

CX-3

ZOOM-ZOOM

IMAGINATION DRIVES US

Imagination is the world's most valuable resource. It's our window to the future, because if we can imagine it, we can create it. Mazda is built on a foundation of imagination and ingenuity. It's the fuel behind all we create and achieve. It has given us SKYACTIV TECHNOLOGY, 'KODO – Soul of Motion' design and countless successes that once existed only in someone's imagination. These pages show how imagination is an integral part of our innovative cars.

Akari in Soul Red Metallic and Meteor Grey Mica.

BE MOVED LIKE NEVER BEFORE

Never before has an SUV moved you like this. Enhanced capability and city-friendly size are delivered with the striking looks of KODO Design. Natural agility comes from SKYACTIV TECHNOLOGY, along with impressive fuel economy in either petrol or diesel. MZD Connect brings your online world along for the ride, while i-ACTIVSENSE integrates intelligent safety. Experience responsive handling in your choice of front or all-wheel drive. From urban action to exploring what's beyond, Mazda CX-3 gives you the looks and versatility to be moved like never before.

Akari in Meteor Grey Mica.

6 Akari in Soul Red Metallic.

SHAPED BY MOTION

Shaped by motion itself, Mazda CX-3 is the creation of 'KODO – Soul of Motion' design. KODO is inspired by the instant that energy bursts into motion. It's the powerful grace of an animal pouncing, or a human leaping into action. Balancing athletic presence, streamlined simplicity and elegant detail, Mazda CX-3 brings rare imagination to the small SUV.

魂動

KODO : SOUL of MOTION

STYLED TO IMPRESS

It's not just the dynamic exterior that will move you. Mazda CX-3's cabin is crafted to feel special, and equipped to impress. The cleanly-designed instrument cluster is thoughtfully positioned to maintain your focus on the drive, while your online world is seamlessly integrated to keep you connected. Sleek lines envelop you, forming a fresh, modern space. Each model is finished in inviting trim and crafted materials, with metallic highlights and details added for elegant effect. Enjoy an elevated driving position that gives you superior visibility. Select models feature MZD Connect, where you control your contacts, music, social networks and more from a central touch screen[§]

[§] Please check the compatibility of your Bluetooth® device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase, as not all devices operate correctly. Visit mazda.com.au/Bluetooth or consult your Mazda Dealer for further information.

[#] Leather interior includes some Maztex material on selected high-impact surfaces.

THE FREEDOM TO REALLY MOVE

Agile and spirited, Mazda CX-3 moves you like only a Mazda can. SKYACTIV TECHNOLOGY delivers performance with confident, responsive handling. Both the punchy 2.0 litre petrol and the keenly muscular 1.5 litre turbo diesel unleash responsive power and impressive fuel economy. Transmissions are sports-minded and refined in either automatic or manual. Mazda CX-3 offers front-wheel drive, or intelligent i-ACTIV AWD (all-wheel drive) that monitors and even predicts road conditions for maximum grip and performance. Enjoy a smooth ride as you carve through the city, or head for what's beyond.

EFFICIENCY THAT DOESN'T SACRIFICE EXCITEMENT

Mazda is committed to reducing the environmental impact of our vehicles, yet we'd never want to compromise the driving enjoyment that's core to our DNA. In answering this challenge we arrived at a breakthrough – SKYACTIV TECHNOLOGY. In every way imaginable, Mazda CX-3 has been created to unlock efficiency and unleash performance potential. From its lightweight body to advanced engines, we've examined every possibility for improvement. In both petrol and diesel, economy is boosted by i-stop. It cleverly saves fuel by turning off the engine when you come to a stop, staying perfectly poised for a quick restart.* Enjoy the drive even more with G-Vectoring Control, which improves handling for a smoother ride.

* Fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic, road conditions and how the vehicle is driven.

SKYACTIV-G 2.0L PETROL ENGINE

A new generation internal combustion engine generates more performance from less fuel. Precise multi-hole direct injection minimises fuel use. A unique piston design improves combustion to boost power and lower emissions. Reduced friction liberates extra power, while a 4-2-1 exhaust layout lifts efficiency. The 4-cylinder engine delivers a sporty 109kW of power and 192Nm of torque, using as little as 6.1 litres of fuel every 100km* (combined).

