IMAGINATION DRIVES US

Imagination is the world's most valuable resource. It's our window to the future, because if we can imagine it, we can create it. Mazda is built on a foundation of imagination and ingenuity. It's the fuel behind all we create and achieve. It has given us SKYACTIV TECHNOLOGY, 'KODO – Soul of Motion' design and countless successes that once existed only in someone's imagination. These pages show how imagination is an integral part of our innovative cars.

LUXURY MEETS FAMILY

Mazda CX-9 is the ultimate blend of sophisticated luxury and family SUV. The breakthrough SKYACTIV-G 2.5T petrol engine delivers thrilling performance with real-world efficiency. Mazda CX-9 cuts an elegant figure on the road thanks to the superb styling of 'KODO - Soul of Motion' design. The spacious interior is finished with quality craftsmanship that is evident in every detail. Add to that the latest in connectivity including Apple CarPlay® and Android® Auto, passenger comforts and i-ACTIVSENSE advanced safety technologies and you've got an SUV that brings luxury and family together like no other.

KODOMO

魂動

KODO : SOUL of MOTION

Azami LE in Machine Grey Metallic.

ARRIVE IN STYLE

The elegant styling of Mazda CX-9 redefines the seven-seat family SUV. Featuring stunning 'KODO - Soul of Motion' design, the bold lines command a striking street presence.

Mazda CX-9's confident front grille and strong, stable lower body give it an assured stance on the road. Impressive 20-inch wheels further enhance the look, while integrated LED headlamps and tail lights add a sleekness you wouldn't expect in a family SUV.

Azami LE in Chroma brown nappa leather.*

REFINEMENT AT EVERY TURN

Mazda CX-9 indulges every passenger with unprecedented comfort, technology and spaciousness. Every element of the cabin features exceptional design and superb craftsmanship.

The elegantly finished front row envelops the driver with thoughtfully positioned controls, and enjoys extra comforts such as ventilated seats and a heated steering wheel on Azami grades and higher. The Azami LE grade also receives real wood trim, hand-crafted box stitch steering wheel and Chroma brown nappa leather*. The middle and rear passengers are accommodated in full comfort, with plush seating and ample legroom.

* Leather interior includes some Maztex material on selected high-impact surfaces.

BREAKTHROUGH FAMILY SUV PERFORMANCE

Mazda CX-9 features the breakthrough SKYACTIV-G 2.5T petrol engine. This 2.5-litre direct injection turbocharged engine delivers an athletic driving performance that's previously unheard of in a family SUV.

Enjoy powerful acceleration and an excellent response in the low-to-mid rpm range without turbo lag. This traditional problem has been overcome by the Dynamic Pressure Turbo - a world-first turbocharging system that adapts its processes according to engine speed.

The addition of intelligent i-ACTIV AWD monitors and even predicts road conditions so Mazda CX-9 can adjust its performance to deliver exceptional real-world fuel efficiency and a superior drive every time.

POWER AND EFFICIENCY

Mazda CX-9 delivers breakthrough performance with a top-of-the-range engine bringing new levels of driving pleasure. The smooth ride and athletic responses come from the latest advances in SKYACTIV TECHNOLOGY, of which Mazda CX-9 boasts the full suite. Unleashing exceptional efficiency, clever technologies like i-ELOOP have found even more ways to save on fuel and emissions. Mazda CX-9 also includes SKYACTIV-VEHICLE DYNAMICS, a series of technologies that integrates control of the engine, transmission, chassis and body to enhance the sense of oneness between car and driver that we call Jinba Ittai.

*Combined fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic, road conditions and how the vehicle is driven.

SKYACTIV-G 2.5T TURBO ENGINE

The first turbocharged engine to join the SKYACTIV-G series, the SKYACTIV-G 2.5T delivers both outstanding low and mid-range torque, with excellent fuel economy. The Dynamic Pressure Turbo system controls exhaust pulses to produce a huge 420Nm of torque and 170kW of power. Meanwhile the Cooled Exhaust Gas Recirculation (EGR) cycles cooled exhaust gas back into the air intake system, lowering the engine's fuel consumption and improving economy.

i-ACTIV AWD INTELLIGENT ALL-WHEEL DRIVE SYSTEM

Mazda's i-ACTIV AWD is a predictive, on-demand AWD system that anticipates front tyre slip and applies just enough torque to the rear wheels to prevent slipping from occurring. It does this via 27 sensors, which constantly monitor the road surface, outside conditions, driver operation and vehicle condition. Analysing this information 200 times per second, the system helps ensure a stress-free drive in a wide range of conditions.

