

CX-5

ZOOM-ZOOM

IMAGINATION DRIVES US

Imagination is the world's most valuable resource. It's our window to the future, because if we can imagine it, we can create it. Mazda is built on a foundation of imagination and ingenuity. It's the fuel behind all we create and achieve. It has given us SKYACTIV TECHNOLOGY, 'KODO - Soul of Motion' design and countless successes that once existed only in someone's imagination. These pages show how imagination is an integral part of our innovative cars.

MAZDA CX-5. IMAGINE BETTER

Next-Gen Mazda CX-5 takes the SUV to a new level of refinement and craftsmanship. A stunning new design, evolved SKYACTIV performance, impressive fuel efficiency plus the latest i-ACTIVSENSE safety all combine to deliver an SUV that's truly a class above.

魂動

KODO : SOUL of MOTION

Akera in Soul Red Crystal Metallic.

RENEWED. REFINED. PERFECTED

Speed and grace. A unique combination that defines the core of Next-Gen Mazda CX-5 design. Mazda's signature 'KODO - Soul of Motion' design philosophy has been evolved to represent a boldness, elegance and maturity that will set the standard for a new generation of SUVs.

Every element has been designed to work in harmony as well as please the eye. The new front grille, rear combination lamps and new alloy design, complement the flowing lines along the CX-5's profile. Together they represent a form and road stance that redefines modern SUV design.

Akera in Pure white leather.*

DESIGNED WITH DETAIL IN MIND

Next-Gen Mazda CX-5 is designed to capture the imagination of everyone on board. Comfort, technology and spaciousness meet quality finishes everywhere you turn.

The elegantly crafted cabin surrounds the driver with carefully positioned controls. The full-colour Active Driving Display means crucial driving information is right there in the driver's line of sight†

From the higher, more angled centre console to the redesigned instrument panel as well as the use of space and storage across front and rear rows, Next-Gen Mazda CX-5 is a triumph of design.

† Driver-assistance features do not replace the driver's judgement and are not to be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

Leather interior includes some Maztex material on selected high impact surfaces.

Akera in Soul Red Crystal Metallic.

IMAGINE BETTER PERFORMANCE

Next-Gen Mazda CX-5 represents the latest evolution of Mazda's breakthrough SKYACTIV technologies that have defined a thrilling new generation of Zoom-Zoom performance. Available in three engine types, you'll discover improved responsiveness on acceleration and enhanced fuel efficiency.

The addition of intelligent i-ACTIV AWD monitors and predicts road conditions so Next-Gen Mazda CX-5 can adjust its performance to deliver impressive real-world fuel efficiency and a superior drive every time.

You'll also experience a quieter ride than ever before thanks to a multitude of measures from aerodynamics to construction materials that all contribute to less road, tyre and wind noise.

PUSHING THE BOUNDARIES OF AN SUV

Next-Gen Mazda CX-5 represents breakthrough performance with efficiency that Mazda's SKYACTIV TECHNOLOGY is now famous for. A smooth ride and athletic responses are just the beginning. Both petrol and diesel engines offer plenty of torque using little fuel. Automatic and manual transmissions have been developed to increase responsiveness while all elements of the chassis - from brakes to suspension to steering - have been refined to provide a higher-quality ride that never compromises performance.

Next-Gen Mazda CX-5 now introduces SKYACTIV-VEHICLE DYNAMICS, a series of technologies that integrates control of the engine, transmission, chassis and body to enhance the sense of oneness between car and driver that we call Jinba Ittai.

All of this adds up to an exceptional ride that feels like it's been crafted just for you.

* Fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic, road conditions and how the vehicle is driven.

SKYACTIV-G 2.0 & 2.5L PETROL ENGINE

The SKYACTIV-G engines deliver impressive fuel economy along with powerful torque at low-to mid-range speeds. This combines with linear acceleration response and an exhilaratingly powerful feel, allowing you to enjoy a quality ride in all situations. The 2.0L delivers a sporty 114kW of power and 200Nm of torque, using only 6.9L of fuel every 100km*. The muscular 2.5L engine punches out 140kW and 251Nm, using just 7.5L every 100km*.

