

Veloster.

Exceptional standards.

We have one goal – to be Australia's most loved car company.

We're driven by the simple philosophy that life's most incredible moments shouldn't be reserved for a select few. Everyone is entitled to experience an amazing drive.

So how do we make that happen? We start by pushing our own boundaries, by making premium standard, and by engineering the most enjoyable ride possible.

The Veloster is the perfect expression of these efforts. It's the complete package for anyone who wants to stand out on the road.

You can be sure we've put it through its paces. With an extensive local development program, the Veloster is perfectly suited to Australian conditions. Korean engineering and Australian testing – a global contribution to this local hero.

Veloster.

Safety first, and always.

The Veloster comes equipped with a suite of active and passive safety features designed to help keep you in control.

Six airbags, Tyre Pressure Monitoring System and a reverse camera provide peace of mind, while high strength steel – made from Australian iron ore – gives the chassis extra rigidity.

The Veloster has achieved the maximum 5-star ANCAP safety rating too, so you can rest assured that we've put it to the test, and it's passed with flying colours.

Veloster.

SR. Born to perform.

The Veloster's unique and bold looks are matched only by the calibre of its on-road performance.

18-inch 5 spoke alloy wheels, a striking hexagonal front grille and sports styled bumper ensure the SR looks the part outside, while its front sports bucket seats make sure that it looks the part inside. But its true beauty lies beneath the hood.

A 1.6 litre turbocharged GDi engine pumps out 150 kW of power at 6,000 RPM and packs up to 265 Nm of torque. When you experience the power and the responsiveness of the drive, you'll see very quickly that the Veloster SR was born to perform.

Head-turning style.

With its confident and energetic design lines, unique 2 + 1 door configuration and a bold colour palette, the Veloster brings to the street all the exhilaration, excitement and flair you'd expect from a futuristic car.

In developing the Veloster, Hyundai has broken new ground by thinking beyond the limits of conventional coupés to create an innovative vehicle that combines sports car style and dynamics with hatchback practicality.

Similarly, while maintaining the classic two-door look of a coupé, the Veloster incorporates a hidden third door on the passenger side for safe and easy kerbside access to the rear seats.

Room to move.

Perceptive, full of style, and highly sociable – the Veloster is packed full of cutting edge technology that'll keep you in touch with the world around you. Sit inside and you'll notice the highly refined interior not only looks great, but creates more space than you'd expect.

Veloster.

Forward thinking.

The Veloster has been created for life in the digital age. No matter where you go, its intuitive technology will keep you in touch, informed and entertained.

Apple CarPlay™¹ and Android™ Auto² are the smarter, safer ways to enjoy all the features of your smartphone while you're driving. They let you access your music, navigate to your destination and even answer calls.

There's a load of other smart tech on-board that enhances the time you spend behind the wheel, like Auto Climate Control. It lets you set your perfect temperature then keeps the climate inside exactly how you like it.

Hit the road in the Veloster and you'll be driving clever.

CarPlan. The smarter way to finance your new Hyundai.

Life's full of surprises and while you won't always know what's around the next corner, with Hyundai CarPlan™ you'll always have the right car for the journey there. It's a smart and flexible way to have the vehicle that's perfect for you, even as your lifestyle changes.

Hyundai CarPlan™ has been developed by Hyundai Finance™ to provide flexibility at the end of your finance contract, letting you enjoy the new Hyundai experience again and again. At the end of your finance contract you can pay any amounts owing on your finance contract to keep your Hyundai or trade it in at your preferred Hyundai dealer to step into the latest Hyundai model and continue your journey with us. The choice is yours.

In a nutshell.

1. Choose your Hyundai model

Visit a participating Hyundai Dealer and select an eligible new or demonstrator Hyundai¹ that best suits your lifestyle.

2. Choose an eligible finance solution

You can choose your desired finance contract term of 36 or 48 months and the kilometres you intend to travel up to a maximum of 25,000 per year.

Our fixed rate loans are available with or without a deposit – whichever suits you.²

3. We'll then tell you:

- How much your regular payments will be over the finance contract term.³
- The Guaranteed Trade in Value for your new Hyundai. The Guaranteed Trade in Value is the value of your new Hyundai at the end of your finance contract as determined by Hyundai Finance™ subject to Fair Wear and Tear conditions and agreed kilometres not being exceeded.
- We'll also give you a copy of the Fair Wear & Tear Guidelines, setting out the condition requirements you'll need to maintain over the finance contract term to avoid any adjustments to your Guaranteed Trade in Value under the GTV terms.⁴

It's all about choice.

We know that everyone's lifestyle and situation is different, so we give you two different options to choose from when your contract comes to an end: keep your Hyundai, or trade it for a brand new one¹ knowing your Guaranteed Trade in Value.

1.

Keep your Hyundai by paying any amounts owing on your finance contract or applying through Hyundai Finance™ to refinance the loan residual balance.

2.

Trade in your Hyundai at your preferred Hyundai dealer and apply for another Hyundai CarPlan™ giving you the chance to step into the latest Hyundai model and continue your journey with us.

1. The feature is available on all new and demonstrator Hyundai vehicles on selected models only. Please verify with your dealership which vehicles are eligible for the programme.
 2. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information in this brochure, please seek independent tax advice. Full terms and conditions are available upon application. Available only to approved applicants of Hyundai Finance™. Subject to credit assessment and for consumer applications, responsible lending criteria. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Hyundai dealers.
 3. Your total interest charged may be higher if you choose the Guaranteed Trade in Value feature for your loan, compared to a loan without the feature.
 4. The Guaranteed Trade in Value is not a representation by Hyundai Finance™ as to the likely market value of your vehicle as at the end of your finance contract. If the Guaranteed Trade in Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or exceeds kilometre restrictions, the Guaranteed Trade in Value will be reduced and you'll be required to pay the difference.

