The Power to Surprise

## The people mover has moved on

The All New Carnival encompasses an incredible combination of style, sophistication and technology with enough room to comfortably carry 8 passengers leaving plenty of space to spare.

No longer does a family vehicle mean a compromise when it comes to aesthetics. Inside and out, the Carnival delivers on style and design, creating a truly premium experience for driver and passengers.

Enjoy a spacious cabin with multiple seating configurations that includes advanced safety and convenience features. Go ahead and experience the new standard of people mover today.

## Comfortable, versatile and spacious

The All New Carnival brings a whole new level of space and versatility. Because no two families are the same, the choice of 7 or 8 passenger seating configurations, slide and stand up second row seating to create floor space and fold flat third row seating means carrying bulky cargo

and a tribe of children is completely possible. Throughout the Carnival, you will find various clever storage spaces including the large centre console, accessories pockets, dual glove box and 14 cup holders - meaning everyone will have a place for their belongings.

**Seat variation 1 - 8 seat mode**  
Carry 8 people in comfort.

**Seat variation 2 - 7 seat mode**  
Create more space with second row centre seat removed.

**Seat variation 3 - 4 seat mode**  
Fold flat 3rd row seats for more cargo space.

**Seat variation 4 - Slide & stand up**  
Simply pull up the lever and slide the 2nd row stand-up seats forward. Allowing for passenger access or for more cargo space.

## Superior driver comfort

There are times in family life when you seem to live in the car. Which is why the Carnival offers superior convenience, comfort and ergonomic support for the all-important driver. Everything from the steering-wheel-mounted controls to the 6 way

adjustable seat and the navigation system (on Si, SLi & Platinum models only) is intuitively placed for convenient operation. Aesthetically the soft touch material and sophisticated interior styling means long stints in the car can be done in comfort.

## Tuned for Australian conditions

People movers and superior driving experience until now have been mutually exclusive. The Carnival's powerful 206kW V6 petrol engine or efficient 147kW turbo diesel engine offers greater performance, which means it's got the get up and go you need, while remaining economical. Thanks to its independent suspension and interior insulation you will enjoy a smooth, quiet ride with or without the kids. Tuned for Australian conditions the Carnival offers an engaging drive, meaning the steering is responsive and natural giving you greater feeling of being in control and to predictably handle Australian roads, whether you are driving in the country, city or on highways.

# Australia's only 7 year unlimited km warranty

Introducing Australia's Best Warranty offering - 7 Years Unlimited Kilometre warranty, backed by 7 Years Roadside Assistance and 7 Years Capped Price Servicing - because we think peace-of-mind is an important part of any vehicle purchase.

It's our show of commitment to you. Which shouldn't be surprising, especially since your All New Carnival already comes packed with the latest advanced automotive technology and is tuned specifically for Australian road conditions - so come and enjoy the journey with us.

## 7 Years Unlimited KM

Your All New Carnival comes with the assurance of Australia's First 7 Year Unlimited Kilometre Warranty. It's also uncapped - unlike offerings from other car brands, which cease to operate after you hit a certain mileage. We knew we had to go the extra mile, because a longer warranty is a better warranty.

## 7 Years Capped Price Servicing

At Kia we're always looking for ways to give you even more assurance. So not only do you know the maximum cost of your vehicle's next scheduled service upfront, but we've also extended our capped-price offering to 7 years. It means no unexpected surprises once the work has been done on your vehicle. It also means you can take your car to any authorised Kia Dealer in Australia and get the same deal.

## 7 Years Roadside Assist

Every Kia already comes supported by 12 months of complimentary Roadside Assistance. And because each vehicle we build is designed to keep going and going, it's easy to extend that complimentary coverage for up to 7 years. Simply return your vehicle to an authorised Kia Service Centre for each of its scheduled services, and you'll enjoy peace-of-mind for the long term.

## 7 Years Fully Transferable

Feel like upgrading before the 7 years is up? The good news is that the balance of all the above is fully transferable to the vehicle's new owner. So you can sell the car with the added value that peace-of-mind brings. All new Kia cars now come with a 7 year warranty!

Kia's unlimited km 7 year warranty. Note: 7 year/150,000km warranty for vehicles used for the following: rental vehicles, hire cars, taxis, courier vehicles, driving school vehicles, security vehicles, bus and tour vehicles.