SKYACTIV-D 2.2L DIESEL ENGINE

The clean-running SKYACTIV-D 2.2L engine offers outstanding torque and exhilarating performance delivered right up to high engine speeds. The compression ratio of 14.0:1 is the lowest in the world for such an engine and means less friction and inertia for higher-revving and more exciting power. It also features a Natural Sound Smoother and Natural Sound Frequency Control, which reduces and suppresses knocking noise. It all adds to a smooth, quiet drive.

i-ACTIV AWD INTELLIGENT ALL-WHEEL DRIVE SYSTEM

Mazda's i-ACTIV AWD is a predictive, on-demand AWD system that anticipates front tyre slip and applies just enough torque to the rear wheels to prevent slipping from occurring. It does this via 27 sensors, which constantly monitor the road surface, outside conditions, driver operation and vehicle condition. Analysing this information 200 times per second, the system helps ensure a stress-free drive in a wide range of conditions.

SKYACTIV-MT MANUAL & SKYACTIV-DRIVE AUTOMATIC TRANSMISSION

The 6-speed manual transmission delivers precise, sports-car style shifting as well as enhanced operability. The 6-speed automatic transmission combines the best attributes of conventional automatic, continuously variable and dual clutch transmissions while a new gear shift control predicts operating intentions.

SKYACTIV-BODY

Mazda's SKYACTIV-BODY simultaneously achieves high levels of usually conflicting attributes such as collision safety, light weight and rigidity. The latest Computer Aided Engineering (CAE) analysis was used for efficient reinforcements, and ultra-high tensile steel has been adopted for lightness and strength meaning rigidity is increased by approximately 15.5%, reducing response delay of the body to steering operations.

SKYACTIV-CHASSIS

Every component has been designed to create an unrivalled sense of oneness between car and driver. The steering system's structure has been optimised to achieve both excellent vibration insulation and high rigidity. The suspension has been revised, millimetre by millimetre, to achieve a gentler and higher-quality ride. This improved suspension means the braking system has also evolved to achieve shorter braking distances with outstanding performance.

Akera in Pure white leather*.

ALWAYS INFORMED. ENDLESSLY ENTERTAINED

Next-Gen Mazda CX-5 represents the latest in connectivity and infotainment. Four USB ports are distributed throughout the cabin to accommodate all of your devices. Up front, MZD Connect allows you to safely access your compatible smartphone's contacts, social media and music[§].

Sat Nav guides you from a large, upright touchscreen controlled by a central dial (on Maxx Sport and above).

The exceptional 10-speaker Bose[®] system is integrated seamlessly throughout the interior (available on GT and above). Listen to music, radio and podcasts from a wide range of sources.

[§] Please check the compatibility of your Bluetooth[®] device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase, as not all devices operate correctly. Visit www.mazda.com.au/Bluetooth or consult your Mazda Dealer for further information.

14 # Leather interior includes some Maztex material on selected high impact surfaces.

Akera in Pure white leather.*

A BETTER RIDE IN EVERY SEAT

Next-Gen Mazda CX-5 is packed full of refinements throughout the cabin to improve the comfort and enjoyment of driver and passengers alike. Every control, panel and trim has been carefully crafted to enhance ambience. Quality materials are evident across the entire cabin, including the seats, which offer a greater level of support and comfort. Second row passengers will enjoy the reclining function, which can adapt to their optimum seating position.

The addition of air-vents in the second row means everyone on board will ride comfortably. Storage space has been carefully considered too. Nine separate storage compartments mean there is always room to bring more along, while the luggage compartment has increased capacity to fit more in than ever before. A power liftgate across higher-grade models has also been added for convenience. (Air-vents are available on Maxx Sport and above.)

* Leather interior includes some Maztex material on selected high impact surfaces.

