXURY HAS EVOLVED

THE NEW RENAULT LATITUDE IS THE EPITOME OF A LUXURY SEDAN. IT OOZES EUROPEAN STYLE AND CONFIDENCE WHILE INDULGING YOUR EVERY SENSE.

Renault has refreshed both the interior and exterior design of the Latitude to give it even more sophisticated street appeal.

The Renault Latitude is a spacious, elegant sedan designed for your everyday driving enjoyment, pure and simple. Renault believes you deserve nothing but the finest interior fittings and features, the most indulgent technologies and refined style, and a thorough peace of mind package – what more could you wish for?

The Renault Latitude is powered by your choice of either a fuel-efficient 2.0L dCi diesel or a thrilling 3.5L V6 petrol engine, both perfectly crafted to deliver smooth, instant power, automatic gear transitions and responsive handling while at the same time surrounding you with an elegant interior space.

It's not every day you discover a car that actively relaxes you by massaging away stress as you drive. The Renault Latitude provides this and many more of life's little luxuries, to create a welcoming, 5-star boutique experience every time you get behind the wheel.

DYNAMIC DESIGN

THE RENAULT LATITUDE LOOKS SPACIOUS FROM THE OUTSIDE AND FIRST CLASS ON THE INSIDE.

The exterior of the Renault Latitude has been updated and redesigned to showcase Renault's passion for craftsmanship. It rises to the task with striking new two-tone alloy wheels available on all models, chrome finish door handles, LED rear lights and LED turn indicator lights* on the door mirrors. The Renault Latitude is available in seven brilliant hues, including the contemporary new Metallic Brown.

Because classic style never goes out of fashion, the interior of the Renault Latitude is accented with the finest materials. All models come with elegant black leather seat upholstery and an upmarket dash and centre console design featuring a 7" touch-screen navigation display. In the Latitude Privilège, you can enjoy the beauty of your exterior environment through the panoramic sunroof, designed to look as elegant from the outside as it does from the inside.

Straight away, you'll notice the high level of equipment and technology within the Renault Latitude, demonstrated by the touch-screen Satellite Navigation display and bright instrument cluster. Every feature and function is thoughtfully designed within reach.

*Privilège model.

INDULGENT FEATURES

IT'S ONLY NATURAL TO DESIRE THE VERY BEST. THERE'S NO NEED TO RESIST YOUR AMBITIOUS NATURE – IN FACT THE RENAULT LATITUDE REWARDS YOU WITH A RANGE OF FEATURES DESIGNED TO TRULY ENHANCE YOUR JOURNEY.

You'll look forward to every chance to get behind the wheel of the Renault Latitude. A stressful day at work vanishes on the drive home as the pneumatic cushioning massage driver's seat* kneads away your stresses. Take a deep breath; the French perfume fragrance diffuser* softly disperses your favourite scent and the toxicity filter and ioniser* purifies the very air you breathe.

Your favourite music will help you escape through the customised BOSE® audio system*, streaming wirelessly from your Bluetooth® enabled smartphone. Yet stay on track. The integrated touch-screen Satellite Navigation system guides you calmly to your desired destination. Cruise control with speed limiting function makes freeway driving even simpler.

The panoramic sunroof* has two glass panels: one moving and one fixed. At the touch of a button, the electric sliding front panel shifts to one of four positions, allowing fresh air and warm summer breezes to lift your spirits inside the cabin.

Too chilly? Simply adjust the heated front seats to your preferred temperature, or change the tri-zone climate control* settings for your seat.

*Privilège model.

ADVANCED TECHNOLOGY

WELCOME TO THE NEW WORLD, WHERE INFORMATION IS NEVER FURTHER THAN YOUR FINGERTIPS, YOU HAVE TOTAL CONTROL OVER THE THINGS YOU CARE ABOUT AND TECHNOLOGY CONSTANTLY WORKS BEHIND THE SCENES TO MAKE YOUR EVERY DESIRE A REALITY.

In the Renault Latitude, the 7" R-Link enhanced audio system with multifunction touch-screen is your central, convenient hub for audio, phone and Satellite Navigation control. The navigation system offers clear and precise guidance to your destination and is easy to update via SD card as required. The brilliant screen displays the reversing camera* view when the car is in reverse.

The Samsung super plasma ioniser* generates ions to neutralise particles such as bacteria, allergens and germs. In 'Relax' mode, negative ions balance positive ions to create a calming atmosphere, just like a walk along the beach.

