Safety	
Airbags including front airbags for driver and passenger, side airbags for front seats, head level curtain airbag for front and rear	●
Anti-theft alarm	●
Audi active lane assist – when activated helps the driver stay in lane by gentle corrective steering intervention and through steering vibration	●
Audi side assist – blind spot lane change warning as well as detecting vehicles approaching rapidly from behind at the side	●
Cross traffic assist rear – supports the driver when reversing out of a perpendicular parking space reducing the risk of accidents	●
Electronic stabilisation program (ESC)	●
Hold assist – holds the vehicle on gradients indefinitely to enable smooth driving	●

● = Standard | □ = Optional equipment | NCO = No cost option

# Figures according to ADR 81/02 derived from laboratory testing. Figures are on the basis of 19 inch wheels. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.