SAFETY THAT'S READY FOR THE UNEXPECTED

A priority of every Next-Gen Mazda CX-5 is to maximise the safety of every passenger on board. Built with a rigid body cell, every grade comes equipped with SRS airbags and technology such as rear parking sensors, Dynamic Stability Control (DSC), Traction Control System (TCS), Emergency Brake Assist (EBA) and Electronic Brake-force Distribution (EBD) as standard†. You'll also appreciate the Auto Door Lock and Electric Park Brake with Auto-Hold, again available on every grade. Hill Launch Assist (HLA) adds even more confidence, helping you take off quickly and simply when stopped on an incline†.

† i-ACTIVSENSE and other safety technologies are driver assist technologies only and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

Akera in Soul Red Crystal Metallic.

BE PREPARED FOR WHAT'S AROUND THE CORNER

Unexpected hazards are a part of life. Thankfully DSC acts instantly, braking the inner rear wheel to offset understeer (or outer front wheel to combat oversteer). The Traction Control System (TCS) also reduces torque to the driven wheels to minimise skidding. The hazard can be steered around, as control is maintained.

STOP WITH CONFIDENCE

Stopping distance with EBA, ABS and EBD.

Stopping distance with no assistance.

ENJOY THE RIDE

By finely controlling engine torque based on the steering and accelerator inputs of the driver, G-Vectoring Control (GVC) improves both handling for the driver and ride quality for the passengers around corners.

i-ACTIVSENSE PEACE OF MIND THAT STAYS WITH YOU

Next-Gen Mazda CX-5 comes equipped with many of Mazda's i-ACTIVSENSE advanced safety technologies as standard. These technologies help assist the driver to avoid potential hazards, or help minimise damage as a result of unavoidable impact! Next-Gen Mazda CX-5 introduces Mazda Radar Cruise Control (MRCC) with Stop & Go function, which reduces the stress of negotiating heavy stop-start traffic. It also features Traffic Sign Recognition (TSR), keeping you even more informed about speed limits and road conditions! Safety features are dependent on grade.

† i-ACTIVSENSE and other safety technologies are driver assist technologies only and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

BLIND SPOT MONITORING (BSM)

By scanning external mirrors' blind spots, radars detect any unseen vehicles to alert the driver of hazardous lane changes. An LED icon on the relevant mirror is accompanied by beeping alerts.

REAR CROSS TRAFFIC ALERT (RCTA)

RCTA assists when you're reversing from a parking space, by warning if a car is approaching from either side of your vehicle. The LED icon on both mirrors is accompanied by a beeping alert.

SMART CITY BRAKE SUPPORT WITH PEDESTRIAN RECOGNITION (SCBS)

At forward speeds of 4-80km/h (and reverse speeds of 2-8km/h) SCBS monitors the vehicle or pedestrian in front to assess the likelihood of a collision. If a high risk is detected it issues visible and audio warnings and primes the brakes for a faster response. If the driver doesn't brake, SCBS brakes automatically.

MAZDA RADAR CRUISE CONTROL (MRCC) WITH STOP & GO FUNCTION

MRCC automatically adjusts vehicle speed to maintain a safe distance from the car ahead. It's able to bring the car to a complete stop in traffic and take off again once the traffic moves (if the stop is less than 3 seconds). If a complete stop exceeds three seconds, the car waits for the other driver to initiate acceleration.

ADAPTIVE LED HEADLAMPS (ALH)

Individual control of several LEDs allows precise adjustment of the lighting pattern. The system automatically broadens visibility at low speeds, shapes the high beam to help avoid dazzling other drivers and raises beam height at highway speeds to extend vision area.

TRAFFIC SIGN RECOGNITION (TSR)

TSR detects a number of road signs which are in turn displayed on the vehicle's Active Driving Display. The types of signs that could be displayed to warn you include speed limit signs, "do not enter" signs and stop signs.

LANE DEPARTURE WARNING (LDW) WITH LANE-KEEP ASSIST SYSTEM (LAS)

LDW uses a windscreen-mounted camera to monitor road lane markings, sounding an audible warning if you're about to stray from your lane. LAS will act if it determines the vehicle will leave its lane by applying a degree of corrective steering.

