- ▶ 5 navigation map updates (at 6 monthly intervals)
- ▶ Live traffic updates⁵
- ▶ MMI radio and DVD / CD Player
- ▶ 2 SD card readers and 10 GB flash memory for media storage

● = Standard | □ = Optional equipment | – = Not available | NCO = No cost option

1 Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the car’s unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly.

2 Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility.

3 Digital radio reception coverage dependent on vehicle location.

4 MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

5 SUNA™ live traffic update service is only available in selected metropolitan areas. It operates from information provided by Intelematics Australia Pty. Ltd. and may not cover all road incidents and / or congestion. Refer to www.sunattraffic.com.au for details.

Vehicle pictured is an overseas R8 Coupé V10 plus with the additional options of LED headlights with Audi laser light and dynamic indicators at rear, exterior mirrors in Audi exclusive gloss carbon and 19” forged aluminium wheels in 5-twin-spoke design, matt titanium look.