SKYACTIV-D 1.5L DIESEL ENGINE

A lower compression ratio than conventional diesels enables lighter construction. With reduced friction and inertia, sporty power flows right up to 5,500rpm. High-dispersion fuel injectors and variable valve lift optimise economy. Specially developed stepped pistons help the 4-cylinder engine produce 77kW and a muscular 270Nm of torque, using as little as 4.8 litres of fuel per 100km* (combined). A light, ultra-compact turbocharger boosts efficiency to help SKYACTIV-D meet Euro stage V emissions standards.

i-ACTIV AWD INTELLIGENT ALL-WHEEL DRIVE SYSTEM

The Mazda CX-3 offers an intelligent on-demand system that actively distributes torque under electronic control. i-ACTIV AWD sources information from 27 different sensors to predict changes in driving conditions, including road surface, weather, driver intentions and more. As a result it offers maximum grip and vehicle control just when you need it.

SKYACTIV-DRIVE AUTOMATIC TRANSMISSION & SKYACTIV-MT MANUAL TRANSMISSION

The 6-speed automatic transmission combines the best aspects of conventional automatic, continuously variable and dual clutch transmissions. It connects directly with the engine across a far wider range for increased fuel economy and more direct power delivery. The 6-speed SKYACTIV-MT manual transmission delivers accurate, sports car-style shifting through simplified design and a precision mechanism. More compact and lighter than previous Mazda transmissions, it significantly cuts friction to improve fuel economy.

SKYACTIV-BODY

New-generation design and materials maximise lightness while achieving high rigidity. Key joints are strengthened by advanced techniques that require no heavy reinforcement. High and ultra-high tensile steel cuts weight and boosts strength. Despite being light, Mazda CX-3 delivers exceptional collision protection.

SKYACTIV-CHASSIS

The sense of 'oneness' between car and driver is heightened through careful optimisation throughout. Agility and refinement are ensured by lightweight front strut and rear torsion beam suspension which employs firm bushings and precise geometry. Electric power-assisted steering delivers secure yet responsive handling, and also saves fuel.

STAY CONNECTED ON THE MOVE

Dash into the city or cruise the coast – Mazda CX-3 is geared to go. Hook up a compatible[§] smartphone and bring endless entertainment along for the ride. In Maxx and above, MZD Connect taps into your music and contacts, plus online content from Facebook to Twitter feeds and more. It even reads your texts and emails aloud. Everything is displayed on a centrally-located touch screen for maximum concentration on the road! Just as thoughtful is the multi-function commander, which allows control on the move with minimum distraction. Better still, you can drive menu choice, audio and navigation by voice.

[§] Please check the compatibility of your Bluetooth[®] device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase, as not all devices operate correctly. Visit mazda.com.au/Bluetooth or consult your Mazda Dealer for further information.

[†] Driver-assistance features do not replace the driver's judgement and are not to be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

FOLLOW ME

Satellite navigation incorporates spoken street names, advanced lane guidance and clear-to-read design. From Maxx up.

ENHANCED CONTROL

Multi-function commander falls to hand, helping you concentrate on driving while making infotainment selections. From Maxx up.

BE SURROUNDED BY CLEVER TECH

Mazda CX-3 keeps you plugged in and up to speed with cleverly integrated tech. Driving focus is sharpened by the full-colour Active Driving Display in sTouring and Akari. By putting key information such as current speed and navigation cues into your line of sight, your eyes remain on the road ahead! Every model includes hands-free Bluetooth® phone connectivity and music streaming, while USB ports keep devices playing and charging[§]. Choose 2.0 litre petrol power with automatic transmission and you can dial up the excitement. Flick into Sports mode and sprint through gears with more immediacy.

† Driver-assistance features do not replace the driver's judgement and are not to be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

§ Please check the compatibility of your Bluetooth® device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase, as not all devices operate correctly. Visit mazda.com.au/Bluetooth or consult your Mazda Dealer for further information.

SPORTING SPIRIT

Drive selection switch lets you flick the powertrain into sporting mode. Automatic 2.0 litre petrol models only.

WELL CONNECTED

Enjoy music via players or storage devices and charge compatible devices with the USB port. Auxiliary audio input also included. Twin USB ports in Maxx and above.