FORWARD OBSTRUCTION WARNING (FOW) WITH SMART BRAKE SUPPORT (SBS)

Operating at 15-145km/h, FOW monitors the distance to the vehicle in front and its speed. If it senses a collision is likely, audible and visual alerts prompt you to take evasive action. If SBS senses a high risk of impact it primes the brakes for faster response. If no evasive action is taken, it brakes for you.

Maxx in Sonic Silver Metallic.

MAXX FEATURES

- » 17-inch steel wheels with 225/65 tyres
- » Headlamps (LED)
- » Power mirrors (body coloured with electric folding)
- » Front seats with: height adjustment and seat-back pockets
- » Rear seats with: reclining function and 40/20/40 split-fold backrest
- » Seat trim: Black cloth
- » 7-inch full-colour touch screen display (MZD Connect)
- » Audio system with: AM/FM tuner, Digital radio (DAB+) and 6 speakers
- » Bluetooth® hands-free phone and audio capability[§]
- » Internet radio integration (Stitcher™ and Aha™)
- » Multi-function commander control
- » Advanced keyless push button engine start
- » Blind Spot Monitoring (BSM)
- » Parking sensors (rear)
- » Rear Cross Traffic Alert (RCTA)
- » Reverse camera
- » Smart City Brake Support [Forward/Reverse] (SCBS F/R)

POWERTRAIN

SKYACTIV-G

- » 2.0 litre in-line 4 cylinder 16 valve DOHC S-VT petrol engine with i-stop
- » Drivetrain: FWD
- » Fuel consumption (combined): 6.9L/100km*
- » Max power: 114kW @ 6,000rpm
- » Max torque: 200Nm @ 4,000rpm
- » Transmission: 6-speed manual (SKYACTIV-MT) or 6-speed auto (SKYACTIV-Drive)

SKYACTIV-G

- » 2.5 litre in-line 4 cylinder 16 valve DOHC S-VT petrol engine with i-stop
- » Drivetrain: i-ACTIV AWD
- » Fuel consumption (combined): 7.5L/100km*
- » Max power: 140kW @ 6,000rpm
- » Max torque: 251Nm @ 4,000rpm
- » Transmission: 6-speed auto (SKYACTIV-Drive)

[§] Please check the compatibility of your Bluetooth® device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase, as not all devices operate correctly. Visit www.mazda.com.au/Bluetooth or consult your Mazda Dealer for further information.

* Fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic, road conditions and how the vehicle is driven.

ADVANCED INFOTAINMENT

Just hook up your smartphone to access a wide range of content through MZD Connect. Enjoy music, Bluetooth and more[§]

LIGHT THE WAY

The sleek new LED Headlamps look great and help improve visibility when you're out and about.

KNOW WHAT'S BEHIND

Park your Mazda CX-5 with confidence thanks to rear parking sensors and a camera providing audio and visual guidance.

A QUALITY TOUCH

High-quality cloth adds to the comfort now offered by the new seat ergonomics and design.

CX-5
MAXX SPORT

Maxx Sport in Eternal Blue Mica.

MAXX SPORT FEATURES

ADDITIONAL TO MAXX

- » 17-inch alloy wheels
- » Front fog-lamps (LED)
- » Headlamps auto on/off
- » Wipers (front) 2-speed with rain-sensing function
- » Air-conditioning (dual-zone climate control)
- » Rear-view mirror with auto-dimming function
- » Rear seats: with centre armrest storage and USB charging ports
- » Satellite navigation

POWERTRAIN

SKYACTIV-G

- » 2.0 litre in-line 4 cylinder 16 valve DOHC S-VT petrol engine with i-stop
- » Drivetrain: FWD
- » Fuel consumption (combined): 6.9L/100km*
- » Max power: 114kW @ 6,000rpm
- » Max torque: 200Nm @ 4,000rpm
- » Transmission: 6-speed auto (SKYACTIV-Drive)

