Audi TTS Coupé and Roadster Australian Specifications

Technical Data

	TTS Coupé	TTS Roadster
Engine Type	4-cylinder petrol with direct and indirect fuel injection, turbo-charging and Audi valvelift	4-cylinder petrol with direct and indirect fuel injection, turbo-charging and Audi valvelift
Capacity (cc)	1,984	1,984
Power (kW/rpm)	210 / 5,300 – 6,200	210 / 5,300 – 6,200
Torque (Nm/rpm)	380 / 1,800 – 5,200	380 / 1,800 – 5,200
Transmission		
6 speed S tronic	●	●
Acceleration (seconds) 0-100km/h	4.7	5.0
Top speed (km/h)	250	250
Driveline		
quattro	●	●
Start-Stop system	●	●
Fuel Consumption (combined)*		
Litres per 100km	7.0	7.2
CO ₂ emissions grams per km	162	166
Weight		
Unladen weight in kg ¹	1,460	1,575
Gross vehicle weight in kg	1,785	1,820
Safety		
Airbags – front airbags for driver and passenger, side airbags for driver and front passenger (with head / thorax protection for TTS Roadster), head airbags (TTS Coupé only)	●	●

Electromechanical parking brake	●	●
Hold assist – holds the vehicle on gradients as long as necessary to enable smooth driving in traffic	●	●
Tyre pressure loss indicator	●	●
Progressive steering – electromechanical with variable ratio based on steering angle for enhanced driving dynamics and reduced steering effort when manoeuvring	●	●

● = Standard | – = Not available | □ = Optional equipment

* Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Figures are calculated on the basis of 19 inch wheels. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted (including without limitation, wheel size fitted), will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

Packages

	Option Code	TTS Coupé	TTS Roadster

Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Figures are on the basis of 19 inch wheels. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted (including without limitation, wheel size fitted), will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

1 Unladen vehicle weight includes driver (75 kg) and fuel tank 90% full, calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the cars unladen weight and drag coefficient, whereupon the possible payload limit and the top speed will be reduced accordingly.

2 Please check with your Audi dealer or visit www.audi.com/mp3 for information on compatible media players.

3 Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility.

4 Digital radio reception coverage dependent on vehicle location.

5 MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

6 SUNA™ live traffic update service is only available in selected metropolitan areas. It operates from information provided by Intellematics Australia Pty. Ltd. and may not cover all road incidents and/or congestion. Refer to www.sunatraffic.com.au for details.

Please refer to your Audi dealer for up-to-date information. Vehicle pictured is an overseas TTS Coupé with the additional options of metallic paint and Audi matrix LED headlights.