STYLE MADE VERSATILE

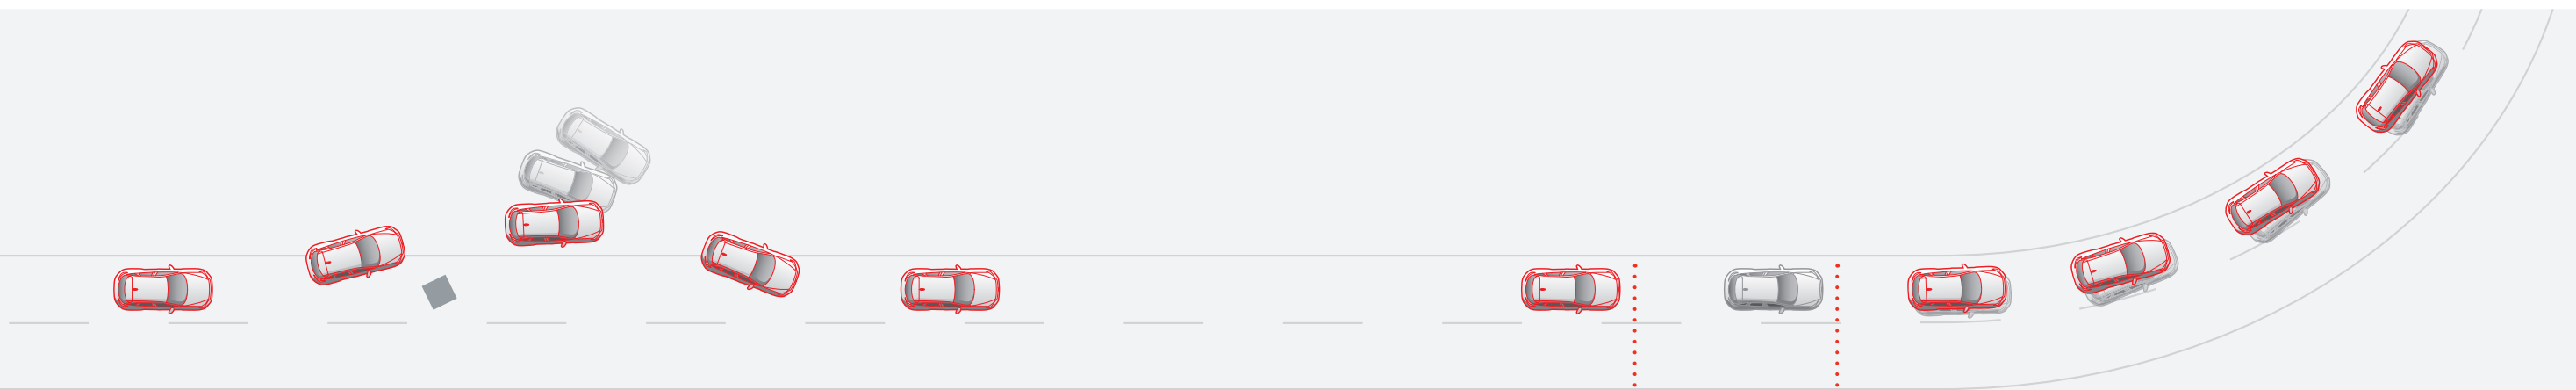

Comfortable, clever and capable, Mazda CX-3 features an intelligently designed, well-crafted cabin that adapts to your lifestyle. The rear seats split 60/40 to allow for large or awkwardly shaped items. Folding down both rear seats creates a large, virtually flat-floored space. A handy two-way floor lets you customise carrying capacity even more – hide a handy extra compartment inside, or lower it to expand the cargo bay. All your personal items have a place with plenty of useful storage.

CONFIDENCE-INSPIRING SAFETY

With sharp reflexes and an interior promoting driver concentration, Mazda CX-3 is well-armed to avoid potential trouble with its suite of state-of-the-art safety features. Collision protection is world-class, thanks to a highly rigid body integrating SRS airbags. A confident grip on the road is aided by Dynamic Stability Control (DSC) with Traction Control System (TCS). ABS brakes feature Electronic Brake-force Distribution (EBD) which matches braking to vehicle load, while Emergency Brake Assist (EBA) boosts stopping power when emergency braking is sensed. An Emergency Stop Signal (ESS) triggers the hazard lights to warn following drivers if you brake suddenly. When braking on an incline, Hill Launch Assist (HLA) ensures you get a smooth uphill takeoff on re-acceleration. Smart City Brake Support is now standard across the entire range, priming and even applying the brakes when a low-speed collision is deemed imminent. Mazda CX-3 is designed with safety in mind so you can enjoy its exciting abilities with confidence†

† i-ACTIVSENSE and other safety technologies are driver assist technologies only and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

Akari in Soul Red Metallic.

BE PREPARED FOR WHAT'S AROUND THE CORNER

Unexpected hazards are a part of life. Thankfully DSC acts instantly, braking the inner rear wheel to offset understeer (or outer front wheel to combat oversteer). The Traction Control System (TCS) also reduces torque to the driven wheels to minimise skidding. The hazard can be steered around, as control is maintained.