SKYACTIV-G

- » 2.5 litre in-line 4 cylinder 16 valve DOHC S-VT petrol engine with i-stop
- » Drivetrain: i-ACTIV AWD
- » Fuel consumption (combined): 7.5L/100km*
- » Max power: 140kW @ 6,000rpm
- » Max torque: 251Nm @ 4,000rpm
- » Transmission: 6-speed auto (SKYACTIV-Drive)

SKYACTIV-D

- » 2.2 litre in-line 4 cylinder 16 valve DOHC intercooled turbo diesel engine with i-stop
- » Drivetrain: i-ACTIV AWD
- » Fuel consumption (combined): 6.0L/100km*
- » Max power: 129kW @ 4,500rpm
- » Max torque: 420Nm @ 2,000rpm
- » Transmission: 6-speed auto (SKYACTIV-Drive)

SPORTY STYLE

The 17-inch alloy wheels are designed to maximise handling while looking great on the road.

GET THERE EVERY TIME

Enjoy Satellite Navigation that's clear and easy to use with the 7-inch colour screen. Features spoken street names and advanced lane guidance.

GET COMFORTABLE

Dual-zone climate control offers both driver and passenger just the right temperature - even if it's not the same.

LET IT DO THE WORK

Auto wipers and headlamps mean when sudden changes of road conditions happen, you'll be prepared in an instant.

* Fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic, road conditions and how the vehicle is driven.

CX-5 TOURING

Touring in Snowflake White Pearl Mica.

TOURING FEATURES

ADDITIONAL TO MAXX SPORT

- » Power mirrors (body coloured with heating and auto-folding function)
- » Active Driving Display (flip-up)
- » Seat trim: Black Maztex/black suede
- » Advanced keyless entry
- » Parking sensors (front)
- » Traffic Sign Recognition (TSR)[†]

POWERTRAIN

EYES ON THE ROAD

The full-colour Active Driving Display projects key information into your line of sight. Includes new Traffic Sign Recognition to keep you on track!

A LITTLE LUXURY

A premium suede finish is complemented by Maztex for a soft, more luxurious feel.

GET SMART

Smart keyless entry means you can have your hands full and still gain entry to your pride and joy.

GET AHEAD IN SAFETY

Front parking sensors means you'll always know what's ahead. Perfect for getting in and out of tight spaces.

CX-5

GT

GT in Machine Grey Metallic.

GT FEATURES

ADDITIONAL TO TOURING

- » 19-inch alloy wheels with 225/55 tyres
- » Adaptive Front-lighting System (AFS)[†]
- » Power-sliding and tilt-glass sunroof
- » Remote-operated power tailgate (open/close)
- » Front seats with 2-position memory function (driver), 6-way power adjustment (passenger), 10-way power adjustment (driver) and heating function

- » Active Driving Display (windscreen)[†]
- » Seat trim: Black leather or Pure white leather[#]
- » Premium Bose[®] 249-watt amplifier and 10 speakers (including subwoofer)

POWERTRAIN

● = Standard, ○ = Option, - = Not available.

* Fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic, road conditions and how the vehicle is driven.

[†] Kerb weight is the unladen weight of the vehicle, including all fluids and a full tank of fuel.

[‡] When fitted with a Mazda Genuine Towing kit. Subject to State and Territory regulations.

ENJOY MAZDA CX-5 WITH CONFIDENCE

REST ASSURED – YOUR WARRANTY

The quality built into Mazda CX-5 is backed up by a 3-year, unlimited-kilometre factory warranty and 6-year panel protection warranty.

MAINTAIN THAT ZOOM-ZOOM

Your Mazda CX-5 deserves the best in care. Servicing with Mazda Service Select gives your car the advantage of factory trained Service Technicians and advanced computer diagnostic systems. As well as maintaining your Mazda in A1 condition, you'll also be protecting your vehicle's outstanding resale value.

