**SPORTAGE**

The Power to Surprise

Platinum model shown

# A More Rewarding Drive

Sharp, stylish and sophisticated, the Sportage lacks nothing in the looks department. But while standout style is what catches your eye when looking for a new vehicle, performance and efficiency are what really counts. As you'd expect, the Sportage also delivers these in spades.

And like all Kia's, the Sportage has been tested then tuned to Australian conditions by Australian specialists. This ensure dynamic road handling capabilities and a confidence inspiring drive when behind the wheel.

Platinum model shown

## A Real Head Turner

No matter which way you look at it, the Sportage features a stunning design that turns heads and will make friends and neighbours envious. Combining bold lines with dynamic proportions, the Sportage is not just about looking good, it's also about living up to expectations.

It doesn't stop at good looks. With a 5-star ANCAP safety rating, you can be sure that the Kia Sportage will protect your loved ones on the road.

Platinum model shown

## Impress and Stand Out

From every angle, the Sportage is stylish and sporty. The sharp, dynamic angle of the windscreen sweeps seamlessly into the roofline with its high shoulders, while the narrow 'glasshouse' creates a sports car-like ratio between sheet metal and glass. And, as the final showstopper, the reverse-angled C-pillar adds to its athletic profile.

Platinum model shown

# Enjoy the Journey

With its low entry height, getting in is easy for all passengers, and once inside you'll notice how clever ergonomic design and engineering has created spacious seating for five adults. There's loads of head and legroom, while premium materials and beautiful upholstery - including leather<sup>‡</sup> trim with a cloth insert (Si Premium & SLi) or complete leather<sup>‡</sup> trim (Platinum).

<sup>‡</sup> Leather trim includes some leather-like material on selected high impact surfaces.

Platinum model shown

# Feel at Home

When you're behind the wheel of an SUV, you want a commanding driving position that gives you a sense of safety, security and control. To help you experience this, the Sportage driver's cockpit has been designed around a sweeping dashboard and sporty three-gauge instrument panel.

Ample boot space ensures room for all of life's adventures (Platinum model shown).

# Intuitive Features

Platinum model shown

## 7" Touch Screen Satellite Navigation System with SUNA™

A 7" vivid colour touch screen satellite navigation system with SUNA™ live traffic updates (SLi and Platinum) will help get you to your destination faster.†

† The integration of the multimedia system will reduce some of the functions of the Bluetooth phone system.

\* Leather trim includes some leather-like material on selected high impact surfaces.

Platinum model shown

## Front and Rear heated seats

Heated leather\* trim seats provide warmth in cooler weather. (Platinum models only)

Si Premium model shown

## Rear-Camera View with Distance Guidelines

Monitor the space behind you as you navigate into tight spots or the driveway. (Except Si model)

Platinum model shown

## LED Daytime Running Lights (DRL)

LED daytime running lights look stunning, and also help improve safety by making you more visible to other drivers. (Except Si model)

## Panoramic Sunroof

Enjoy the extra feel of space and view that only a large panoramic sunroof can offer. (Platinum model only)

## Tuned for Australian Conditions

Like all Kia vehicles, the Sportage's ride and handling has been optimised by Kia's Australian engineers to suit local conditions. The result is a dynamically smooth ride backed with the on-road competence that you expect.

## Efficient Engines

### 2.0L Petrol Engine

A powerful 2.0 Litre four cylinder engine provides 122 kW of power with 205 Nm of torque.

### 2.0L Turbo Diesel Engine

An efficient yet strong 2.0 Litre four cylinder Turbo Diesel with 135 kW of power and 392 Nm of torque. (SLi and Platinum models only)

# Advanced Safety

## Electronic Stability Control (ESC)

Electronic Stability Control (ESC) improves stability in low-grip driving conditions.

## Brake Assist System (BAS)

Brake Assist System ensures that in the event of an emergency, the brakes are operating at full potential.

## Active AWD (All Wheel Drive) System

The available Active AWD drive system (SLi & Platinum models only) uses electronic sensors to monitor road conditions and then, for enhanced traction and control, helps to distribute power to the appropriate wheels.

## Six Airbag System + ANCAP 5 star safety

Protect you loved ones on the road with Kia's six airbag system and an ANCAP safety rating of 5-stars.
