

Q8

Audi Q8 Australian Specifications

Technical data

Q8 55 TFSI quattro tiptronic

Technical data	
Cylinders / Valves	6 cylinder petrol engine with direct fuel injection system, turbocharging and 48V Mild Hybrid Electric Vehicle technology (MHEV)
Capacity (cc)	2,995
Power (kW/rpm)	250 / 5,500
Torque (Nm/rpm)	500 / 2,900 – 5,300
Driveline	quattro
Transmission	8-speed tiptronic
Start-Stop system	●
Acceleration (sec) 0-100km/h	5.9
Unladen weight in kg (includes 75kg for driver and luggage) ¹	2,265

● = Standard | □ = Optional equipment | – = Not available | NCO = No cost option

Standard equipment

	Option Code	Q8 55 TFSI quattro tiptronic
Safety		
Attention assist – provides a warning alert tone and visual signal if the system evaluates that the drivers attention may be lapsing		●
Electronic Stabilisation Control (ESC) with electronic wheel-selective torque control, ABS, ASR, EDL and Brake Assist		●
Front airbags for driver and passenger, side airbags for front and rear side passengers, head level curtain airbag for front and rear		●
Seatbelt reminders for all passengers		●
Tyre pressure loss indicator		●
Assistance systems		
360 degree cameras including kerb view function – 4 wide-angle cameras cover the entire area immediately around the vehicle, providing a range of different views for improved visibility during low speed manoeuvres		●
Adaptive drive assist including adaptive cruise control with stop & go, distance indicator and traffic jam assist and lane guidance assist ²		●
Audi parking system plus front and rear with visual display		●
Audi pre-sense front with Autonomous Emergency Braking (AEB) – provides collision mitigation from 5km/h up to 85km/h (pedestrians) and up to 250 km/h (vehicles) ²		●
Audi pre-sense rear – preventative protection measures including tensioning of front seat belts and closing of windows and sunroof where the risk of a collision is detected from the rear		●
Collision avoidance assist – provides additional assistance to the driver with supporting steering torque in critical situations where the driver initiates evasive action ²		●
Cross traffic assist rear – supports the driver when reversing by detecting moving vehicles and informs the driver visually. This system can also provide an acoustic warning and haptic brake jolt in critical situations ²		●
Exit warning system – detects vehicles and cyclists when opening doors; providing a warning light and initiating a slight delay in door opening		●
High beam assist – switches automatically between low and high beam		●
Intersection crossing assist – monitors the area in front of and at the side of the vehicle on junctions and exit roads to detect oncoming objects. A visual and acoustic warning is provided, and if the situation is critical, a warning brake jolt follows which operates at speeds up to 10 km/h ²		●
Lane change warning – blind spot warning system		●
Lane departure warning – when activated assists the driver stay in the lane by gentle corrective steering intervention and steering vibration ²		●
Light and rain sensor		●
Predictive efficiency assistant		●
Turn assist – monitors oncoming traffic when turning right at speeds up to 10 km/h and, if necessary, applies the brakes ²		●

● = Standard | □ = Optional equipment | – = Not available | NCO = No cost option

Standard equipment

	Option Code	Q8 55 TFSI quattro tiptronic
Exterior features		
S line exterior package – S line front and rear bumpers with honeycomb inserts, Singleframe mask in Platinum grey, matt, S line side air inlet grilles in matt Titanium black, S line diffuser in matt Titanium black, S line side sill trims and S line emblem on the front fenders		●
Electric rear tailgate with gesture control and programmable opening height		●
LED headlights; Full LED headlights with daytime running lights, dipped beam, high beam, position light, indicator, all-weather light and automatic-dynamic headlight range control		●
Audi HD Matrix LED headlights with front and rear dynamic indicators; daytime running lights, dipped beam, high beam, position light, turning light, all-weather light, motorway light, static cornering light, synthetic cornering light as part of high-beam assist and automatic-dynamic headlight range control. This also features an innovative and unique lighting design that is demonstrated in the front and rear lights with a Coming home and Leaving home animation	PXC	Included in Premium plus package
Exterior mirrors; heated, folding and auto dimming with memory; kerb-side function on the passenger side; includes heated washer jets		●
Convenience key, full keyless entry and start		●
Privacy glass – dark tinted rear and rear side windows		Included in Premium plus package
Interior features		
3-zone climate control air conditioning – separately adjustable temperature and air distribution settings for driver, front passenger and rear passengers		●
4-zone climate control air conditioning – separately adjustable temperature and air distribution settings for left and right-hand sides at front and rear; rear touchscreen display		Inc. in Premium plus package
Auto dimming interior mirror		●
Front centre armrest with adjustable fore/aft position and angle		●
Illuminated door sill trims with aluminium inlays front and rear, with S logo at front		●
Headlining in cloth – lunar silver		●
Interior lighting package including ambient lighting – includes courtesy lighting in the exterior door handles, entrance lighting, footwell lighting at front and rear, inside door handles, door trims and centre console		●
LED colour interior lighting package including ambient lighting with 30 selectable colours and 6 colour profiles		Inc. in Premium plus package
3-spoke sport leather steering wheel with multifunction, shift paddles		●
Inlays		
Inlays in aluminium spectrum		●
Inlays in Fine grain ash, grey brown natural	7TL	□
Inlays in Oak, grey brown high gloss	7TM	□