SKYACTIV-DRIVE AUTOMATIC TRANSMISSION

We've combined the best attributes of conventional automatic, continuously variable and dual clutch transmissions. The transmission locks up to couple directly with the engine over a wider spectrum than other automatics, delivering a more direct, manual-like power delivery and driving feel. Shifts are swift, accurate and smooth across the six speeds.

i-ELOOP

Mazda's unique brake energy regeneration system captures braking energy in a capacitor that then reroutes that energy to power various electrical systems. On top of reducing fuel consumption, the capacitor charges and discharges faster than conventional battery systems. Intelligent i-stop saves even more fuel by switching off the engine when you come to a standstill, restarting the moment you accelerate.

SKYACTIV-BODY

The new-generation features an advanced body, making it lighter and more rigid than ever for superior handling. Increased use of high-tensile steel saves on weight while increasing strength. The exceptional new design also results in a quieter, more premium ride thanks to sound-absorbent materials, improved door seals and sound-insulating glass.

SKYACTIV-CHASSIS

Passengers experience a smooth, comfortable ride thanks to strut suspension in the front and multi-link suspension in the rear. The angle of the dampers has been optimised and solid rear bushings in the front have been replaced with a liquid variety that provides superior ratios of stiffness and compliance. These enhancements noticeably reduce the overall feeling of road vibration for optimum passenger comfort.

Azami in Black leather.*

CONNECTIVITY THAT COMES WITH YOU

Mazda CX-9 is fully-equipped to handle the entertainment demands of modern families, offering the latest in connectivity and infotainment. Four USB ports are distributed throughout the cabin to accommodate all your devices. Up front, Apple CarPlay® and Android® Auto as well as MZD Connect, standard on every grade, allows you to safely access your compatible smartphone's§ apps, contacts, social media and music, while Sat Nav guides you from a large, upright touch screen controlled by a central dial.

* Leather interior includes some Maztex material on selected high-impact surfaces.

§ Please check the compatibility of your Bluetooth® device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase as not all devices operate correctly. Visit www.mazda.com.au/Bluetooth or consult your Mazda Dealer for further information.

Azami in Natural stone leather.*

ADAPTS TO YOUR LIFESTYLE

Mazda CX-9 effortlessly accommodates the daily demands of the modern family with a versatile cabin that adapts to all your seating and luggage requirements. The third-row is accessed using a mechanism so simple even children can operate it, while added storage space is integrated throughout the cabin to keep clutter stowed neatly out of sight.

* Leather interior includes some Maztex material on selected high-impact surfaces.

PROTECT YOUR MOST PRECIOUS CARGO

Mazda CX-9 is designed to maximise the safety of every single passenger on board.

The driving environment features excellent visibility, with well-positioned controls to minimise driver distraction† Reverse camera and rear-parking sensors offer extra peace of mind, while the latest advanced braking technologies are fitted to assist you in emergency situations.

Built with a rigid body cell, every grade comes equipped as standard with SRS airbags and technology like Hill Launch Assist. Mazda CX-9 puts your family's safety first, so you can experience true driving confidence.

† Driver-assistance features do not replace the driver's judgement and are not to be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

Azami LE in Machine Grey Metallic.

READY TO REACT

If unexpected hazards appear suddenly, Dynamic Stability Control (DSC) acts instantly, braking the inner rear wheel to offset understeer (or outer front wheel to combat oversteer). The Traction Control System (TCS) also reduces torque to the driven wheels to minimise skidding. The hazard can be steered around, as control is maintained.

SAFETY REFLEX

Trailer Stability Assist (TSA) adjusts braking and torque to correct any side-to-side swinging movement of towed loads.

ENJOY THE RIDE

By finely controlling engine torque based on the steering and accelerator inputs of the driver, G-Vectoring Control (GVC) improves both handling for the driver and ride quality for the passengers around corners.

ADVANCED SAFETY TECHNOLOGY LOOKS OUT FOR YOU

Mazda CX-9 comes equipped with a suite of i-ACTIVSENSE advanced safety technologies as standard. i-ACTIVSENSE assists the driver to avoid potential hazards†. Along with preventative features, crash-severity-reduction technology is activated in the event of unavoidable impact.

† i-ACTIVSENSE and other safety technologies are driver assist technologies only and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

BLIND SPOT MONITORING (BSM)

By scanning external mirrors' blind spots, radars detect any unseen vehicles to alert the driver of hazardous lane changes. An LED icon on the relevant mirror is accompanied by beeping alerts. Standard across the range.

