• = Standard | \* = Optional equipment, Manufacturers List Price shown

\* Individual Manufacturer's List Prices (MLP) of the factory fitted options quoted on this specification sheet separately exclude LCT. If the total price for the vehicle (excluding statutory charges) exceeds the LCT threshold then total price will need to be recalculated including LCT. This is a manufacturer's specification sheet and new vehicles must be purchased from authorised Audi dealers. Specifications are as planned from November 2015, model year 2016, and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in any way as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and price. For individual prices please contact your local authorised Audi dealer.

- Fuel consumption figures according to Australian Design Rule (ADR) 81/02. The driving style, road and traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.
- Unladen vehicle weight includes driver (68kg), 7kg of luggage and fuel tank 90% full, calculated in accordance with the current version of EC Directive 92/21/EEC. Optional equipment may increase the cars unladen weight and drag coefficient, whereupon the possible payload limit and the top speed will be reduced accordingly.
- Please note Audi music interface (AMI) connector cables must be purchased separately through Audi Genuine Accessories.
- Please check with your Audi dealer for approved Bluetooth telephones that have been tested by Audi for compatibility.
- MMI Navigation functional features may differ or not be available for the Australian market, sight-seeing information, city modes in 3D, points of interest, vehicle support and speed limit display based on navigation data function, voice control destination entered as whole words or in one statement and Audi connect services are not available for Australian vehicles. Please refer to your Audi dealer for up-to-date information.
- Digital radio reception coverage dependent on vehicle location.

Please refer to the corresponding S3 Cabriolet brochure for further specifications details. Options described in the brochure may differ or not be available for Australian vehicles. Please refer to your Audi dealer for up-to-date information. Vehicle pictured is an Audi S3 Cabriolet with optional metallic paint and S performance package. Overseas model shown.