STOP WITH CONFIDENCE

Stopping distance with EBA, ABS and EBD.

Stopping distance with no assistance.

ENJOY THE RIDE

By finely controlling engine torque based on the steering and accelerator inputs of the driver, G-Vectoring Control (GVC) improves both handling for the driver and ride quality for the passengers around corners.

BLIND SPOT MONITORING (BSM)

By scanning external mirrors' blind spots, radars detect any unseen vehicles to alert the driver of hazardous lane changes. An LED icon on the relevant mirror is accompanied by beeping alerts. Standard on Maxx and above.

REAR CROSS TRAFFIC ALERT (RCTA)

RCTA assists you when you're reversing from a parking space, warning if a car is approaching from either side of your vehicle. The LED icon on both mirrors is accompanied by a beeping alert. Standard on Maxx and above.

SMART CITY BRAKE SUPPORT (SCBS)

At forward speeds of 4-80km/h SCBS monitors the vehicle or pedestrian in front to assess the likelihood of a collision. If a high risk is detected it issues visible and audio warnings and primes the brakes for a faster response. If the driver doesn't brake, SCBS brakes automatically.

ADAPTIVE LED HEADLAMPS (ALH)

Individual control of several LEDs allows precise adjustment of the lighting pattern. The system automatically broadens visibility at low speeds, shapes the high beam to help avoid dazzling other drivers and raises beam height at highway speeds to extend vision area. Standard on Akari.

DRIVER ATTENTION ALERT (DAA)

When speeds above 65km/h are sustained for longer periods, the system monitors driver inputs and provides a visual warning if it detects signs of fatigue. DAA also provides an alert when 2 hours have elapsed. Standard on sTouring and Akari.

LANE DEPARTURE WARNING (LDW)

LDW uses a windscreen-mounted camera to monitor road lane markings, sounding an audible warning if you're about to stray from your lane. Driver Attention Alert (DAA) is also integrated. Standard on Akari.

TRAFFIC SIGN RECOGNITION (TSR)

TSR detects a number of road signs which are in turn displayed on the vehicle's Active Driving Display. The types of signs that could be displayed to warn you include speed limit signs, "do not enter" signs and stop signs. Standard on sTouring and Akari.

Akari in Soul Red Metallic.

**i-ACTIVSENSE
INTUITIVE PROTECTION**

Mazda CX-3 protects you with impressive safety. With i-ACTIVSENSE advanced safety technologies, your sense of confidence grows even greater. These intelligent systems are designed to help you recognise potential hazards, avoid collisions and minimise the severity of accidents when they can't be avoided. Using radar, cameras, and driver warnings, i-ACTIVSENSE is like having extra senses looking out for you!

Neo in Snowflake White Pearl Mica.

NEO FEATURES

- » 16-inch steel wheels with 215/60 tyres
- » Exhaust extensions (chrome)
- » Headlamps (Halogen)
- » Power mirrors (body coloured with folding function)
- » Power windows
- » Rear spoiler
- » Wipers (front) 2-speed with variable intermittent function
- » Wiper (rear) with intermittent function
- » Front seats with: height adjustment and seat back pocket (passenger)
- » Rear seats with: 60/40 split fold backrest
- » Seat trim: Black/grey cloth
- » Air-conditioning
- » Cruise control
- » Tilt and telescopic adjustable steering wheel
- » Trip computer
- » Vanity mirrors (front)
- » Audio system with: AM/FM tuner and 4 speakers
- » Auxiliary-audio input jack (3.5mm mini-stereo)
- » Bluetooth® hands-free phone and audio capability
- » Steering wheel-mounted audio controls
- » USB-audio input port (iPod compatible)
- » Advanced keyless push-button engine start
- » Airbags SRS: front (driver and passenger), side (front) and curtain (front and rear)
- » Anti-lock Braking System (ABS)
- » Dynamic Stability Control (DSC)
- » Emergency Stop Signal (ESS)
- » Hill Launch Assist (HLA)
- » ISOFIX child restraint anchor points and top tethers
- » Parking sensors (rear)
- » Remote central locking (2 transmitters)
- » Traction Control System (TCS)
- » Smart City Brake Support [Forward/Reverse] (SCBS F/R)

POWERTRAIN

SKYACTIV-G

- » 2.0 litre in-line 4 cylinder 16 valve DOHC S-VT petrol engine with i-stop
- » Drivetrain: FWD
- » Fuel consumption (combined): 6.3L/100km* (FWD, man) or 6.1L/100km* (FWD, auto)
- » Max power: 109kW @ 6,000rpm
- » Max torque: 192Nm @ 2,800rpm
- » Transmission: 6-speed manual (SKYACTIV-MT) or 6-speed auto (SKYACTIV-Drive)

* Fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic, road conditions and how the vehicle is driven.