SMART CITY BRAKE SUPPORT WITH PEDESTRIAN RECOGNITION (SCBS-F/R)

Helps prevent, or lessen, low-speed impacts. Now with pedestrian detection, SCBS-F monitors obstacles in front to assess the possibility of a collision at forward speeds of 4-80km/h. If the system detects a high risk of impact, it issues visual and audible warnings and primes the brakes for faster response, should the driver brake. If the driver does not brake, the brakes are applied automatically. SCBS-R also works in reverse at speeds of 2-8km/h. Standard across the range.

REAR CROSS TRAFFIC ALERT (RCTA)

RCTA assists the driver when reversing from a parking space, warning if a car is approaching from either side of the vehicle. The LED icon on both mirrors is accompanied by a beeping alert. Standard across the range.

HIGH BEAM CONTROL (HBC)

HBC detects oncoming and preceding vehicles and automatically switches between high and low beams during night driving. This makes it easier for the driver to recognise hazards and helps avoid dazzling other drivers. Standard on Sport to GT models.

TRAFFIC SIGN RECOGNITION (TSR)

TSR uses the forward-sensing camera to recognise Stop, No Entry and speed limit signs which are in turn displayed on the vehicle's Active Driving Display. If the driver exceeds the detected speed limit, a warning will flash on the display. Standard across the range.

MAZDA RADAR CRUISE CONTROL (MRCC) WITH STOP & GO FUNCTION

MRCC automatically adjusts vehicle speed to maintain a safe distance from the car ahead. It's able to bring the car to a complete stop in traffic and take off again once traffic moves (if the stop is less than 3 seconds). If a complete stop exceeds 3 seconds, the car waits for the driver to initiate acceleration. Standard across the range.

LANE DEPARTURE WARNING (LDW) WITH LANE-KEEP ASSIST SYSTEM (LAS)

LDW uses a windscreen-mounted camera to monitor road lane markings, sounding an audible warning if the driver is about to stray from their lane. LAS will act if it determines the vehicle will leave its lane by applying a degree of corrective steering. Standard across the range.

SMART BRAKE SUPPORT (SBS)

Operating at 15-160km/h, SBS monitors the distance to and speed of the vehicle in front. If SBS senses a high risk of impact, it primes the brakes for faster response. If the driver takes evasive action, SBS deactivates. If no evasive action is taken, the brakes are applied automatically. Standard across the range.

ADAPTIVE LED HEADLAMPS (ALH)

Individual control of several LEDs allows precise adjustment of the lighting pattern. The system automatically broadens visibility at low speeds, shapes the high beam to help avoid dazzling other drivers and raises beam height at highway speeds to extend vision area. Standard on Azami and Azami LE.

CX-9

SPORT

Sport in Deep Crystal Blue Mica.

SPORT FEATURES

- » 18-inch alloy wheels (dark-silver) with 255/60 tyres
- » Headlamps (LED) with auto on/off function
- » Wipers front 2-speed with rain-sensing function
- » Power mirrors (body coloured with heating and auto-folding function)
- » Active Driving Display
- » Air-conditioning (three-zone climate control) with independent rear control
- » Rear-view mirror with auto dimming function
- » Seat trim: Black cloth
- » 7-inch touch screen display (MZD Connect)
- » Audio system with AM/FM tuner, Bluetooth® capability,[§] Digital radio (DAB+) and 6 speakers
- » Apple Carplay® and Android® Auto
- » Advanced keyless push button engine start
- » Blind Spot Monitoring (BSM)[†]
- » Driver Attention Alert (DAA)[†]
- » High Beam Control (HBC)[†]
- » Lane Departure Warning (LDW)[†]
- » Lane-keep Assist System (LAS)[†]
- » Mazda Radar Cruise Control (MRCC) with Stop & Go function[†]
- » Multi-function commander control
- » Parking sensors (rear)
- » Rear Cross Traffic Alert (RCTA)[†]
- » Reverse camera
- » Satellite navigation
- » Smart Brake Support (SBS)[†]
- » Smart City Brake Support [Forward/Reverse] (SCBS F/R)[†]
- » Traffic Sign Recognition (TSR)[†]
- » Tyre Pressure Monitoring System

POWERTRAIN

SKYACTIV-G 2.5T

- » 2.5 litre in-line 4 cylinder 16 valve DOHC S-VT turbo petrol engine with i-stop and i-ELOOP
- » Drivetrain: FWD or i-ACTIV AWD
- » Fuel consumption (combined): 8.4L/100km* (FWD) or 8.8L/100km* (AWD)
- » Max power: 170kW @ 5,000rpm
- » Max torque: 420Nm @ 2,000rpm
- » Transmission: 6-speed auto (SKYACTIV-Drive)

[§] Please check the compatibility of your Bluetooth® device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase as not all devices operate correctly. Visit www.mazda.com.au/Bluetooth or consult your Mazda Dealer for further information.

