

RS 4

Audi RS 4 Avant Australian Specifications

RS 4 Avant

Technical data	
Engine type	6-cylinder petrol with direct fuel injection, twin turbo-charging and Audi valvelift system
Capacity (cc)	2,894
Power (kW/rpm)	331 / 5,700 – 6,700
Torque (Nm/rpm)	600 / 1,900 – 5,000
Driveline	quattro
Transmission	8-speed tiptronic
Start-Stop system	●
Acceleration (sec) 0-100km/h	4.1
Unladen weight in kg ¹	1,790
Fuel consumption (combined) [#]	
▶ Litres per 100km	8.9
▶ CO ₂ emissions grams per km	202

Safety	
Airbags (8 in total) including front airbags for driver and passenger, side airbags for front and rear side passengers, head level curtain airbag for front and rear	●
Attention assist – provides a warning alert tone and visual signal if the system evaluates that the driver's attention may be lapsing	●

Electromechanical parking brake	●
First aid kit, warning triangle and high visibility vests	●
Hold assist – holds the vehicle on gradients indefinitely to enable smooth driving	●
Seat belt reminders for all passengers	●
Tyre pressure monitor system with individual tyre pressure and temperature display	●

● = Standard | □ = Optional equipment | NCO = No cost option

Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Figures are on the basis of 20 inch wheels. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted (including without limitation, wheel size fitted), will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

Packages

	Option Code	RS 4 Avant

Storage package – storage net on the back of the front seat backrests, storage compartment on the driver's side, lockable glove compartment, cup holder in the rear centre armrest, storage net and hooks for the luggage compartment		●

● = Standard | □ = Optional equipment | NCO = No cost option

Standard Equipment and Options

	Option Code	RS 4 Avant
Infotainment		
Audi connect including in car Wi-Fi hotspot and Google services (requires data plan) ³		●
Audi music interface with 2 USB inputs		●
Audi phone box light – wireless charging for mobile phones that support the “Qi” standard and additional Bluetooth connectivity ⁴		Included with Technik package
Audi smartphone interface – connects Apple or Android devices via USB to access approved apps via the MMI interface ⁴		●
Audi virtual cockpit – fully digital configurable instrument cluster with 12.3 inch high resolution colour display		●
Bang & Olufsen 3D Sound System, 19 speakers including tweeters in the upper part of the A pillars deliver 755 watts via a 16-channel amplifier – includes accent lighting of the front door speakers		●
Bluetooth interface with music streaming ⁴		●
DAB+ Digital radio ⁵		●
Head up display – in colour with speed, navigation and assistance information		Included with Technik package
MMI navigation plus⁶ including:		
▶ Navigation system with 8.3 inch high resolution colour display		
▶ Integrated voice control with natural language voice input		
▶ MMI free text search with intelligent destination suggestions		
▶ MMI touch control panel including handwriting recognition and touch to move and zoom around maps		
▶ 8 programmable favourites buttons		●
▶ 5 navigation map updates (at 6 monthly intervals)		
▶ Live traffic updates ⁷		
▶ MMI radio and CD/DVD player		
▶ Aux-in, 2 SDXC card readers and 10 GB flash memory		

● = Standard | □ = Optional equipment | NCO = No cost option

Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Figures are on the basis of 20 inch wheels. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted (including without limitation, wheel size fitted), will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

1 Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of EU Directive 1230/2012. Optional equipment may increase the cars unladen weight and drag coefficient, whereupon the possible payload limit and the top speed will be reduced accordingly.

2 Audi driver assistance systems work only within system limits and are intended to assist the driver. The driver remains responsible for driving the vehicle and is required to remain attentive at all times.

3 Audi connect allows access to selected Google services. Audi Australia cannot guarantee permanent availability and/or service longevity of Audi connect services provided by or via a third party.

4 Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility and functionality.

5 Digital radio reception coverage dependent on vehicle location, requires MMI navigation plus.

6 MMI navigation plus functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

7 SUNA™ live traffic update service is only available in selected metropolitan areas. It operates from information provided by Intellematics Australia Pty. Ltd. and may not cover all road incidents and/or congestion. Refer to www.sunatraffic.com.au for details.

Vehicle pictured is a RS 4 Avant overseas model with optional equipment.
