● = Standard | — = Not available | □ = Optional equipment

Figures are calculated on the basis of 17 inch wheels.

△ Figures are calculated on the basis of 18 inch wheels.

△ Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted (including without limitation, wheel size fitted), will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

1 Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of EC Directive 1230/2012. Optional equipment may increase the cars unladen weight and drag coefficient, whereupon the possible payload limit and the top speed will be reduced accordingly.

2 MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

3 Please check with your Audi dealer approved Bluetooth telephones that have been tested by Audi for compatibility.

4 Please note Audi music interface (AMI) connector cables must be purchased separately through Audi Genuine Accessories.

5 Digital radio reception coverage dependent on vehicle location. Can only be ordered in conjunction with MMI navigation plus.

6 Certain sections of the leather appointed seat upholstery contain man-made material.

Vehicle pictured is an overseas Q3 2.0 TFSI Sport with the additional options of metallic paint and LED headlights with LED rear lights with dynamic indicators.