[†] i-ACTIVSENSE, other safety technologies and driver-assistance features do not replace the driver's judgement, and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

* Combined fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic, road conditions and how the vehicle is driven.

PLAY IT YOUR WAY

Apple CarPlay® and Android® Auto means you can pair up your compatible smartphone and access a whole range of your favourite apps.[§]

SAFELY SWITCH LANES

Blind Spot Monitoring (BSM) warns of hazardous lane changes with LED icons and beeping alerts.

SAFE DISTANCE

Mazda Radar Cruise Control (MRCC) with Stop & Go function automatically adjusts speed to maintain a safe distance from the car ahead, even in heavy traffic![†]

EXTRA SENSES

Rear camera and rear parking sensors give you added confidence while reversing.

CX-9 TOURING

Touring in Snowflake White Pearl Mica.

TOURING FEATURES

ADDITIONAL TO SPORT

- » 18-inch alloy wheels (bright) with 255/60 tyres
- » Front fog-lamps (LED)
- » Seat trim: Black leather#
- » Front seats with: 6-way power adjustment (passenger), 8-way power adjustment (driver) and heating function
- » Rear seats with: centre armrest storage and USB input ports (2nd row)
- » 8-inch touch screen display (MZD Connect)
- » Advanced keyless entry
- » Parking sensors (front)

POWERTRAIN

SKYACTIV-G 2.5T

- » 2.5 litre in-line 4 cylinder 16 valve DOHC S-VT turbo petrol engine with i-stop and i-ELOOP
- » Drivetrain: FWD or i-ACTIV AWD
- » Fuel consumption (combined): 8.4L/100km* (FWD) or 8.8L/100km* (AWD)
- » Max power: 170kW @ 5,000rpm
- » Max torque: 420Nm @ 2,000rpm
- » Transmission: 6-speed auto (SKYACTIV-Drive)

Leather interior includes some Maztex material on selected high-impact surfaces.

* Combined fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic, road conditions and how the vehicle is driven.

HEADS UP

The full colour Active Driving Display projects important driving information onto the windscreen into your line of sight.

MAKES LIGHT WORK

Auto on-off headlamps mean one less thing to think about while driving in changing light conditions.

A CUT ABOVE

Luxurious leather# seats in sleek black are timelessly elegant.

STAY IN TOUCH

Large 8-inch communication touch screen puts MZD Connect infotainment at your fingertips.

CX-9

GT

GT in Soul Red Crystal Metallic.

GT FEATURES

ADDITIONAL TO TOURING

- » 20-inch alloy wheels with 255/50 tyres
- » Remote operated power tailgate (open/close)
- » Power sliding and tilt glass sunroof
- » Seat trim: Black or Natural stone leather#
- » Front seats with: 2-position memory function (driver) and 10-way power adjustment (driver)
- » Rear seats with: heating function (2nd row outer)
- » Premium Bose® 294 watt amplifier and 12 speakers (including subwoofer)

POWERTRAIN

SKYACTIV-G 2.5T

- » 2.5 litre in-line 4 cylinder 16 valve DOHC S-VT turbo petrol engine with i-stop and i-ELOOP

REST ASSURED – YOUR WARRANTY

The quality built into Mazda CX-9 is backed up by a 5 year, unlimited kilometre factory warranty and 6 year panel protection warranty.*

MAINTAIN THAT ZOOM-ZOOM

Your Mazda CX-9 deserves the best in care. Servicing with Mazda Service Select gives your car the advantage of factory trained Service Technicians and advanced computer diagnostic systems. As well as maintaining your Mazda in A1 condition, you'll also be protecting your vehicle's outstanding resale value.