† Driver-assistance features do not replace the driver's judgement and are not to be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

‡ Please check the compatibility of your Bluetooth® device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase, as not all devices operate correctly. Visit mazda.com.au/Bluetooth or consult your Mazda Dealer for further information.

ALWAYS IN CONTROL

Smart City Brake Support uses vehicle and pedestrian recognition to help prevent or lessen low-speed collisions by applying the brakes if you don't!

PERFECT PARK

Parking sensors aid convenience and help prevent damage by sounding a warning when your car nears an obstacle!

FULL COMMAND

Make Bluetooth hands-free calls and program cruise control conveniently from the steering wheel!

WELL TAILORED

High-quality cloth and expert finishing make supportive seats even more inviting.

Maxx in Eternal Blue Mica.

MAXX FEATURES

ADDITIONAL TO NEO

- » 16-inch alloy wheels
- » Leather-wrapped: gear shift knob, handbrake handle and steering wheel
- » Overhead sunglass storage box
- » 7-inch full colour touch screen display (MZD Connect)
- » Audio system with: Digital radio (DAB+) and 6 speakers
- » Internet radio integration (Stitcher™ and Aha™)
- » Multi-function commander control
- » Radio Data System (RDS) program information
- » Satellite navigation
- » Blind Spot Monitoring (BSM)
- » Rear Cross Traffic Alert (RCTA)
- » Reverse camera

POWERTRAIN

SKYACTIV-G

- » 2.0 litre in-line 4 cylinder 16 valve DOHC S-VT petrol engine with i-stop
- » Drivetrain: FWD or i-ACTIV AWD
- » Fuel consumption (combined): 6.3L/100km* (FWD, man) or 6.1L/100km* (FWD, auto) or 6.7L/100km* (AWD, auto)

- » Max power: 109kW @ 6,000rpm
- » Max torque: 192Nm @ 2,800rpm
- » Transmission: 6-speed manual (SKYACTIV-MT) or 6-speed auto (SKYACTIV-Drive)

SKYACTIV-D

- » 1.5 litre in-line 4 cylinder 16 valve DOHC intercooled turbo diesel engine with i-stop
- » Drivetrain: FWD
- » Fuel consumption (combined): 4.8L/100km* (FWD, auto)
- » Max power: 77kW @ 4,000rpm
- » Max torque: 270Nm @ 1,600 - 2,500rpm
- » Transmission: 6-speed auto (SKYACTIV-Drive)

+ Driver-assistance features do not replace the driver's judgement and are not to be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

* Fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic, road conditions and how the vehicle is driven.

STREET PRESENCE

16-inch alloy wheels add to Mazda CX-3's sporting look and enhance handling.

PERSONAL INFOTAINMENT

MZD Connect links you to social networks, music and more. Sat Nav and other system information is accessible via 7-inch screen.

SAFELY SWITCH LANES

Blind Spot Monitoring warns of hazardous lane changes with LED icons and beeping alerts!

GOT YOUR BACK

Rear Cross Traffic Alert (RCTA) warns you of approaching cars from either side of your vehicle as you reverse!

sTouring in Ceramic Metallic.

STOURING FEATURES

ADDITIONAL TO MAXX

- » 18-inch alloy wheels with 215/50 tyres
- » Power mirrors (body coloured with heating and auto folding function)
- » Daytime running lamps (LED)
- » Front fog-lamps (LED)
- » Headlamps (LED)
- » Headlamps auto on/off function
- » Tail-lamps (LED)
- » Wipers (front) 2-speed with rain-sensing function
- » Seat trim: Black Maztex/grey cloth
- » Active Driving Display
- » Air-conditioning (climate control)
- » Advanced keyless entry
- » Driver Attention Alert (DAA)
- » Traffic Sign Recognition (TSR)

POWERTRAIN

SKYACTIV-G

- » 2.0 litre in-line 4 cylinder 16 valve DOHC S-VT petrol engine with i-stop

● = Standard, ○ = Option, – = Not available.

* Fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic, road conditions and how the vehicle is driven.