● = Standard | □ = Optional equipment | – = Not available | NCO = No cost option

Standard equipment

	Option Code	Q8 55 TFSI quattro tiptronic
Seating and upholstery		
Comfort customised contour seats		●
Valcona leather upholstery – seat centre panels in perforated Valcona leather; seat side bolsters, head restraints and front centre armrest in Valcona leather; door trim inserts in Alcantara		●
Electric seats for driver and front passenger including adjustment of seat height, fore/aft position, seat angle and backrest angle; electric lumbar support and memory function for both front seats		●
Heated front seats		●
Ventilated front seats – active ventilation for the driver and front passenger’s seats and backrest centre sections; adjustable in 3 stages		●
Infotainment		
Audi connect including in car Wi-Fi hotspot and Google services (requires data plan) ³		●
Audi smartphone interface – connects Apple or Android devices via USB to access approved apps via the MMI interface ⁴		●
Audi phone box light – supports wireless charging via the “Qi” standard for compatible smartphones and smartphone covers ⁴		●
Audi music interface – two USB interfaces in front with charging and data transfer functionality. ⁴ Also includes two USB interfaces in the rear with charging function		●
Audi sound system, 10 loudspeakers including centre speaker and subwoofer, 6-channel amplifier with a total output of 180 watts		●
Bang & Olufsen 3D Sound System – sound reproduction via 17 loudspeakers including 3D sound, centre speaker and subwoofer, 16-channel amplifier with a total output of 730 watts		Inc. in Premium plus package
DAB+ Digital radio ⁵		●
Audi virtual cockpit – fully digital configurable instrument cluster with 12.3 inch high resolution colour display		●
Head up display – in colour with speed, navigation and assistance information		●
MMI navigation plus ⁶ with MMI touch response, acoustic and haptic feedback including:		
▶ High-resolution 10.1 inch colour display for infotainment system		
▶ High-resolution 8.6 inch colour display for climate control functions, handwriting recognition and favourites list		
▶ 3D map display including places of interest and city models		●
▶ MMI search – free-text search with intelligent destination suggestions		
▶ Everyday speech interaction for easy operation of infotainment features

quattro tiptronic

Wheels, suspension and driving dynamics

21" alloy wheels in 5-W-spoke design, contrasting grey with 285/45 tyres

●

22" alloy wheels in 5-double arm design, contrasting grey with 285/40 tyres

Included in Premium plus
package

Suspension with damper control – electronically controlled adaption of the dampers to different driving situations; dynamic or comfort-oriented characteristics can be changed via Audi drive select

●

Adaptive air suspension – electronically controlled with continuously variable adaptive damping system

Included in Premium plus
package

Audi drive select – allows the selection of various driving modes

●

quattro with self-locking centre differential

●

Anti-theft wheel bolts and loose wheel detection

●

Space saver spare wheel

●

Dynamic steering package		
<ul style="list-style-type: none"> ▶ All-wheel steering: at low speeds, the steering effort reduces for the driver and the turning circle of the vehicle is reduced by approximately 1.1m <li style="padding-left: 20px;">At higher speeds, the response behaviour and the driving stability are improved by a targeted adjustment of the rear wheels ▶ Dynamic steering: variable ratio steering for improved dynamic performance 	ON5	□
Sunroof – 2-section, panoramic, tinted glass, electrically tilting and opening with electric sun shade	3FU	□
Power-assisted door closing – soft-touch closing of the doors; automatically closes doors that are slightly ajar	GZ2	□
Alcantara headlining in black	PL2	□
Alcantara headlining in lunar silver	PL6	□
Front seat massage function – 10 pneumatic support cushions in 3 intensities. Includes 7 massage programs	4D8	□

● = Standard | □ = Optional equipment | – = Not available | NCO = No cost option

- 1 Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the car's unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly.
- 2 Audi driver assistance systems work only within system limits and are intended to assist the driver. The driver remains responsible for driving the vehicle and is required to remain attentive at all times.
- 3 Audi connect allows access to selected Google services. Audi Australia cannot guarantee permanent availability and/or service longevity of Audi connect services provided by or via a third party.
- 4 Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility.
- 5 Digital radio reception coverage dependent on vehicle location.
- 6 MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.
- 7 Only in combination with Premium plus package.

This is a manufacturer's specification sheet and new vehicles must be purchased from authorised Audi dealers. Specifications listed are planned for vehicles manufactured from approximately November 2018. Actual production dates of vehicles with these specifications and the specifications themselves are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as permitted by law to do so, shall not be liable in any way as a result of any reliance by any person on anything contained in this specification sheet. For individual pricing and to confirm the specifications of your Audi (including any model year / running changes) please contact your authorised Audi dealer.
