\* Individual Manufacturer’s List Prices (MLP) of the factory fitted options quoted on this specification sheet separately include LCT. If the total price for the displayed vehicle (excluding statutory charges) is below the LCT threshold then LCT is not applicable and the price of factory fitted options will need to be recalculated excluding LCT. Please enquire at your authorised Audi dealer for further details. This is a manufacturer’s specification sheet and new vehicles must be purchased from authorised Audi dealers. Specifications are as planned from March 2016, model year 2016 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in anyway as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and prices. For individual prices please contact your local authorised Audi dealer.

1 Fuel consumption figures according to Australian Design Rule (ADR) 81/02. The driving style, road and traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.

2 Figures calculated on the basis of 18 inch wheels, and may vary on factors including but not limited to driving style, driving conditions and any options, accessories or equipment that may be fitted (including without limitation, wheel size fitted).

3 Figures calculated on the basis of 19 inch wheels, and may vary on factors including but not limited to driving style, driving conditions and any options, accessories or equipment that may be fitted (including without limitation, wheel size fitted).

4 Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the car’s unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly.

5 Requires folding mirrors 6XL.

6 Requires auto dimming interior mirror 4L6.

7 Certain sections of the leather appointed seat upholstery contain man-made material.

8 Please check with your Audi dealer for approved Bluetooth telephones that have been tested by Audi for compatibility.

9 Digital radio reception coverage dependent on vehicle location.

10 MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

11 SUNA™ live traffic update service is only available in metropolitan Sydney, Melbourne, Canberra, Brisbane, Gold Coast, Adelaide and Perth; it operates from information provided by Intelmatics Australia Pty. Ltd. and may not cover all road incidents and/or congestion. Refer to [www.sunatrafic.com.au](http://www.sunatrafic.com.au) for details.

Please refer to the corresponding A4 brochure for further specification details. Options described in the brochure may differ or may not be available for Australian vehicles. Please refer to your Audi dealer for up-to-date information. Vehicle pictured is an overseas A4 Sedan 2.0 TFSI quattro S tronic sport with optional metallic paint, S line sport package, assistance package tour, parking assistance package and Audi Matrix LED headlights.