⌈ Kerb weight is the unladen weight of the vehicle, including all fluids and a full tank of fuel.

⌘ When fitted with a Mazda Genuine Towing kit. Subject to State and Territory regulations.

ENJOY MAZDA CX-3 WITH CONFIDENCE

REST ASSURED – YOUR WARRANTY

The quality built into Mazda CX-3 is backed up by a 3-year, unlimited kilometre factory warranty and 6-year panel protection warranty.

HELP IS AT HAND – MAZDA ROADSIDE ASSISTANCE

Flat batteries, running out of fuel, flat tyres – everyone faces hiccups from time to time. When the unexpected happens, Mazda Roadside Assistance is there to keep you moving. You'll be covered 24 hours a day, 365 days a year, all around Australia. Better still, your Mazda will only be worked on by Mazda-approved technicians. Choose a Standard policy offering everything needed to get going again, or Premium with extras like accommodation, a rental car and vehicle recovery. Either can be purchased across the entire Mazda range. (Terms and conditions apply.)

MAINTAIN THAT ZOOM-ZOOM

Your Mazda CX-3 deserves the best in care. Servicing with Mazda Service Select gives your car the advantage of factory trained Service Technicians and advanced computer diagnostic systems. As well as maintaining your Mazda in A1 condition, you'll also be protecting your vehicle's outstanding resale value.

Front mud guards
Front parking sensors
Headlight protectors
Roof racks
Slimline weathershields
Smoke bonnet protector
16-inch multi-spoke alloy wheels

sTouring Petrol AWD in Soul Red Metallic.

KAYAK HOLDER
The perfect solution for transporting your kayak or canoe.

BIKE RACK (WHEEL ON)
Bring your bike without having to remove a wheel.

BIKE RACK (WHEEL OFF)
Makes it easy to take your bike with you.

FEATURED HERE

- Alloy accelerator pedal
- Alloy brake pedal
- Alloy foot rest
- Floor mats
- Scuff plates
- Welcome illumination

FLOOR MATS

Protect your carpet with these high quality, tailor-made branded floor mats. Fastening system enhances safety.

ARMREST CONSOLE

Add extra comfort and extend storage space with this centre armrest. Features adjustable dividers, and lifts to allow access to items underneath.

FRONT SEAT COVERS

These durable, waterproof neoprene covers keep your seats free from dirt and grime, and offer full airbag compatibility.

REAR SEAT COVER

Guard against dirt, spills, damage and the effects of wear with this light weight, waterproof cover.

TOW BAR

1,200kg braked towing capacity for petrol and 800kg for diesel models with 50kg tow ball download limit (subject to State or Territory regulations). Detachable tongue hides tow bar once tow ball (sold separately) is removed.

REAR MUD GUARDS

Keep bodywork free of mud and road grime.

CARGO TRAY

Shield your cargo floor from dirt, scratches and liquids. This non-slip tray is tailor-fitted for superior convenience and performance.

CARGO ORGANISER BOX

Prevent items from sliding around in the cargo area. Features moveable internal dividers, detachable lids and a securable base.

16-INCH 7-SPOKE ALLOY WHEELS

A distinctive way to create an even more head-turning stance.

16-INCH MULTI-SPOKE ALLOY WHEELS

This sports design will add a highly dynamic look to your CX-3.

BOOT LIP PROTECTOR

Load and unload your CX-3 without worrying about marking its boot lip or rear bumper.

FRONT PARKING SENSORS

With front parking sensors sending you audio alerts when you get close to other obstructions, you'll always get your CX-3 into that space safely.

MIRROR INTEGRATED PARKING CAMERA

Park accurately with ease. Replacement rear view mirror integrates camera's image on 4.3" LCD, which activates as reverse is selected. Screen brightness automatically adjusts to ambient light. (Neo only)

REAR WINDOW SHADES

Protect your passengers and cargo from the sun's rays. Set covers both rear passenger windows.

SAFETY PACK

Attract attention in an emergency situation and warn of hazards with this safety kit featuring lights, reflective vest and triangular road sign.

AUDIO RETRACTABLE LIGHTNING CABLE

Charge your iPhone, stream music and search through your playlists using your vehicle's audio controls.

ALSO AVAILABLE

- Alloy brake & clutch pedal set
- Audio retractable micro USB cable
- Black wheel lock set
- Chrome wheel lock set
- Front under spoiler (black)
- Rear centre under spoiler (black)
- Retractable audio cable (3.5mm male-to-male)
- Side under spoiler (black)
- Tow ball
- Tow ball cover