Hands-free phone and audio streaming via Bluetooth® connectivity or USB input allows simple, safe calls in the cabin, and lets you control your favourite music and playlists. You can even control media functions with your voice using the vocal command feature.

Music is one of life's simple pleasures, so the Renault Latitude has made sound a priority within the cabin. The customised BOSE® audio system in the Privilège has been specifically developed for the Renault Latitude, producing full and natural sound that is close to a live performance. In the Dynamique, 3D sound by Arkamys provides quality sound using cinema industry expertise.

*Privilège model.
Beige interior optional.

SAFETY GOES TO GREAT LENGTHS

RENAULT BELIEVES IN 'SAFETY FOR ALL', AND NOWHERE IS THIS MORE EVIDENT THAN WITHIN THE SCULPTED BODY OF THE RENAULT LATITUDE. THE NEW MODELS PROTECT YOU AND YOUR PASSENGERS WITH ADVANCED NEW FEATURES AND THE LATEST DEVELOPMENTS IN ALL THE SAFETY 'MUST-HAVES'.

There's safe, and then there's intuitive. Blind Spot Warning (BSW) on the Latitude Privilège is a safety innovation that uses sensors on the front and back of the vehicle to detect moving objects in the blind spot and warn the driver during lane changes.

The Renault Latitude is fitted with Electronic Brake-force Distribution (EBD) and Emergency Brake Assist (EBA) to help stop the vehicle as quickly as possible when required. In the case of a collision, the Renault Latitude's dual side impact sensors react instantly to release the front, rear and side curtain airbags as required.

For day-to-day safety, Traction Control (ASR), ABS and Electronic Stability Control (ESC) maintain the vehicle's grip and traction.

Even low-speed manoeuvres like reversing are made safer by the Renault Latitude, with front and rear parking sensors and a reversing camera* to help guide you into place more easily.

DYNAMIQUE

The Renault Latitude Dynamique offers exquisite comfort and technology inside the cabin, with new piano black panelling on the centre console and black leather-trimmed seats. Both front seats are heated and the driver's seat slides into your ideal position and lumbar support when you adjust the electronic controls.

Dual-zone climate control keeps both front passengers at their perfect temperature. The 7" touch-screen Satellite Navigation system display also controls your 3D sound system by Arkamys and allows you to make and receive phone calls through Bluetooth®, with fingertip controls near the steering wheel.

Outside, the Dynamique looks just as smart. New chrome finish on the door handles and two-tone 17" Bayader alloy wheels add a striking and sophisticated edge. Or you can choose to fit your Latitude Dynamique with the sleek silver-tone finish of 17" Fidji alloy wheels.

KEY FEATURES

- Dual front, side and rear curtain airbags
- Electronic Stability Control (ESC), Anti-lock Braking System (ABS), Emergency Brake Assist (EBA), Electronic Brake-force Distribution (EBD), assisted parking brake
- Front and rear parking sensors
- Cruise control with speed limiter
- Fog lights
- Black bezel front headlight covers
- Automatic dusk-sensing headlights and automatic rain-sensing wipers
- Hands-free entry and engine start
- Black leather-trimmed upholstery with piano black interior
- Heated front seats, driver's seat electronically adjustable 8 ways
- Bluetooth® with audio streaming
- Multimedia connection box
- 4x35W AM/FM 3D sound by Arkamys with 4 speakers, 4 tweeters, CD, MP3 and fingertip controls
- Integrated touch-screen Satellite Navigation system with joystick control
- 17" two-tone Bayader alloy wheels

PRIVILEGE

The top-range Renault Latitude Privilege takes luxury to the next level. The driver's seat helps you unwind as you drive, with two modes of massaging function, heating and memory. The sophisticated piano black interior may be complemented with optional beige leather interior.

Above you, enjoy panoramic sky views through the glass roof. The Samsung super plasma ioniser, tri-zone climate control and active toxicity filters make the air cleaner and healthier.

The impressive instrumentation list includes Blind Spot Warning (BSW), tyre pressure monitor, reversing camera and 7" touch-screen navigation with custom BOSE® audio system.

The exterior of the Renault Latitude Privilege is just as elegant thanks to 18" two-tone Sequence alloy wheels, LED turn indicator lights on the door mirrors, chrome finish door handles and a spectacular panoramic glass roof.

