▲ Figures are calculated on the basis of 19 inch wheels.

#▲ Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted (including without limitation, wheel size fitted), will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

1 Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the cars unladen weight and drag coefficient, whereupon the possible payload limit and the top speed will be reduced accordingly.

2 Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility.

3 Digital radio reception coverage dependent on vehicle location, requires MMI navigation plus.

4 MMI navigation plus functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

5 SUNA™ live traffic update service is only available in selected metropolitan areas. It operates from information provided by Intelematics Australia Pty. Ltd. and may not cover all road incidents and/or congestion. Refer to www.sunatrafic.com.au for details.

Vehicle pictured is an overseas TT Coupé 2.0 TFSI quattro S tronic S line with the additional options of metallic paint, Audi side assist and Audi Matrix LED headlights including LED daytime driving lights, dynamic front and rear indicators, all-weather lights, motorway light function and LED rear lights.
