

i30.

Exceptional standards.

We have one goal – to be Australia's most-loved car company.

And to get there, we're driven by a simple philosophy that life's most incredible moments shouldn't be reserved for a select few, and everyone should be able to experience an exciting and enjoyable drive.

So, how do we make that happen? We start by pushing our own boundaries, by making premium the new standard. And by engineering the most enjoyable ride possible.

Take the i30, one of Australia's most awarded small cars¹. Most companies would have sat back, put the awards on the mantelpiece and called that success. But we saw this as an opportunity to make this car even better. We reinvented it, delivering a stronger, lighter, stylish, more intelligent car.

You can be sure we've put it through its paces. With an extensive local development program, the i30 is perfectly suited to Australian conditions. European styling, Korean engineering and Australian testing – a global contribution to this local hero.

1. Australia's most awarded small car: Best Small Car under \$35,000 in 2015, 2013, 2012 and 2010. Best Mid-Sized Car under \$30,000 in 2009. Best Mid-Sized Car under \$28,000 in 2008.

Safety first, and always.

Safety should never be an afterthought, or an added extra. Which is why we won't settle for anything less than 7 airbags and a 5-star ANCAP rating.

The i30 has also been fitted with some of the most advanced safety features available, and the 53% ultra-high tensile steel chassis is a revelation. It uses almost twice as much ultra-high tensile steel as the previous model, boosting rigidity by 17%, making it the strongest i30 ever, without compromising on performance.

Rear view camera

7 airbags

The Elite, Premium, SR (DCT only) and SR Premium variants also feature a suite of intelligent safety technologies – Hyundai SmartSense™¹

Hyundai SmartSense™¹ technologies all have one thing in common – they've been developed to help alert you to (and avoid) any dangers around you.

From braking or reducing speed to maintain a safe distance from vehicles ahead, to helping you stay aware of what's happening in your blind spots, Hyundai SmartSense™¹ provides peace of mind for you, and for us.

Lane Keeping Assist System (LKAS)

The system will assist by applying steering input to help keep the vehicle between the lane markings. It's designed to prevent those moments when a lapse of concentration can cause the vehicle to stray outside the lane.

Blind Spot Detection (BSD)

When driving at a speed of 30km/h or higher, the BSD function will alert the driver to blind spot objects in close proximity, including during lane changes.

Autonomous Emergency Braking (AEB)

Combining radar and camera data, the AEB system autonomously activates the brakes when it detects dangerous and sudden braking by the car ahead or pedestrians on the road.

Smart Cruise Control (SCC)

Automatically maintains distance from the car ahead, up to a preset speed. Car comes to a complete stop and restarts in 3 seconds once the car in front departs.

¹ Hyundai SmartSense™ is a registered trademark of Hyundai Motor Company. Safety features are not a substitute for attentive driving. Not available on Active or manual SR variants.

Stunning to see. Thrilling to drive.

There's no denying it, the i30 looks good, thanks to its striking lines, headlights and cascading front grille.

But it's also a thrill to drive. Its performance is a testament to the work our designers and engineers put in every day in order to deliver a more enjoyable ride. And to put it simply, it's fun.

The i30 offers a choice of powerful engines, and three transmission options, 6-speed manual, 6-speed automatic or 7-speed dual clutch.

When you add all of this together, you'll find the i30 delivers a fuel-efficient ride¹ so comfortable you'd be forgiven for thinking you were on the track. It's smart too – gripping corners, responding to your slightest commands.

We've taken Hyundai's commitment to research and development one step further too, rigorously testing and optimising the i30 for Australian roads, thanks to our extensive local tuning program.

By recruiting the finest engineers and designers, and investing billions of dollars each year, we've made a firm commitment to the future of motoring in Australia and overseas.

Alloy wheels: 17" alloy wheels shown. Available on Elite and Premium variants only.

Beauty, on the inside.

The i30 is turning heads, in more ways than one.

When you see how far the reinvented i30 has come, you begin to realise how serious we are about offering premium as standard.

And you'll notice the difference the minute you get behind the wheel.

Take the full-length panoramic glass sunroof¹ for example. It gives you that extra look of luxury, connecting you with the outside from within.

Our multimedia system with touchscreen technology has been designed specifically for the i30, while heated and ventilated front seats², dual zone climate control³ and leather appointed⁴ interior completes the styling, giving the i30 an impressive edge over its competitors.

Heated and ventilated front seats²

Panoramic glass sunroof¹

8" touchscreen

Dual zone climate control³

1. **Panoramic glass sunroof:** Only available on Premium and SR Premium variants, and optional on Elite and SR variants at an additional cost. 2. **Heated and ventilated front seats:** Only available on Premium and SR Premium variants. 3. **Dual zone climate control:** Not available on Active variant. 4. **Leather appointed seats** means parts of the seats have a combination of genuine and artificial leather, but are not wholly leather. Not available on Active variant.

