

Elantra.

Exceptional standards.

We have one goal – to be Australia's most loved car company.

And to get there, we're driven by a simple philosophy that life's most incredible moments shouldn't be reserved for a select few. Everyone should be able to experience an exciting and enjoyable drive.

So how do we make that happen? We start by pushing our own boundaries, by making premium the new standard. And by engineering the most enjoyable ride possible.

Take the Elantra – Hyundai's visionary take on the classic sedan. From design to technology, safety to performance, this small sedan is packed with features perfect for those looking for sophistication and practicality. This is our beautiful obsession.

You can be sure we've put it through its paces. With an extensive local development program, the Elantra is perfectly suited to Australian conditions. European styling, Korean engineering and Australian testing – a global contribution to this local hero.

Elantra.

Safety first, and always.

Safety comes standard in the Elantra. Hyundai's engineers have produced a vehicle that is tough, safe and built to last.

With a stronger chassis than the previous model, and 53% ultra-high strength steel, rear view camera as standard, six airbags and a 5-star ANCAP rating – the Elantra is constantly working to create a safer ride.

The Elantra SR Turbo also features Hyundai SmartSense™¹ active safety technologies including:

Blind Spot Detection: When driving at a speed of 30km/h or higher, the BSD function will alert the driver to vehicles that enter the blind spot, including during lane changes.

Lane Change Assist: The LCA system provides a visual warning when radars detect a vehicle that is approaching rapidly from the rear. When the turn signal is being used, a flashing warning as well as an audible alert notifies the driver of the potential hazard.

Rear Cross Traffic Alert: When reversing at a low speed, objects approaching on the left and right sides of the vehicle are detected and an alert is given to safely navigate a potentially dangerous situation.

² Front park assist sensors: Only available on SR Turbo variant.

Hyundai SmartSense™
Blind Spot Detection

Power meets class.

With sleek lines, fluid curves, a wide mouth front grille, alloy wheels and sweeping headlights, the Elantra remains elegant, practical and perfectly in tune with its surroundings, no matter where the road takes you.

The Elantra is also a natural performer. Side air ducts tucked into the front corners improve aerodynamics, reduce drag, and help improve fuel efficiency.

Combine that with your choice of the 2.0L (112 kW) petrol¹ or the meticulously engineered 1.6L (150 kW) turbo petrol² engine – and you've got a car.

Elantra.

Beauty, on the inside.

The well-appointed interior is packed with luxurious and practical features, and yet is still surprisingly spacious.

The Elantra isn't only for drivers but for your passengers too – it offers more than just leather seats. Rear cooling/heating air vents¹ have been installed at the back of the centre console so your passengers can find comfort throughout the entire car.

From steering wheel controls at your fingertips to the spacious boot, the Elantra perfectly introduces what a comfortable and ergonomically functional interior should be.

Spacious boot

Steering wheel controls²

Rear cooling/heating vents¹

7" touchscreen

¹ Rear cooling/heating vents: Not available on Active variant. ² Steering wheel controls: Phone controls are only available on SR Turbo variant.

Forward thinking.

The Elantra is actively intelligent.

Your 7" touchscreen multimedia system will help you stay connected without distractions to your driving. You can get directions, make calls and play your favourite tunes with ease using Apple CarPlay™ or Android™ Auto¹.

We've also made sure your passengers are comfortable with heated front seats² and the dual zone climate control system³, where you and your front passenger can create your own microclimates.

By increasing comfort and helping you stay connected while on the move, the Elantra delivers a smarter and more enjoyable everyday drive.

Android is a trademark of Google Inc. 2. Heated front seats: Only available on SR Turbo variant. 3. Dual zone climate control: Not available on Active variant. 4. Push button start: Not available on Active variant.

SR Turbo. Performance unleashed.

The Elantra SR Turbo will appeal to those looking for a bit more excitement in their everyday. We've designed a sedan to stand out from the crowd – one that has a bespoke sports suspension, exclusive for the SR Turbo.

With its 1.6 litre 150 kW turbo charged engine and multi-link independent rear suspension, you'll also be impressed by its aggressive sports body kit. The ultimate driving experience isn't complete without an interior that combines sport and functionality. This includes a sports flat-bottomed steering wheel, bigger front brakes, front sport bucket seats and leather appointed seats¹ with red stitching.

Safety features are not a substitute for attentive driving.

Elantra.

Style, your way.

Your new Hyundai should stand out. That's why we've developed an interior and exterior colour range that highlights the qualities of the Elantra: charm, elegance and sophistication.

After all, everyone's different. From the colour of the paint to the shade of the trim, this is your opportunity to complement your personality. This is the time to fit the Elantra right into your everyday life.

