• = Standard | * = Optional equipment, Manufacturers List Price shown excluding LCT. | + = Optional equipment, Manufacturers List Price shown, inclusive of LCT. | NCO = No cost option. | — = Not available | Values in brackets [] apply to Roadster model

* + Individual Manufacturer's List Prices (MLP) of the factory fitted options quoted on this specification sheet are displayed separately excluding Luxury Car Tax (LCT)* and including Luxury Car Tax (LCT)*. If the total price of the vehicle (excluding statutory charges) is below the Luxury Car Tax (LCT) threshold, that option price excludes LCT. If the total price of the vehicle (excluding statutory charges) exceeds the Luxury Car Tax (LCT) threshold, that option price includes LCT at the rate of 33%. The LCT threshold for the 2015/2016 financial year is \$63,184 for all vehicles except those with a combined fuel consumption value of 7.0 litres per 100 km or less which have an LCT threshold of \$75,375. LCT is payable on all luxury vehicles with a total purchase price, including the price of factory and dealer fitted optional extras and dealer delivery charges, above the LCT threshold.

¹ Fuel consumption figures according to Australian Design Rules (AD) 81/02. The driving style, road and traffic conditions, environmental influences and vehicles condition can in practice lead to consumption figures which may differ from those calculated with these standards.

² Figures calculated on the basis of 18 inch wheels, and may vary on factors including but not limited to driving style, driving conditions and any options, accessories or equipment that may be fitted (including without limitation, wheel size fitted).

³ Figures calculated on the basis of 19 inch wheels, and may vary on factors including but not limited to driving style, driving conditions and any options, accessories or equipment that may be fitted (including without limitation, wheel size fitted).

⁴ Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of EC Directive 1230/2012. Optional equipment may increase the cars unladen weight and drag coefficient, whereupon the possible payload limit and the top speed will be reduced accordingly.

⁵ Please check with your Audi dealer or visit www.audi.com/mp3 for information on compatible media players.

⁶ Please check with your Audi dealer for approved Bluetooth telephones that have been tested by Audi for compatibility.

⁷ Digital radio and TV reception coverage dependent on vehicle location.

⁸ MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

⁹ SUNA™ live traffic update service is only available in metropolitan Sydney, Melbourne, Canberra, Brisbane, Gold Coast, Adelaide and Perth; It operates from information provided by Intelematics Australia Pty. Ltd. and may not cover all road incidents and/or congestion. Refer to www.sunatrafic.com.au for details.

This is a manufacturer's specification sheet and new vehicles must be purchased from authorised Audi dealers. Specifications are as planned from September 2015, model year 2016 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in any way as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and price. For individual prices please contact your local authorised Audi dealer. Please refer to the corresponding TT brochure for further specification details. Options described in the brochure may differ or may not be available for Australian vehicles. Please refer to your Audi dealer for up-to-date information. Vehicle pictured is an overseas TT Coupé 2.0 TFSI quattro S tronic S line with the additional options of metallic paint, Audi side assist and Audi Matrix LED headlights including LED daytime driving lights, dynamic front and rear indicators, all-weather lights, motorway light function and LED rear lights.