Forward thinking.

The i30 understands your desire to stay connected, which is why we have seamlessly integrated smartphones into the car.

Once your journey is under way, Apple CarPlay™¹ and Android™ Auto¹ lets you safely play music, make calls or get directions on the easy-to-use 8-inch touchscreen, which comes with Sat Nav as standard. While wireless smartphone charging² means you'll stay connected long after you get out of the car.

The i30 also recognises you (and your proximity smart key)³ before you get in. And once you're behind the wheel you still don't need to take your keys out, thanks to the push button start⁴.

Top: Electronic parking brake⁵
Bottom: Wireless smartphone charging²

Top: Push button start⁴
Bottom: 8" touchscreen with Sat Nav

1. Apple CarPlay™ functionality requires software update. Apple CarPlay™ requires iPhone 5s or subsequent model (lightning cable) in order to operate. Apple® and iPhone® are registered trademarks of Apple Inc. Android™ Auto requires a device with Android 5.0 operating system or subsequent version, and USB cable in order to operate. Android is a trademark of Google Inc. 2. Wireless smartphone charging: Requires Qi-enabled smartphone or adapter to operate. Not available on Active variant. 3. Proximity smart key: Not available on Active variant. 4. Push button start: Not available on Active variant. 5. Electronic parking brake: Not available on Active and SR (manual) variants.

SR. Performance unleashed.

You'll notice a difference the moment you get inside the i30 SR.

The sports steering wheel¹, gear knob¹, red stitched seats¹ and interior trim let you know you're about to drive a car that needs to be unleashed.

And speaking of unleashed, we've added paddle shifters² on the steering wheel so you'll feel completely connected to the engine, gearbox, and the road.

Our sport-tuned, independent multi-link rear suspension was developed specifically for Australian roads and delivers vastly improved handling for hugging corners.

The SR variants offer larger front brakes meaning improved stopping power, helping you prepare for corners. While the SR's 150 kW turbo charged engine will dare you to put your foot down as you come out of the bend. If you do, you'll notice an immediate response.

The i30 SR takes fun (and premium) to the next level.

Images shown feature SR and SR Premium variants. 1. Sports steering wheel, gear knob & red stitched seats: Available on SR and SR Premium variants only. 2. Paddle shifters: Only available with Dual Clutch transmission.

Variants.

Life is about choice – so we've created five different i30 variants that'll let you take to the road the way you want to.

Active.

Engine and transmission

2.0 litre petrol (manual & auto)
1.6 litre diesel (manual & DCT)

i30 Active

Key specifications:

Safety

- Electronic stability control (ESC) including: Anti-Lock Braking System (ABS), Brake Assist System (BAS), Electronic Brakeforce Distribution (EBD), Hill-start Assist Control (HAC), Traction Control System (TCS) and Vehicle Stability Management (VSM)
- 7 airbags
- Rear park assist sensors
- Rear view camera
- Tyre pressure monitoring system

Interior and technology

- 8" touchscreen with satellite navigation
- Apple CarPlay™¹ & Android™ Auto¹ compatibility
- SUNA™ Live Traffic Updates²
- Digital radio (DAB+)
- Bluetooth® connectivity³
- AUX/USB input with iPod® compatibility
- Cloth seats
- LED daytime running lamps
- 16" alloy wheels
- Rear fog lamps
- Automatic dusk sensing headlamps with escort and welcome function

Exterior and technology

- LED daytime running lamps
- 16" alloy wheels
- Rear fog lamps
- Automatic dusk sensing headlamps with escort and welcome function

8" touchscreen with Sat Nav

Style, your way.

Your new Hyundai should stand out. And because the i30 is intelligent, stylish and bold, we've developed an interior and exterior colour range that emphasises these qualities.

After all, everyone's different. From the colour of the paint, to the shade of the trim – this is your opportunity to complement your personality. This is the time to fit the i30 right into your everyday life.