How does Hyundai's new CarPlan differ from typical Hyundai financing?

Greater confidence

Hyundai CarPlan™ will ensure the amount you receive on trade in satisfies the final repayment, even where the value of the trade in is less than the final repayment amount¹. If the trade in valuation is higher than the Hyundai CarPlan™ value, the difference can be used as equity towards your new or demonstrator Hyundai when you purchase it².

A personally tailored solution

You may decide on the term for your finance contract, the deposit you would like to pay (if any) and the kilometres you intend to travel.

Greater flexibility

At the end of the finance contract term, you'll have the choice to keep your Hyundai, or trade it for a brand new one².

More options

You have the option to include things like Pre-Paid Service Plan³, insurance and accessory costs as part of your fixed-rate loan agreement.

Maintaining your vehicle.

To ensure you enjoy the full benefits of the Hyundai CarPlan™, your Hyundai must be in an acceptable condition when you are trading it in for your new Hyundai² and must not exceed the kilometre limit you have selected. Of course, we also understand that some reasonable wear and tear is to be expected, but it needs to remain within the provisions of your Hyundai CarPlan™ contract and Fair Wear & Tear Guidelines.

Where the vehicle is not in acceptable condition or where you have exceeded your kilometre limit, the Guaranteed Trade in Value of your vehicle will be reduced.

Is Hyundai's new CarPlan right for you?

Hyundai CarPlan™ is just one of many options available from Hyundai Finance™, so there may be another product that suits your individual needs better. Have a chat to your participating Hyundai Dealer about what's right for you.

1. The Guaranteed Trade in Value is not a representation by Hyundai Finance™ as to the likely market value of your vehicle as at the end of your finance contract. If the Guaranteed Trade in Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or exceeds kilometre restrictions, the Guaranteed Trade in Value will be reduced and you'll be required to pay the difference.

2. The feature is available on all new and demonstrator Hyundai vehicles on selected models only. Please verify with your dealership which vehicles are eligible for the programme.

3. Pre-Paid Service Plan: for scheduled services only, including parts. Does not include fair wear and tear items. For full terms and conditions visit hyundai.com.au/pre-paid

The Hyundai CarPlan from Hyundai Finance is a feature which ensures you receive the Guaranteed Trade in Value (determined by Hyundai Finance) at the end of the term of your contract when you trade it in at a participating Hyundai Dealer in accordance with the terms and conditions.

To exercise the feature your vehicle must be inspected and assessed by a participating Hyundai dealer at the end of the term of your finance contract. Adjustments to the value may apply. You receive the Guaranteed Trade in Value for the car if you exercise the feature at the end of the term and purchase a new or demonstrator Hyundai at the same time. The amount you receive on trade in will satisfy the final repayment, even where the trade in is less than the repayment amount.

Relax, we'll take it from here.

There's a reason why our iCare program has won awards¹. We built iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car – not just as an “optional extra”.

Our five-year, unlimited kilometre warranty² means you've got the freedom to go ahead and drive without having to keep an eye on the odometer.

Imagine knowing the maximum price of your next scheduled service, before pulling into the service centre. That's the advantage of our Lifetime Service Plan³ – a clever Hyundai initiative that gives you transparency and peace of mind for the life of your car. No hidden fees and surprises.

And since every new Hyundai is built to the highest standards, we've got the confidence to offer comprehensive customer service without exception – or as we like to say, amazing as standard. And that includes 24/7 Roadside Support⁴ for ten years when you service with us.

iCare

1. 2015 Canstar Blue Innovation Excellence Awards (5 Stars). 2. **5 year/unlimited km warranty:** Applies to new passenger vehicles used for private/domestic purposes. Excludes vehicles used at any time for “commercial application” as defined in the vehicle warranty policy, for which a 5 year/130,000km (whichever occurs first) warranty applies. Refer to full warranty terms & conditions for details and exclusions. 3. **Lifetime Service Plan:** For the benefit of Hyundai owners, Hyundai provides online quotes which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at hyundai.com.au, apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai's, for their lifetime. 4. **Roadside Support Plan:** Complimentary 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months from the date of a scheduled maintenance service at a participating authorised Hyundai dealer (unless vehicle is more than 108 months (9 years) from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months (10 years) from original new car sale date).

Veloster.

Big help, for little Aussies.

Every time a new car is sold at one of our Dealerships, both Hyundai and the Dealer will donate part of the sale price to Hyundai Help for Kids.™

Hyundai Help for Kids™ offers funding to child-focused organisations and charities working to improve the lives of children all over Australia – from supporting community initiatives, to providing much-needed medical equipment.

So when you buy a Hyundai, you're buying more than just a car. Together with Hyundai Help for Kids,™ you're empowering thousands of young Australians and giving them a better future.

Hyundai Help for Kids™ is a registered trademark of Hyundai Motor Company.

Veloster.

Australia, in our DNA.

We're one of the biggest car manufacturers in the world
– and one of the fastest growing global car brands.

We're also the only car company in the world producing
its own steel, because we know the best steel makes for
the strongest cars.

That's why we source the majority of our high quality iron
ore from right here, in Australia's backyard. So now,
when you buy a new Hyundai, you know you're driving
a car that's directly connected to home.