KEY FEATURES

- Six Airbags, Electronic Stability Control (ESC), Emergency Brake Assist (EBA), Electronic Brake-force Distribution (EBD), assisted parking brake
- Front and rear parking sensors with camera
- Blind Spot Warning (BSW)
- Electronic, heated front seats
- Driver's seat with memory, lumbar support and massaging function
- Black leather-trimmed upholstery with piano black interior
- Optional beige leather seats / brown and beige interior
- Bi-Xenon directional headlights
- Samsung super plasma ioniser
- Tri-zone climate control with air quality management
- LED turn indicator lights on door mirrors
- Hands-free entry and engine start
- BOSE® sound system with digital amplifier, 4 speakers, 4 tweeters, a subwoofer and central speaker
- Integrated touch-screen Satellite Navigation system
- Electric panoramic glass sunroof
- 18" two-tone Sequence alloy wheels

KEY FEATURES

FEATURE AVAILABILITY VARIES PER MODEL.

PANORAMIC SUNROOF

The Renault Latitude Privilège lets you enjoy the full sky above with its panoramic glass sunroof featuring two panels. The front section adjusts electronically between four positions, while the rear section is fixed to protect you from the elements while providing 24/7 sky views.

TWO-TONE ALLOY WHEELS

The Renault Latitude is connected to the road with the latest in alloy wheel design and technology. The new 17" Bayader and 18" Sequence wheels (Sequence shown above) each have a unique design and distinctive dark and light silver effect, with solid, lightweight alloy construction. If you prefer the classic silver alloy look, optional 17" Fidji alloy wheels are also available on the Dynamique.

Overseas model shown

MASSAGING DRIVER'S SEAT

Not only are the seats in the Renault Latitude designed for superb, body-hugging comfort and optimal adjustment, the Renault Latitude Privilège has a pneumatic air-cushion massaging system in the driver's seat, which massages your back in the mode and intensity of your choice. What better way to forget the stresses of your day?

TOUCH-SCREEN NAVIGATION SYSTEM

As our environments expand, navigation systems are becoming more and more of a daily necessity. The Renault Latitude keeps you on track with its R-Link enhanced audio system with 7" touch-screen Satellite Navigation incorporated into the central dash console. This innovative technology displays routes and audio information in vivid colour, and also controls your audio system and Bluetooth® phone functions, for seamless integration with your life.

HANDS-FREE ENTRY AND ENGINE START

In the Renault Latitude, you don't even need to touch the key to get in and get going. The Renault Smart Card Key can stay in your bag or pocket, unlocking the doors at a single touch of the door handle. Once inside, simply press the start button to start the engine.

PARKING ASSISTANCE

Whether reversing down a driveway or finding that last tricky space in the car park, the Renault Latitude makes manoeuvring easier and safer. Front and rear parking sensors come standard across the range and provide an audible warning as you approach objects. The Privilège model also has a rear view camera, perfectly positioned to provide a clear view behind you when reversing or parking.

AIR QUALITY MANAGEMENT SYSTEM

The toxicity sensor prevents polluted air from entering the cabin, while the combined pollen and active carbon filter removes these particles from the air. The Samsung super plasma ioniser in the Renault Latitude Privilège has two modes – 'clean' neutralises particles for healthier air, while 'relax' balances ions to create a calming environment.

TRI-ZONE CLIMATE CONTROL

In the Renault Latitude, you'll never disagree about the cabin temperature again. Dual-zone climate control keeps both front seat occupants at their ideal temperature, while tri-zone climate control in the Privilège allows the rear passengers to adjust the back seat temperature to their preferred setting.

BLIND SPOT WARNING (BSW)

This innovative safety technology, standard on Latitude Privilège models and optional on the Dynamique, warns you of other vehicles in your blind spot when changing lanes. Four sensors, located in the front and rear of the vehicle's side, detect moving objects like cars and motorbikes, providing a visual warning to help ensure your safety.

PREMIUM AUDIO SYSTEM

The Renault Latitude understands your passion for music. With four speakers throughout the cabin and a rear central speaker, your music sounds front-row concert quality in every seat. The Dynamique's 3D slip sound by Arkamys system uses cinema industry expertise to create beautiful sound. The BOSE® system in the Privilège is designed for the cabin and features an amplifier and subwoofer.