1. All Hyundai Genuine Accessories are backed by a 5 year warranty if purchased at the time of a new Hyundai vehicle and fitted by an authorised Hyundai dealer. All Hyundai Genuine Accessories are subject to warranty conditions. See your nearest Hyundai dealer or visit our website at www.hyundai.com.au for full warranty terms and usage recommendations. 2. Auxiliary cable not suitable for Apple® devices. 3. iPad® is a registered trademark of Apple Inc. The iPad® holder has been designed to hold iPad® 1, 2, 3, 4 & iPad Air securely. To ensure occupants are protected in the event of a collision, the screen protector must be fitted to the iPad® when in use. iPad® not included. 4. 12 volt 15 litre. Only suitable for use with retractable seatbelt. 5. Mudflaps cannot be fitted in conjunction with a full bodyskirt or rear skirt. 6. Maximum ball download 75kg. Towing capacity Petrol Auto & Manual = 1200kg braked. Towing capacity Auto (DCT) = 1100kg Braked; 600kg unbraked all models. Towbar capacity subject to regulatory requirements, towbar design, vehicle design and towing equipment limitations. 7. Tyres are not warranted by Hyundai under the Genuine Accessories Warranty, but may be covered by any express warranties of their respective manufacturers or suppliers. 8. Load capacity = 65kg evenly distributed across 2 bars. Roof racks should be removed when not in use. 9. Requires fitment of Whispbar™ quiet roof rack at additional cost. 10. Maximum loading of the roof pod must not exceed the maximum load capacity of your roof racks. Please refer to your specific roof racks for maximum load capacity. 11. Park assist is designed as driver assist aid only and should not be used as a substitute for skilled driving and safe parking practices (sensors do not pick up objects directly in front of the vehicle). While the park assist sensors monitor objects on approach, there may be occasions where blind spots affect the sensitivity of the sensors and as a result the area into which the vehicle is heading must be visually monitored by the driver at all times while parking.

CarPlan. The smarter way to finance your new Hyundai.

Life's full of surprises and while you won't always know what's around the next corner, with Hyundai CarPlan™ you'll always have the right car for the journey there. It's a smart and flexible way to have the vehicle that's perfect for you, even as your lifestyle changes.

Hyundai CarPlan™ has been developed by Hyundai Finance™ to provide flexibility at the end of your finance contract, letting you enjoy the new Hyundai experience again and again. At the end of your finance contract you can pay any amounts owing on your finance contract to keep your Hyundai or trade it in at your preferred Hyundai dealer to step into the latest Hyundai model and continue your journey with us. The choice is yours.

In a nutshell.

1. Choose your Hyundai model

Visit a participating Hyundai Dealer and select an eligible new or demonstrator Hyundai¹ that best suits your lifestyle.

2. Choose an eligible finance solution

You can choose your desired finance contract term of 36 or 48 months and the kilometres you intend to travel up to a maximum of 25,000 per year.

Our fixed rate loans are available with or without a deposit – whichever suits you.²

3. We'll then tell you:

- How much your regular payments will be over the finance contract term.³
- The Guaranteed Trade in Value for your new Hyundai. The Guaranteed Trade in Value is the value of your new Hyundai at the end of your finance contract as determined by Hyundai Finance™, subject to Fair Wear and Tear conditions and agreed kilometres not being exceeded.
- We'll also give you a copy of the Fair Wear & Tear Guidelines, setting out the condition requirements you'll need to maintain over the finance contract term to avoid any adjustments to your Guaranteed Trade in Value under the GTV terms.⁴

It's all about choice.

We know that everyone's lifestyle and situation is different, so we give you two different options to choose from when your contract comes to an end: keep your Hyundai, or trade it for a brand new one¹ knowing your Guaranteed Trade in Value.

1.

Keep your Hyundai by paying any amounts owing on your finance contract or applying through Hyundai Finance™ to refinance the loan residual balance.

2.

Trade in your Hyundai at your preferred Hyundai dealer and apply for another Hyundai CarPlan™ giving you the chance to step into the latest Hyundai model and continue your journey with us.

1. The feature is available on all new and demonstrator Hyundai vehicles on selected models only. Please verify with your dealership which vehicles are eligible for the programme.
 2. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information in this brochure, please seek independent tax advice. Full terms and conditions are available upon application. Available only to approved applicants of Hyundai Finance™. Subject to credit assessment and for consumer applications, responsible lending criteria. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Hyundai dealers.
 3. Your total interest charged may be higher if you choose the Guaranteed Trade in Value feature for your loan, compared to a loan without the feature.
 4. The Guaranteed Trade in Value is not a representation by Hyundai Finance™ as to the likely market value of your vehicle as at the end of your finance contract. If the Guaranteed Trade in Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or exceeds kilometre restrictions, the Guaranteed Trade in Value will be reduced and you'll be required to pay the difference.

How does Hyundai's new CarPlan differ from typical Hyundai financing?

Greater confidence

Hyundai CarPlan™ will ensure the amount you receive on trade in satisfies the final repayment, even where the value of the trade in is less than the final repayment amount¹. If the trade in valuation is higher than the Hyundai CarPlan™ value, the difference can be used as equity towards your new or demonstrator Hyundai when you purchase it².