HELP IS AT HAND – MAZDA ROADSIDE ASSISTANCE

Flat batteries, running out of fuel, flat tyres – everyone faces hiccups from time to time. When the unexpected happens, Mazda Roadside Assistance is there to keep you moving. You'll be covered 24 hours a day, 365 days a year, all round Australia. Better still, your Mazda will only be worked on by Mazda-approved technicians. Choose a Standard policy offering everything needed to get going again, or Premium with extras like accommodation, a rental car and vehicle recovery. Either can be purchased across the entire Mazda range. (Terms and conditions apply.)

* New 5 year unlimited kilometre warranty available on all brand new vehicles purchased from 1 August 2018. For full terms and conditions please visit <https://www.mazda.com.au/owners/warranty/>

[^] At extra cost.

[■] Natural stone leather interior only available with Soul Red Crystal Metallic, Machine Grey Metallic, Titanium Flash Mica, Deep Crystal Blue Mica and Jet Black Mica exterior colours.

[#] Leather interior includes some Maztex material on selected high-impact surfaces.

GENUINE
ACCESSORIES*

CX-9

ZOOM-ZOOM

MOBILE PHONE HOLDER

Safe, stylish and compatible with many popular phones, this gives drivers easy phone visibility and access. Allows for portrait or landscape use.

REAR SEAT ENTERTAINMENT HOLDER FOR IPAD®

Keep rear seat passengers entertained with this convenient holder for your iPad®

MAKE YOUR MAZDA EVEN MORE REWARDING

New Mazda CX-9 is the seven seat SUV where luxury meets family. Mazda Genuine Accessories enhance the styling and practical features, while customising and protecting your investment. Featuring outstanding design, quality, fit and safety, each accessory comes backed by a Mazda Warranty. Mazda Genuine Accessories add extra Zoom-Zoom to your CX-9 and indulge your family even more.

FRONT FLOOR MATS

Protect your carpet with these high-quality, tailor-made floor mats. Fastening system enhances safety. (Front and rear sold separately)

REAR WINDOW SHADES

Provide sun protection for rear passengers and cargo. (Set of two) (Sport and Touring models only)

CARGO ORGANISER BOX

Prevent items from sliding around in the cargo area. Features moveable internal dividers, detachable lids and a securable base.

CARGO NET

Restrain smaller cargo items in the load compartment with this easily removable netting.

FRONT SEAT COVERS

These durable, waterproof neoprene covers keep your seats free from dirt and grime, and offer full airbag compatibility.

REAR SEAT COVERS

Guard against dirt, spills, damage and the effects of wear with this lightweight, waterproof cover.

CARGO TRAY

A durable, custom-fitted tray with raised edges to protect the load compartment from spills, dirt and scratches.

BOOT LIP PROTECTOR

Protect your rear bumper and boot lip from scratches and scuffs during loading and unloading.

SCUFF PLATES

Guard door sills from scratches and scuffing with protective plates styled to enhance the look of your CX-9.

WELCOME ILLUMINATION

Welcome lighting radiates soft blue illumination from both foot wells.

CARGO ILLUMINATION

Additional LED lighting that allows for a clearer view of the load compartment.

CARGO COVER

Keep valuable items hidden from view.

FEATURED HERE

- Front mud guards
- Rear mud guards
- Roof racks
- Slimline weathershields
- Tow bar*

*Features maximum 2,000kg braked towing capacity and 150kg tow ball download limit. Subject to State or Territory regulations. Chrome tow ball sold separately.

Azami in Machine Grey Metallic.

BIKE RACK (WHEEL OFF)

Makes it easier to take your bike along for the ride.

BIKE RACK (WHEEL ON)

Transport your bike without the inconvenience of removing a wheel.

UNIVERSAL CARRIER

This streamlined and easy-to-use carrier allows you to bring all sorts of objects along safely and securely.

KAYAK HOLDER

A convenient way to carry a canoe, kayak or similar sized watercraft.

BONNET PROTECTOR

Guards the bonnet against damage caused by road debris. (Smoke Bonnet Protector also available)

HEADLIGHT PROTECTORS

Shield headlamps from costly damage.

FRONT PARKING SENSORS

Take the guesswork out of parking with audio alerts advising the distance between your CX-9 and objects to the front. (Only compatible with Sport model)

FRONT MUDGUARDS

Stop mud and road grime collecting on the front bodywork of your car.

REAR BUMPER STEP PLATE

Protect tailgate paintwork from damage while enhancing its appearance.

COLLAPSIBLE SUN SCREEN

Keep your vehicle cool and protect the interior from the sun's harmful rays.

ELECTRONIC BRAKE CONTROLLER

Supplies power to a towed trailer's electric brakes when the CX-9's brakes are applied.
