A character trait in every detail.

Elegant sportiness is one of the basic features of the Audi A5 Coupé. But even an established character can be enhanced even further. Choose sports and design equipment from Audi Genuine Accessories, such as attractive cast aluminium wheels, impressive LED products or exclusive add-on parts made from carbon – for a striking and sporty look.

01 Cast aluminium winter wheels in 5-arm Ramus design

Make a glamorous appearance in Brilliant Silver (pictured on left) or make a striking impression with gloss Black (pictured on right). In size 8.5 J x 19. For 255/35 R 19 tyres. Not suitable for use with snow chains.

02 Audi Genuine tyres (not pictured)

Specially developed with the leading tyre manufacturers and adapted for each Audi model, using the very latest materials. Thanks to a testing process comprising of approx. 50 testing procedures, the standards applied during testing are considerably more stringent than the statutory regulations. In addition, when purchasing summer tyres or when fitting winter tyres, Audi Genuine tyres are able to ensure the usual Audi quality.

Sport and design

01 ▾

01 LED for entry area

For a bright entrance. Depending on the variant, either the quattro logo or the Audi rings are projected onto the ground by means of an LED light when the vehicle door is opened. Available in a two-part set for the driver and front-passenger side.

02 LED tail lights, clear glass

LED tail light set with dark-tinted interior. The lights are designed in clear plastic, emphasising the futuristic design of the lights even more. The light technology and light yield correspond to the high quality level of the standard tail lights.

01

01 Front spoiler with blade

The front spoiler is primed ex works; the inserts and blade are Matt Black. Can be painted in a colour from a wide selection, including the body colour of course, for an extra charge. Only available in conjunction with the tailgate spoiler.

02 Side sills

Accentuate the dynamic body contour and give the vehicle an individual look.

03 Tailgate spoiler

For even more dynamism at the rear: the securely installed tailgate spoiler.

02-05

04 Rear apron

The rear apron, for a sporty impression at the rear of the vehicle. An excellent addition to the side sills.

05 Decorative inlay for rear bumper

Creates an eye-catching look for the rear, lending the vehicle an even sportier line. Comes in Matt Black ex works.

06 Exterior mirror covers in Carbon

Dynamic and sporty: The exterior mirror covers in high-quality Carbon represent a visual highlight.

07 Tailgate spoiler in Carbon

For a sporty and particularly high-quality look at the rear of the vehicle. This spoiler offers good aerodynamics and signals pure power.

Discover the special features of the shape and function of the new roof boxes here. You can also visit: www.audi.com/luggagebox. Connection costs depend on your mobile contract.

A stylish way to create more space.

Have you got big plans for your Audi A5 Coupé? Then things are looking good for you. The transport solutions from Audi Genuine Accessories will enable you to extend the capacity of your vehicle while still remaining true to your way of life. After all, Audi designers helped develop these products with maximum attention to the aesthetic details. Hence luggage, skis or bicycles can be stowed very easily and be transported in style.

01 Carrier unit – Roof racks

Carrier unit for various roof rack modules, such as the bicycle rack, kayak rack or ski and luggage boxes. The profile is made from anodised aluminium. The carrier unit is easy to fit and is lockable. Maximum permissible gross weight of the carrier unit, roof rack modules and load: 50 kg.

02 Ski and luggage box

A new design from Audi featuring improved aerodynamics thanks to a flatter, sportier visual concept. Available in Platinum Grey with Brilliant Black side blades or gloss Brilliant Black, each featuring chrome Audi rings and a high-quality, rivet-free look. Boxes are lockable and can be opened from both sides for comfortable loading and unloading. With internal handle for closing the box. Simple quick-action securing system including torque limitation. Positioned towards the front of the vehicle, providing optimum access to the luggage compartment. Available in three sizes: 300L (not pictured), 360L (pictured on left) and 405L (pictured on right). Can only be used in conjunction with the carrier unit.

03 Bags for roof boxes (not pictured)

Robust yet flexible. These bags are equipped with a watertight floor featuring a watertight border extending 5 cm upwards. Ideal for making full use of the Audi roof boxes, as it is possible to use the individual bags in various combinations. Available in three sizes: S (43L), M (76L) and L (82L).

Transport

▲ 02

Transport

02

01 Trailer towing hitch^{1,2}

Detachable and lockable ball hitch. Includes a 13-pin socket, which is attached next to the ball hitch for easy access.

02 Ski and snowboard rack

To transport up to six pairs of skis or four snowboards easily. Lockable. Can only be used in conjunction with the carrier unit.