A personally tailored solution

You may decide on the term for your finance contract, the deposit you would like to pay (if any) and the kilometres you intend to travel.

Greater flexibility

At the end of the finance contract term, you'll have the choice to keep your Hyundai, or trade it for a brand new one².

More options

You have the option to include things like Pre-Paid Service Plan³, insurance and accessory costs as part of your fixed-rate loan agreement.

Maintaining your vehicle.

To ensure you enjoy the full benefits of the Hyundai CarPlan™, your Hyundai must be in an acceptable condition when you are trading it in for your new Hyundai² and must not exceed the kilometre limit you have selected. Of course, we also understand that some reasonable wear and tear is to be expected, but it needs to remain within the provisions of your Hyundai CarPlan™ contract and Fair Wear & Tear Guidelines.

Where the vehicle is not in acceptable condition or where you have exceeded your kilometre limit, the Guaranteed Trade in Value of your vehicle will be reduced.

Is Hyundai's new CarPlan right for you?

Hyundai CarPlan™ is just one of many options available from Hyundai Finance™, so there may be another product that suits your individual needs better. Have a chat to your participating Hyundai Dealer about what's right for you.

1. The Guaranteed Trade in Value is not a representation by Hyundai Finance™ as to the likely market value of your vehicle as at the end of your finance contract. If the Guaranteed Trade in Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or exceeds kilometre restrictions, the Guaranteed Trade in Value will be reduced and you'll be required to pay the difference.

2. The feature is available on all new and demonstrator Hyundai vehicles on selected models only. Please verify with your dealership which vehicles are eligible for the programme.

3. Pre-Paid Service Plan: for scheduled services only, including parts. Does not include fair wear and tear items. For full terms and conditions visit hyundai.com.au/pre-paid

The Hyundai CarPlan from Hyundai Finance is a feature which ensures you receive the Guaranteed Trade in Value (determined by Hyundai Finance) at the end of the term of your contract when you trade it in at a participating Hyundai Dealer in accordance with the terms and conditions.

To exercise the feature your vehicle must be inspected and assessed by a participating Hyundai dealer at the end of the term of your finance contract. Adjustments to the value may apply. You receive the Guaranteed Trade in Value for the car if you exercise the feature at the end of the term and purchase a new or demonstrator Hyundai at the same time. The amount you receive on trade in will satisfy the final repayment, even where the trade in is less than the repayment amount.

Relax, we'll take it from here.

There's a reason why our iCare program has won awards¹. We built iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car – not just as an “optional extra”.

Our five-year, unlimited kilometre warranty² means you've got the freedom to go ahead and drive without having to keep an eye on the odometer.

Imagine knowing the maximum price of your next scheduled service, before pulling into the service centre. That's the advantage of our Lifetime Service Plan³ – a clever Hyundai initiative that gives you transparency and peace of mind for the life of your car. No hidden fees and surprises.

And since every new Hyundai is built to the highest standards, we've got the confidence to offer comprehensive customer service without exception – or as we like to say, amazing as standard. And that includes 24/7 Roadside Support⁴ for ten years when you service with us.

iCare

1. 2015 Canstar Blue Innovation Excellence Awards (5 Stars). 2. **5 year/unlimited km warranty:** Applies to new passenger vehicles used for private/domestic purposes. Excludes vehicles used at any time for “commercial application” as defined in the vehicle warranty policy, for which a 5 year/130,000km (whichever occurs first) warranty applies. Refer to full warranty terms & conditions for details and exclusions. 3. **Lifetime Service Plan:** For the benefit of Hyundai owners, Hyundai provides online quotes which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at hyundai.com.au, apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai's, for their lifetime. 4. **Roadside Support Plan:** Complimentary 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months from the date of a scheduled maintenance service at a participating authorised Hyundai dealer (unless vehicle is more than 108 months (9 years) from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months (10 years) from original new car sale date).

Elantra.

Big help, for little Aussies.

Every time a new car is sold at one of our Dealerships, both Hyundai and the Dealer will donate part of the sale price to Hyundai Help for Kids.™

Hyundai Help for Kids™ offers funding to child-focused organisations and charities working to improve the lives of children all over Australia – from supporting community initiatives, to providing much-needed medical equipment.

So when you buy a Hyundai, you're buying more than just a car. Together with Hyundai Help for Kids,™ you're empowering thousands of young Australians and giving them a better future.

Hyundai Help for Kids™ is a registered trademark of Hyundai Motor Company.

Elantra.

Australia, in our DNA.

We're one of the biggest car manufacturers in the world – and one of the fastest growing global car brands.

We're also the only car company in the world producing its own steel, because we know the best steel makes for the strongest cars.

That's why we source the majority of our high quality iron ore from right here, in Australia's backyard. So now, when you buy a new Hyundai, you know you're driving a car that's directly connected to home.
