*Individual Manufacturer's List Prices (MLP) of the factory fitted options quoted on this specification sheet separately include LCT. If the total price for the displayed vehicle (excluding statutory charges) is below the LCT threshold then LCT is not applicable and the price of factory fitted options will need to be recalculated excluding LCT. Please enquire at your authorised Audi dealer for further details. This is a manufacturer's specification sheet and new vehicles must be purchased from authorised Audi dealers. Specifications are as planned from January 2016, model year 2016 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in anyway as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and prices. For individual prices please contact your local authorised Audi dealer.

- Fuel consumption figures according to Australian Design Rule (ADR) 81/02. The driving style, road and traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.
- Figures calculated on the basis of 19 inch wheels, and may vary on factors including but not limited to driving style, driving conditions and any options, accessories or equipment that may be fitted (including without limitation, wheel size fitted).
- Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of EU Directive 1230/2012. Optional equipment may increase the cars unladen weight and drag coefficient, whereupon the possible payload limit and the top speed will be reduced accordingly.
- Certain sections of the leather appointed seat upholstery contain man-made material.
- Please check with your Audi dealer for approved Bluetooth telephones that have been tested by Audi for compatibility and functionality.
- MMI Navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.
- SUNA™ live traffic update service is only available in metropolitan Sydney, Melbourne, Canberra, Brisbane, Gold Coast, Adelaide and Perth; it operates from information provided by Intelematics Australia Pty. Ltd. and may not cover all road incidents and/or congestion. Refer to www.sunattraffic.com.au for details.
- Digital radio and TV reception coverage dependent on vehicle location.

Please refer to the corresponding Q7 brochure for further specifications details. Options described in the brochure may differ or not be available for Australian vehicles. Please refer to your Audi dealer for up-to-date information. Vehicle pictured is an overseas Q7 3.0 TDI quattro 200kW with additional options of S line exterior package, Sepang blue metallic paint and LED headlights.