ACTIVE SAFETY

The Renault Latitude puts your safety first. Electronic Stability Control (ESC) with understeer control senses even momentary loss of control and immediately corrects to keep the vehicle on the road. The Anti-Slip Regulation (ASR) traction control system detects loss of grip and automatically reacts to maintain traction. Should a collision occur, six airbags including dual front and side plus rear curtain airbags with dual side impact sensors react in an instant to protect all on-board.

FRAGRANCE DIFFUSER

Forget unsightly air fresheners dangling from your mirror. The Renault Latitude Privilège softly diffuses your favourite of six French fragrances into the cabin air to create a relaxing and welcoming atmosphere. Choose from Ylang Ylang, City Forest, Fruits Cocktail, Oriental Hub, Floral Therapy or Fresh Breeze.

Scent range subject to change

OUR QUALITY: YOUR PEACE OF MIND

GENEROUS COMPREHENSIVE WARRANTIES

Renault has been building and racing motor vehicles for more than 100 years, creating a legacy of invention, innovation and a competitive spirit that drives us to excel. The wealth of experience we've gained is reflected in the design, performance and quality of every vehicle we sell.

We're so confident that your new Renault will provide you with many years of reliable and enjoyable driving that we're backing our quality promise with competitive and comprehensive warranty terms on all of our vehicles.

24/7 ROADSIDE ASSISTANCE

Renault Roadside Assistance is a service Renault provides to you as a new Renault owner for the period of your new vehicle warranty, regardless of how many kilometres you travel.

You could run out of fuel, lose your car keys, have a flat tyre or an accident just around the corner or a long way from home. Just call 1800 009 008 and we'll arrange the assistance you need to get back on the road. The service is available 24 hours a day, 365 days per year and covers you right across Australia.

CAPPED PRICE SERVICING

Fantastic Renault value doesn't end once you've got your new vehicle home – you'll enjoy the benefits of lower maintenance costs for your first 3 years or 45,000km (whichever occurs first) behind the wheel thanks to Capped Price Servicing.

The Capped Price Service program covers the cost of all genuine parts, lubricants and labour required for standard scheduled maintenance services.

And because you're busy, Renault vehicles are designed to require servicing only once per calendar year – not every six months like many other manufacturers.

RENAULT SPECIALIST TECHNICIANS

Only Renault authorised dealerships have registered Factory Trained Technicians. Known globally as COTECHS, they're trained by Renault to perform all factory-recommended servicing and repair operations. This ensures your car always receives the quality attention it deserves.

COTECHS use specialised service tools and equipment to ensure your vehicle continues to provide optimum performance, safety, economy and emissions. When you combine this technical expertise with the very best Genuine Renault parts, lubricants and accessories, you can be sure your car is in the safest of hands.

REPAIR & SERVICE COURTESY CARS

Renault quality extends to our customer service.

To minimise your inconvenience while your vehicle is undergoing maintenance or repairs, our authorised Renault Dealers have low cost loan vehicles ready and waiting for you. Simply book a loan vehicle in advance when you book your Renault in for service with your dealer.

Alternatively, most Renault Dealers offer a drop off service to local destinations or to the nearest public transport.

GENUINE RENAULT PARTS

Genuine Renault parts, lubricants and accessories are of the highest quality, and specifically designed for Renault vehicles. They are purpose-built to our exacting specifications, guaranteeing fit, function and performance first and every time. They are also covered by our 1-year unlimited kilometres warranty.

Authorised Renault Dealers keep high stock levels of commonly used genuine Renault parts to ensure continuous availability.

RENAULT DEALER NETWORK – THE BENEFITS

Everywhere, at every stage in your car's life, the Renault dealer network is with you, providing quality service, including:

- Personalised reception and advice.
- The use of only Genuine Renault parts.
- The Renault 1-year parts and labour guarantee for all repairs carried out by a Renault dealership.
- Equipment and tools specially designed for your Renault.
- Our pricing structures are simple, clear and transparent, so you can always have your car serviced or repaired with confidence.

WHEN YOU PURCHASE A NEW VEHICLE, YOU WANT TO BE SURE IT WILL GIVE YOU YEARS OF ENJOYABLE, WORRY-FREE MOTORING, BACKED BY A TRUSTED AND RELIABLE BRAND. AND WHEN YOU CHOOSE A RENAULT, THAT'S EXACTLY WHAT YOU'LL GET.