03 Ski bag (not pictured)

A convenient way to transport your skis. The ski bag with its premium design offers space for up to four pairs of skis or three snowboards and can be secured to the fastening rings in the luggage compartment via the integrated straps. The roller system makes it easy to carry the bag outside the vehicle.

¹Please note the information regarding the maximum permissible trailer load and the gross vehicle weight rating can be found in the vehicle service wallet.

²Please contact your Audi Dealer for availability.

05

05 Kayak rack

For single kayaks weighing up to 45 kg. Can be tilted for easy loading and unloading. The kayak rack and elasticated belt can be secured separately. Can only be used in conjunction with the carrier unit.

06 Bicycle rack (not pictured)

Bicycle rack made from a specially shaped aluminium profile and powder-coated steel. Ensures that the wheel can be mounted simply. Lockable. Maximum load capacity: 17 kg. Can only be used in conjunction with the carrier unit.

07 Bicycle fork mount

Easy to use. Lockable. Suitable for bicycles with quick-release front wheel. Can only be used in conjunction with the carrier unit.

07

Comfort and protection

Sit back and relax.

No signs of wear, just enthusiastic faces – the daily joy of driving the Audi A5 Coupé is evident from your face and not from your vehicle, thanks to the comfort and protection equipment from Audi Genuine Accessories. Place your trust in the wide range of products – from the all-weather floor mat and luggage compartment shell, to the range of car care products. You could hardly imagine a more relaxed start to a journey.

01 All-weather floor mats

Made-to-measure, durable and easy-to-clean all-weather floor mats with A5 lettering in contrasting colours. Help protect the vehicle interior from moisture and coarse dirt. Made from 100% recyclable plastic; perfectly tailored to the floor dimensions of your Audi A5. The floor mats are secured using the points provided for this purpose on the floor of the vehicle.

02 Premium textile floor mats

Tailored to the size of the floor in the Audi A5. Made from durable, tightly woven velour. With a special coating on the underside. The floor mats are always secured using the points provided for this purpose on the floor of the vehicle. With A5 lettering.

01

01 Luggage compartment shell

Made-to-measure luggage compartment protection. Robust and washable. All-round edging prevents liquids from leaking onto the luggage compartment floor.

02 Child seat underlay

Tailored to the design of the child seats as well as the interior of the vehicle. Car seats are protected against dirt and potential imprints made by the child seats. Includes two practical storage pockets. Fully compatible with most child seats, even where the ISOFIX base is used.

02

Comfort and protection

04

03

03 Sun protection system

Offers virtually full sun protection. Made-to-measure three-part set for the side and rear windows. Easy to fit and stow away.

04 Interior bags

Always leave a tidy impression. This could not be easier, thanks to the bags that can be fitted in the vehicle interior. The business bag (pictured at the top), rear seat bag (pictured in the middle), seat back pocket (pictured at the bottom) and other bags offer storage space wherever it is needed.

05 Mud flaps (not pictured)

Made from high-quality plastic. Prevent damage to paintwork and stop dirt from building up in the area around the sill panel and rear apron. Available as a two-part set for the front and/or rear of the vehicle.

Comfort and protection

01 Espresso mobile

With a pressure of 16 bar, the Espresso mobile delivers true espresso enjoyment, complete with authentic crema. The set includes 18 illy ESE pods, two break-proof espresso cups, a microfibre cloth and an elegant case. Connection via the cigarette lighter in the vehicle interior.

02 Loading sill protective sheet (not pictured)

The made-to-measure protective sheet for the loading sill, made from transparent film, enhances the level of protection for the bumper against damage when loading and unloading the luggage compartment.

01 ▼

03 Gecko air freshener

Attaches easily to the air vents and fills the vehicle interior with a pleasant fragrance. No risk of leakage because the gecko air freshener does not contain any liquid.

04 Care products

Tailored to the high-quality materials used to construct your Audi. Suitable for numerous applications, either in the vehicle interior or for outer care, depending on the product.

04 ▲

Communication

01 ▼

01 Wireless charging cover

Enables wireless charging of the iPhone 6 and 6s. To charge, simply place the wireless charging cover on a Qi-compatible charging station such as the Audi Phone Box. A lightning cable can also be used by removing the charging clip, with no need to remove the cover. The cover protects against scratches, shocks and dirt, and is certified according to Apple's iPhone guidelines (MFi).

02 USB adapter cables

Available in a range of versions, the spiral USB adapter cables with folding USB connector, enables various mobile phone models to be charged and connected to the Audi music interface. The devices can then be operated via the infotainment system.
