Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Figures are on the basis of 19 inch wheels. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted (including without limitation, wheel size fitted), will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

1 Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of EU Directive 1230/2012. Optional equipment may increase the cars unladen weight and drag coefficient, whereupon the possible payload limit and the top speed will be reduced accordingly.

2 Tow bar tongue kit required to be purchased via Audi Genuine Accessories.

3 Certain sections of the leather appointed seat upholstery contain man-made material.

4 Audi connect allows access to selected Google services. Audi Australia cannot guarantee permanent availability and/or service longevity of Audi connect services provided by or via a third party.

5 Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility and functionality.

6 Digital radio and TV reception coverage dependent on vehicle location.

7 MMI Navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

8 SUNA™ live traffic update service is only available in selected metropolitan areas. It operates from information provided by Intelematics Australia Pty. Ltd. and may not cover all road incidents and/or congestion. Refer to www.sunattraffic.com.au for details.

Vehicle pictured is a Q7 3.0 TDI quattro 200kW overseas model with optional equipment. Contact your Audi partner for details about costs and availability.