1. All Hyundai Genuine Accessories are backed by a 5 year warranty if purchased at the time of a new Hyundai vehicle and fitted by an authorised Hyundai dealer. All Hyundai Genuine Accessories are subject to warranty conditions. See your nearest Hyundai dealer or visit our website at www.hyundai.com.au for full warranty terms and usage recommendations. 2. Auxiliary cable not suitable for Apple® devices. 3. iPad® is a registered trademark of Apple Inc. The iPad® holder has been designed to hold iPad® models 1, 2, 3, 4 or Air securely. To ensure occupants are protected in the event of a collision, the screen protector must be fitted to the iPad® when in use. iPad® not included. 4. Only suitable for use with a retractable seatbelt. 5. Mudflaps cannot be fitted in conjunction with a full bodykit or rear skirt. 6. Maximum ball download 75kg. Towing capacity 1300kg braked & 600kg unbraked. Towbar capacity subject to regulatory requirements, towbar design, vehicle design and towing equipment limitations. SR variants available late September 2017. 7. Load capacity = 75kg evenly distributed over 2 bars. Roof Racks should be removed when not in use. 8. Requires fitting of roof racks at additional cost. 9. Maximum loading of the roof pod must not exceed the maximum load capacity of your roof racks. Please refer to your specific roof racks for maximum load capacity. 10. Park Assist is designed as driver assist aid only and should not be used as a substitute for skilled driving and safe parking practices. While the Park Assist Sensors monitor objects on approach, there may be occasions where blind spots affect the sensitivity of the sensors and as a result, the area into which the vehicle is heading must be visually monitored by the driver at all times while parking.

Hyundai Auto Link.

Hyundai Auto Link is a new app that lets you stay connected with your i30. It works by using a pre-installed module to connect your car's computer to your mobile phone via Bluetooth®, keeping track of your car's performance and providing analytical information so you can get the most out of your car.

The app is a free download for your iOS and Android device!

Become a more economical driver.

- Tracks rapid acceleration and hard braking.
- Feeds back efficiency statistics on each trip.

Help us care for your car.

- Monitors your tyre pressure.
- Alerts you to any sign of faults.
- Access Hyundai Customer Care.
- Remote monitoring of your i30's health.
- Call Roadside Support.

For more information head to www.hyundai.com.au/owning/auto-link

i30.

Bluetooth® is a registered trademark of Bluetooth SIG, Inc. 1. Device compatibility list can be found at <https://www.hyundai.com.au/owning/auto-link>. Use and availability of the Hyundai Auto Link app may be subject to additional terms and conditions and fees as prescribed by your telecommunications service provider.

Relax, we'll take it from here.

There's a reason why our iCare program has won awards¹. We built iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car – not just as an “optional extra.”

Our five-year, unlimited kilometre warranty² means you've got the freedom to go ahead and drive without having to keep an eye on the odometer.

Imagine knowing the maximum price of your next scheduled service, before pulling into the service centre. That's the advantage of our Lifetime Service Plan³ – a clever Hyundai initiative that gives you transparency and peace of mind for the life of your car. No hidden fees and surprises.

And since every new Hyundai is built to the highest standards, we've got the confidence to offer comprehensive customer service without exception – or as we like to say, amazing as standard. And that includes 24/7 Roadside Support⁴ for ten years when you service with us.

iCare

1. 2015 Canstar Blue Innovation Excellence Awards (5 Stars). 2. **5 year/unlimited km warranty:** Applies to new passenger vehicles used for private/domestic purposes. Excludes vehicles used at any time for “commercial application” as defined in the vehicle warranty policy, for which a 5 year/130,000km (whichever occurs first) warranty applies. Refer to full warranty terms & conditions for details and exclusions. 3. **Lifetime Service Plan:** For the benefit of Hyundai owners, Hyundai provides online quotes which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at hyundai.com.au, apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai vehicles, for their lifetime. 4. **Roadside Support Plan:** Complimentary 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months from the date of a scheduled maintenance service at a participating authorised Hyundai dealer (unless vehicle is more than 108 months (9 years) from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months (10 years) from original new car sale date). **Sat Nav Update Plan:** Maximum number of 9 updates delivered on an annual cycle which must be undertaken within 10 years of the vehicle's purchase. Complimentary map updates apply only if the vehicle completes a scheduled service at a participating Hyundai dealer.

Big help, for little Aussies.

Every time a new car is sold at one of our Dealerships, both Hyundai and the Dealer will donate part of the sale price to Hyundai Help for Kids.™

Hyundai Help for Kids™ offers funding to child-focused organisations and charities working to improve the lives of children all over Australia – from supporting community initiatives, to providing much-needed medical equipment.

So when you buy a Hyundai, you're buying more than just a car. Together with Hyundai Help for Kids,™ you're empowering thousands of young Australians and giving them a better future.

Hyundai Help for Kids™ is a registered trademark of Hyundai Motor Company.

Australia, in our DNA.

We're one of the biggest car manufacturers in the world – and one of the fastest growing global car brands.

We're also the only car company in the world producing its own steel, because we know the best steel makes for the strongest cars.

That's why we source the majority of our high quality iron ore from right here, in Australia's backyard. So now, when you buy a new Hyundai, you know you're driving a car that's directly connected to home.