HELP IS AT HAND – MAZDA ROADSIDE ASSISTANCE

Flat batteries, running out of fuel, flat tyres – everyone faces hiccups from time to time. When the unexpected happens, Mazda Roadside Assistance is there to keep you moving. You'll be covered 24 hours a day, 365 days a year, all around Australia. Better still, your Mazda will only be worked on by Mazda-approved technicians. Choose a Standard policy offering everything needed to get going again, or Premium with extras like accommodation, a rental car and vehicle recovery. Either can be purchased across the entire Mazda range. (Terms and conditions apply.)

- Slimline weathershields
- 19-inch gloss black alloy wheels

Akera in Soul Red Crystal Metallic.

KAYAK HOLDER
The convenient way to transport kayaks or canoes.

BIKE RACK (WHEEL ON)
Transport your bike without the inconvenience of removing a wheel.

BIKE RACK (WHEEL OFF)
Make it easy to take your bike along for the ride.

MOBILE PHONE HOLDER

Safe, stylish and compatible with many popular phones, this gives drivers easy phone visibility and access. Allows portrait or landscape use. (Coming soon!)

REAR SEAT ENTERTAINMENT HOLDER FOR iPad®

Keep rear seat passengers entertained with this convenient holder for your iPad®

TOW BAR KIT

Designed specifically for your CX-5 with a powerful 1800kg towing capacity & 150kg tow ball download capacity. Detachable tongue kit makes towbar invisible once removed.

*When fitted with a Mazda Genuine Towing kit. Subject to State and Territory regulations.

BOOT LIP PROTECTOR

Protect your rear bumper and boot lip from scratches and scuffs during loading and unloading.

CARGO NET AND CARGO ILLUMINATION

Mazda Genuine Cargo Lighting allows for a clearer view of your vehicles load compartment with additional LED lights. The cargo net helps prevent items sliding into the second row. (Items sold separately)

BONNET PROTECTOR (SMOKE)

Protect your car against damage from stones and other debris.

FRONT PARKING SENSORS

Take the guesswork out of parking with audio alerts advising the distance between your CX-5 and objects to the front. (Maxx and Maxx Sport models only)

CARGO ORGANISER BOX

Prevent items from sliding around in the cargo area. Features moveable internal dividers, detachable lids and securable base.

CARGO TRAY

A tailor-fitted non-slip tray that guards against scratches, dirt and water.

RUBBER FLOOR MATS

Protect your carpet with these hard-wearing, high-quality branded floor mats. Fastening system enhances safety.

CARPET FLOOR MATS

Protect your carpet with these high-quality, tailor-made floor mats. Fastening system enhances safety.

SAT NAV

Sat Nav directs you to your destination with ease. Features appear on a 7-inch display. (Maxx only)

REAR WINDOW SHADES

Protect passengers and cargo from the sun. The set covers both passenger windows.

ILLUMINATED SCUFF PLATES

Protect the inside of your doors with these practical scuff plates. Illuminated to add a stylish, personal touch. (Coming soon!)

WELCOME ILLUMINATION

Welcome lighting radiates soft blue illumination from both foot wells.

19-INCH GLOSS BLACK ALLOY WHEELS

A new design offering a bold, strong street presence that's sure to turn heads. (Coming soon[†])

FRONT SEAT COVERS

Durable, waterproof neoprene protects against dirt and grime. Airbag compatible.

17-INCH SATIN BLACK ALLOY WHEELS

Give your CX-5 a personal touch with specially designed alloys that are both bold and stylish.

17-INCH SILVER ALLOY WHEELS

A timeless classic that complements the sleek new exterior design.

ALSO AVAILABLE

- Alloy accelerator pedal
- Alloy brake pedal
- Alloy brake & clutch pedal set
- Alloy foot rest
- Collapsible sun screen
- Rear bumper step plate (coming soon[†])
- Rear seat covers (coming soon[†])
- Retractable AUX cable
- Retractable USB cable
- Retractable USB to micro USB
- Retractable USB to lightning cable
