● = Standard | □ = Optional equipment | – = Not available | NCO = No cost option

Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Figures are on the basis of 18 inch wheels. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted (including without limitation, wheel size fitted), will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.
